

# Late Backup

## Motion Sheet re: Agenda Item No. 9 – Ordinance re: Expedited Permitting & Worker Protection

*Council Meeting: March 2, 2017*

*Distribute motion sheet on the dais and provide a copy to the City Clerk.*

### **Summary of Amendment:**

This amendment would change the ordinance in backup to require Council approval, by ordinance, for any program besides “Better Builder” to be used as a basis for the certification required under Section 4-18-2.

### **Text of Amendment:**

Amend Subsection (B)(2) in new Section 4-18-2 (*Worker Protection Certification*) to read as follows:

- (2) A similar program, if approved by ordinance [~~as determined by the accountable official~~], that establishes comparable requirements for:
  - (a) Payment of a living wage;
  - (b) Completion of OSHA-10 training;
  - (c) Workers compensation;
  - (d) Hiring goals from local craft training programs;
  - (e) Compliance with all applicable state, federal, and local laws; and
  - (f) Independent onsite monitoring.
