Within ninety (90) days of the effective date, the Company shall develop and submit to the City a reasonable supplier diversity policy regarding the Company's procurement of materials and services to be used exclusively at the Software Center, which policy may be reasonably modified from time to time by the Company. The Company further agrees to adhere to this policy for the procurement of materials and services at the Software Center with respect to any individual procurement of materials or services for which the cost is more than Five Thousand and No/100 Dollars (\$5,000.00). Asian-American and Native American-owned Business Enterprises	4.9%	2.3%
Women-owned Business Enterprises	15.8%	13.8%

In the event that the Company enters into a build-to-suit lease or turn-key tenant improvement lease for the Software Center, it is the Company's responsibility to ensure that the landlord complies with this Section for all construction and design projects relating to the Company's move-in. If the Company, the landlord (in the event the Company has entered into a build-to-suit lease or turn-key tenant

improvement lease), the architect and the general contractor fail to meet each of these goals, the Company must submit documentation demonstrating its own, the landlord's, the architect's and the general contractor's good faith efforts to meet the goals. Good faith efforts are those efforts described in the City's M/WBE Program Ordinance.

- (d) The City's Department of Small Business and Minority Business Resources ("SMBR") will provide a list of certified M/WBE firms to the Company or at the Company's request, the architect or general contractor, from which the Company shall solicit or cause the architect and general contractor to solicit participation in the design and construction of any building or improvements, including but not limited to, leasehold improvements. SMBR will assist the Company or at the Company's request, the architect or general contractor, to identify potential scopes of work, establish the bid packages available, schedule and host outreach meetings, and assist the Company, the architect or general contractor in soliciting M/WBE firms to provide bids. The Company shall apprise SMBR when the Company requires SMBR's services, as described in this Section. The Company is not required to solicit participation during a period in which the Company is not designing and/or constructing, but rather, requires the Company to incorporate the standards and principles of the City's M/WBE Program Ordinance including the foregoing M/WBE Participation goals into its design and/or construction process as and when such process exists.
- (e) If the Company constructs the Software Center or enters into a build-to-suit lease or turn-key tenant improvement lease for the Software Center, during design and construction the Company shall provide monthly reports to SMBR to track (i) the utilization on a percentage basis of M/WBE firms in the design and construction of buildings or improvements; and (ii) a summary of the Company's efforts to implement the standards and principles of the City's M/WBE Program Ordinance. SMBR shall provide the forms to be used by the Company in submitting such reports.

1.05 Compliance with City Regulations. For the construction of leasehold improvements to the Company's Austin-based Software Center, or the construction or remodeling of any future facilities in the City's planning jurisdiction during the term of this Agreement, the Company will comply with all City Code regulations, including water quality regulations in effect at the time any site plan application is filed, unless the Company has negotiated an agreement with the City to comply with overall impervious cover limits and provide the currently required water quality controls. This means the Company will not assert possible Chapter 245 rights to avoid compliance with water quality regulations for development of the Software Center during the term of this Agreement. If, during the term of this Agreement, the Software Center development does not comply with water quality regulations in effect at the time any site plan application is filed for such development, after proper notice and opportunity to cure the deficiency in accordance with Section 3.04, below, the City may terminate this Agreement by giving the Company written notice of its election to terminate.

1.06 Certificate of Compliance and Inspection.

- (a) Beginning March 31, 2012 and continuing each year thereafter during the term of this Agreement, the Company shall deliver to the City before March 31 of each year a Certificate of Compliance utilizing the form attached as Exhibit "B".
- (b) In the Certificate of Compliance, the Company shall warrant to the City that it is in full compliance with each of its obligations under this Agreement, including the number of New Full-Time Jobs maintained by the Company for the preceding year pursuant to Section 1.02, above.
- (c) The City, and/or its representative(s), including third-parties contracted by the City, has the right to inspect all relevant records of the Company as are reasonably necessary to verify compliance with all requirements of this Agreement. Inspections shall be preceded by at least two week's notice in writing to the Company. Notwithstanding any other provisions to this Agreement, the City shall not publicly disclose or disseminate any information concerning the Company or the Company's operations that is excepted from required disclosure under Chapter 552 or the Texas Government Code or other law. This includes, without limitation, trade secrets obtained from the Company, information concerning the Company considered to be confidential by law, and commercial or financial information obtained from the Company the public disclosure or dissemination of which would cause substantial competitive harm to the Company.

1.07 Texas Government Code Chapter 2264. In accordance with Chapter 2264 of the Texas Government Code, the Company agrees not to knowingly employ any person who is not lawfully admitted for permanent residence to the United States or who is not authorized under law to be employed in the United States ("Undocumented Worker").

- (a) During the term of this Agreement, the Company shall notify City of any complaint brought against the Company alleging that the Company has employed Undocumented Workers.
- (b) If the Company, or a branch, division or department of the Company is convicted of a violation under 8 U.S.C. Section 1324a(f), the total amount of economic development grants it has received, together with interest at the rate of five percent (5%) from the date of each payment of an economic development grant, shall be repaid by the Company to the City not later than the one hundred twentieth (120th) day after the date the City notifies the Company of the violation.
- (c) The City shall recover court costs and reasonable attorney's fees incurred if it prevails in an action brought pursuant hereto to recover past economic development grants and interest. The Company shall not be liable for a violation of Chapter 2264 by a subsidiary, affiliate, or franchisee, or by a person with whom the Company contracts

1.08 Failure to Meet Obligations. In the event that the Company fails to fulfill its obligations under the performance of its obligations under this Agreement, and does not cure such failure

after City sends notice of an Event of Default (as hereafter defined) to the Company and expiration of the cure period described in Section 3.04 below, City may, at its option, terminate this Agreement in accordance with Section 3.08 (b) below. Upon termination of this Agreement for the Company's failure to cure an Event of Default, the City shall not be required to further pay, and the Company shall not be entitled to receive any further payments under this Agreement. The foregoing sentence shall not release the City from its obligation to make payment for any prior year(s) of this Agreement during which the Company did fulfill its obligations under the performance guidelines set forth in Sections 1.01 through 1.07, above.

1.09 Completion of Obligations. The Company's obligations to the City pursuant to this Agreement shall be completed whenever the Company has (i) made the required investment as provided in Section 1.01, and (ii) fulfilled the requirements in Section 1.02 to receive the maximum payment of Three Hundred Seventy-Two Thousand Five Hundred Ninety and No/100 Dollars (\$372,590.00) from the City as provided in Section 2.01(a).

The City's final payment shall be in consideration for the Company's performance during the year ending December 31, 2020. The City shall make the payments required under this section on or before October 31 of each qualifying year. The City is not obligated to make a grant payment for any year which does not qualify (*i.e.*, the City has determined that the Company has failed to meet the required performance measure or condition applicable to the Company for that year) and has provided written notice to the Company of such determination on or before October 31st of the following year and has given the Company an opportunity to cure such failure in accordance with Section 3.04 below.

- (d) To the extent there is a conflict between this Section 3.01 and any other language or covenant in this Agreement, this Section 3.01 shall control.

3.03 Representations and Warranties. The Company represents and warrants to the City that it has the requisite corporate authority to enter into this Agreement.

3.04 Event of Default. 3.07 Assignment. Except as provided below, the Company may not assign its rights or obligations under this Agreement to a third party without prior written approval of the City. The City's approval of the assignment shall not be unreasonably withheld, conditioned or delayed. Notwithstanding anything to the contrary, the Company may assign all or part of its rights and obligations under this Agreement without the prior consent of the City to an affiliate of the Company in which the Company owns at least a fifty percent (50%) interest, or to a third party lender advancing funds for the acquisition, construction or operation of the Company's Software Center facility.

- (a) Termination by the Company for convenience. In the event the Company elects not to proceed with the Project as contemplated by this Agreement, the Company shall notify the City in writing, and this Agreement and the obligations on the part of both Parties shall be deemed terminated and of no further force or effect.

Fair Employment Policies and Practices

Discrimination and Harassment

DISCRIMINATION AND HARASSMENT

Policy

The Advisory Board Company is committed to providing equal employment and advancement opportunities to all individuals. All employment decisions at the Company will be based on merit, qualifications, and abilities. The Company does not discriminate in employment opportunities or practices on the basis of race, color, religion, sex (including pregnancy, childbirth or related medical conditions), national origin, age, disability, veteran status, marital status, sexual orientation, personal appearance, family responsibilities, matriculation, political affiliation or any other characteristic protected by applicable law. The policy governs all aspects of employment, including selection, job assignment, compensation, discipline, termination, and access to benefits and training.

The Company will make reasonable accommodations in response to requests from applicants and employees as required by law, including reasonable accommodations for qualified individuals with known disabilities, unless doing so would result in an undue hardship.

Anti-Harassment

The Company prohibits, and will not tolerate, harassment of applicants or employees on the basis of race, color, religion, sex, national origin, age, disability, veteran status, marital status, sexual orientation, personal appearance, family responsibilities, matriculation, political affiliation or any other characteristic protected by applicable law, by anyone, including any supervisor, co-worker, vendor, visitor or customer. Conduct prohibited by this policy is unacceptable in the workplace or any other work-related setting, such as business trips, meetings and conferences.

Harassment is unwelcome verbal, physical or visual conduct, based upon a person's protected characteristic, that denigrates or shows hostility or aversion toward the person because of such characteristic, and which affects the person's employment opportunities or benefits, has the purpose or effect of unreasonably interfering with the person's work performance, or has the purpose or effect of creating an intimidating, hostile or offensive working environment.

Sexual harassment has a special legal definition. Unwelcome sexual advances, requests for sexual favors, and other verbal, physical or visual conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment. Sexual harassment can include, for example, sexual propositions, suggestive comments, sexually oriented jokes, crude or vulgar language or gestures, display or distribution of obscene materials, and physical contact such as patting, pinching, or brushing against someone's body.

In addition, although conduct may not be prohibited by law, it may nonetheless be inappropriate for the workplace or other work-related setting and therefore prohibited by this policy.

Complaint Procedure

It is the responsibility of each employee to enforce and comply with the Equal Employment Opportunity and Anti Harassment Policy. If you believe you have been harassed or discriminated against, or have witnessed harassment or discrimination, in violation of this policy, you must immediately notify Mary van Hoose, Managing Director of Career Management (2445 M Street, NW, Washington, DC, 20037, 202 / 266-6778). You should not hesitate to make a complaint, regardless of the identity or position of the alleged offender. If you believe that the Managing Director of Career Management is responsible for the conduct about which you are complaining, you should immediately notify Frank Williams.

In addition to notifying the Managing Director of Career Management or Frank Williams, you are encouraged, where feasible, to advise the alleged offender that his or her conduct is unwelcome and ask him or her to stop. This is not a substitute for making a complaint under this policy.

The Company will conduct a thorough and prompt investigation of all complaints. Employees may be asked to provide a written statement as part of an investigation. Upon completion of the investigation, if any harassment or discrimination in violation of this policy is found to have occurred, the Company will take effective remedial action to stop the harassment or discrimination, including, without limitation, disciplining and/or discharging employees who have violated the policy. If a non-employee is found to have violated the policy, the Company will also take effective remedial action to the fullest extent feasible.

In addition, any employee who willfully makes a false allegation under this policy will be subject to appropriate disciplinary action, which may include termination of employment.

The Company cannot be expected to respond to a violation of this policy unless it is reported. Thus, each employee is obligated to report any violation in a timely manner. Employees can raise concerns and make reports without fear of reprisal, harassment, intimidation, threats, or coercion.

The Company strictly prohibits retaliation in any form against anyone who has exercised his or her rights under applicable law, who has reported harassment or discrimination, or who has participated in any manner in an investigation under this policy. No one has the authority to deprive any employee of any tangible job benefit in retaliation for engaging in these activities. Any person who believes that he or she has been improperly retaliated against in violation of this policy (or threatened with retaliation) should follow the complaint procedure set forth above.

All complaints under this policy, information received during the course of investigations, and resolutions of investigations will be kept confidential and divulged only to those with a legitimate need to know, as determined by the Company in its sole discretion, unless required by law to be divulged. (In most cases, it will be necessary to share the identity of the complainant

Discrimination and Harassment

and the substance of the complaint with the accused individual as part of a proper investigation. The accused individual will be reminded of the Company's prohibition against retaliation.)

Any employees with questions or concerns about any type of discrimination or harassment are encouraged to bring these issues to the attention of Mary Van Hoose, Managing Director of Career Management (2445 M Street, NW, Washington, DC, 20037, 202 /266-6778).
