RE: Solicitation IFB MMO0116

Dear Ms. Moore:

Enclosed is our bid package. I wish to add that our company does currently carry all of the appropriate insurance and workmen's compensations coverages as specified in the IFB. Upon acceptance of this proposal JHI dba OWST will be happy to provide the City with the appropriate documents indicating the indemnifications, waivers of subrogation, coverages, etc.

JHI dba OWST has been a vendor of the City for a number of years for both fungicide treatments and rock saw trenching when containing Oak Wilt disease centers for Balcones Canyonlands. Through the City's partnership with the Austin Community Foundation, Balcones Canyonlands and the City itself, we have thus far successfully treated and are maintaining 95 individual trees on the City's behalf. We also maintain a database for the City that indicates how many times each of these trees have been treated, trunk diameter size, fungicide dosages for each treatment, current canopy conditions and their specific location. At any given time we can easily generate and present this information to the City or Mr. Chris Dolan, the coordinator of the City's Oak Wilt program.

Please feel free to contact me if any other information is needed or questions should arise.

Sincerely,

Paula H. Johnston

42. **PROHIBITION AGAINST PERSONAL INTEREST IN CONTRACTS**: No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.
43. **INDEPENDENT CONTRACTOR**: The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.
44. **ASSIGNMENT-DELEGATION**: The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Contract.
45. **WAIVER**: No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.
46. **MODIFICATIONS**: The Contract can be modified or amended only by a writing signed by both parties. No pre-printed or similar terms on any the Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.
47. **INTERPRETATION**: The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been

substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

48. DISPUTE RESOLUTION:

- A. If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
- B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

49. **JURISDICTION AND VENUE:** The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

50. **INVALIDITY:** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

PURCHASING OFFICE
SCOPE OF WORK - REVISED 10-18-16 FOR
OAK WILT PREVENTATIVE INJECTIONS**

1. PURPOSE

- 1.1 This Invitation for Bid (IFB) is to establish a Contract with a vendor able to provide oak wilt preventative injection services as stipulated in this solicitation. As part of the overall conservation of the City of Austin's Urban Forest, the objective of this project is to protect mature, and often heritage size live oak trees located on any city owned property, including, but not limited to, trees along right of ways, on city parkland, or on Austin Independent School District property, from being infected with oak wilt.
- 1.2 Oak wilt is an infectious tree disease caused by the fungus *Ceratocystis fagacearum*, which invades and disables the water-conducting system in susceptible trees (Live oaks, Red oaks). Most trees defoliate and die with a few months of being infected. Oak wilt infection centers (or mortality centers) expand at a rate of 100-150 feet per year, as the fungus is transmitted through the grafted root systems of the trees. The existence of oak wilt in adjacent lots, or in adjacent city owned trees puts healthy trees at risk of being infected through grafted root connections.
- 1.3 The Contract will be utilized by the Urban Forestry Division of the Development Services Department. The City reserves the right to allow other City Departments to utilize the Contract.

2. CONTRACTOR QUALIFICATIONS

- 2.1 The Contractor shall be regularly engaged in the business of providing oak wilt prevention injection services for a minimum of three consecutive years within the last five years.
- 2.2 The Contractor shall furnish customer references as required in Section 0700 of the solicitation.
- 2.3 The Contractor shall employ an International Society of Arboriculture (ISA) Certified Arborist, who is also Oak Wilt Certified by the Texas Forest Service (TFS). Offeror shall submit copies of all applicable certifications with bid as evidence of meeting this requirement.

3. CONTRACTOR'S RESPONSIBILITIES

- 3.1 The Contractor shall provide a point of contact for receiving orders from the City. A City representative from the Urban Forestry Division will contact the Contractor by email, fax, or telephone to place an order for services.
- 3.2 The Urban Forestry Division representative will provide written authorization (e.g. email) to provide services. Authorization will include a unique delivery order (DO) number. The authorization for services will include the address and specific location or description of the susceptible trees requiring injections. All order locations will be within the City of Austin Corporate City Limits.
- 3.3 The Contractor shall perform injections within one week of order receipt. If more time is required to complete the requested services, the Contractor shall request an extension in writing that includes the date the services will be completed. The requesting City representative must approve the Contractors request for extension in writing.
- 3.4 All services performed under the Contract shall be performed by ISA and TFS Oak Wilt Certified Arborists.

**CITY OF AUSTIN

The Contractor shall ensure that employees wear identification on their outer garment at all times while performing services at any City site. The City finds acceptable a t-shirt uniform that meets the required identification standards.
- 3.6 Injections shall adhere to all TFS recommendations and guidelines regarding oak wilt injections. The fungicide propiconazole, applied at label rates, is the currently recommended fungicide as a preventative treatment. The Contractor shall utilize the macro infusion technique based on the peer reviewed research of Dr. David Appel of Texas A & M University. The Contractor shall be responsible for adhering to any revisions or updates regarding TFS recommended guidelines and methodology.
- 3.7 The Contractor shall perform all services during normal City business hours Monday through Friday between the hours of 7:00 A.M. through 5:00 P.M. except for City-recognized legal holidays and weekends unless requested by the City in advance (see paragraph 51 in Section 0300 for City Holidays).
