Additional Backup Information

The City routinely enters into transactions that are exempt from State of Texas competitive procurement law. While exempt from competitive procurement law, these routine transactions can exceed the City Manager's authority when aggregated for an entire fiscal year.

The Department of Aviation has maintained a longstanding membership in Airports Council International-North America (ACI-NA), the worldwide industry association of airports with the mission of advocating policies and providing services that strengthen the ability of airports to serve their passengers, customers and communities.

Funding includes the annual membership dues, in the amount of \$84,050, and contingency for ad-hoc programs led by ACI-NA to provide national and international support for specific airport issues and opportunities.
