Comments: We urge you to deny the demolition at 509 E. Live Oak St. It was built in early part of 20<sup>th</sup> century & one of oldest in our vicinity. It has charm in its architecture beautiful location & could be brought back to its original to be a shining example of the period. There are also 2 large & precious live oaks located on either side of the house. As owners of 2109 <sup>Clifton St</sup> for 12 years we have experienced the pride of a successful restoration which reflects the character of the our 1912 built house as well as the surrounding neighborhood.

Thank you for your consideration regarding this matter

Comments: We strongly urge you to deny the demolition permit for 509 E. Live Oak St. The house was built in the early part of the 20<sup>th</sup> century & looks to be one of the oldest houses in our vicinity. It has charm in its architecture, a beautiful location & could be brought back to its splendor to be a shining example of the period it was built. Also there are two large & precious live oak trees on either side of the house. As owners & residents of 2115 Clifton St for over 35 years, we have experienced the pride & satisfaction of successful restoration which reflects the authenticity of the original neighborhood. Thank you for your consideration regarding this matter.
