

THIRD READING SUMMARY SHEET

ZONING CASE NUMBER: C14-2017-0003 (Krisland Property)

REQUEST:

Approve third reading of an ordinance amending City Code Title 25 by zoning property locally known as 13033 Pond Springs Road from interim-rural residence (I-RR) district zoning to community commercial-mixed use combining (GR-MU) district zoning.

The ordinance reflects the City Council's action at 1st/2nd readings.

DISTRICT AREA: 6

PROPERTY OWNER: Krisland Property of Texas, LLC (Johan Rahardjo)

AGENT: Vincent Gerard & Associates, Inc. (Vincent G. Huebinger)

DEPARTMENT COMMENTS:

The property in question is currently developed with general commercial and office uses (Chase Point Commercial Strip Center: Always & Forever Florist, All in One Resale Shop, \$10 Haircuts, Stillwell Insurance, Flora Fetish Weddings, Enable IT Solutions). The tract of land to the north is zoned GR-MU and contains automotive repair, personal services and office uses (Jollyville Garage, Gun Sales, Jollyville Barber Shop, The Bell Collection). To the southwest, across Pond Springs Road, there is a financial services use (Amplify Federal Credit Union). The land to the east is developed with an apartment complex (Hunter's Chase Apartments). This property was annexed by the City of Austin in 2005 through case C7-05-014. The applicant is requesting GR zoning to bring the existing uses on the site into conformance with City of Austin Land Development Code use regulations.

The staff is recommending GR-MU, Community Commercial-Mixed Use Combining District, zoning for the site under consideration. The proposed GR-MU zoning will be compatible and consistent with the surrounding uses because there are currently office commercial uses located north and southwest of this tract of land. In addition, there is GR-MU zoning to the north and GR-MU-CO zoning to the south and west of site under consideration. The proposed GR-MU zoning will allow the existing land uses on the site to come into conformance with the City of Austin Land Development Code. GR-MU zoning is appropriate for this location because the property meets the intent of the GR district as it fronts onto a minor arterial roadway and will provide services to the residential areas to the north, south and west (Hunter's Chase Apartments, Dakota Springs Apartments, and Elan Apartment Homes).

The applicant agrees with the City Council's motion at 1st and 2nd readings.

DATE OF FIRST READING/VOTE: May 4, 2017

ACTION: A motion approving the ordinance for community commercial-mixed use (GR-MU) combining district zoning was made by Council Member Flannigan and seconded by Council Member Casar. An amendment to approve the ordinance on first and second reading only for community commercial-mixed use (GR-MU) combining district zoning was approved on Mayor Pro Tem Tovo's motion, Council Member Pool's second on a 6-4 vote. Those voting aye were:

Mayor Adler, Mayor Pro Tem Tovo, Council Members Alter, Houston, Kitchen and Pool. Those voting nay were: Council Members Casar, Flannigan, Renteria and Troxclair. Council Member Garza was absent.

The public hearing was conducted and a motion to close the public hearing and approve the ordinance on first and second reading only for community commercial-mixed use (GR-MU) combining district zoning was approved on Council Member Flannigan's motion, Council Member Casar's second on a 10-0 vote. Council Member Garza was absent.

ZONING CHANGE REVIEW SHEET

CASE: C14-2017-0003 (Krisland Property)

Z.A.P. DATE: April 4, 2017

ADDRESS: 13033 Pond Springs Road

DISTRICT AREA: 6

OWNER/APPLICANT: Krisland Property of Texas, LLC (Johan Rahardjo)

AGENT: Vincent Gerard & Associates, Inc. (Vincent G. Huebinger)

ZONING FROM: I-RR

TO: GR

AREA: 0.5818 acres

SUMMARY STAFF RECOMMENDATION:

The staff's recommendation is to grant GR-MU, Community Commercial-Mixed Use Combining District, zoning.

ZONING AND PLATTING COMMISSION RECOMMENDATION:

4/04/17: Approved staff's recommendation of GR-MU zoning, with conditional overlay to prohibit Outdoor Entertainment, Outdoor Sports and Recreation, Pawn Shop Services, Service Station, Hotel-Motel, Exterminating Services, Funeral Services, Business or Trade School and Drop-off Recycling Collection Facility uses, on consent (10-0), B. Greenberg-1st, A. Aguirre-2nd.

DEPARTMENT COMMENTS:

The property in question is currently developed with general commercial and office uses (Chase Point Commercial Strip Center: Always & Forever Florist, All in One Resale Shop, \$10 Haircuts, Stillwell Insurance, Flora Fetish Weddings, Enable IT Solutions). The tract of land to the north is zoned GR-MU and contains automotive repair, personal services and office uses (Jollyville Garage, Gun Sales, Jollyville Barber Shop, The Bell Collection). To the southwest, across Pond Springs Road, there is a financial services use (Amplify Federal Credit Union). The land to the east is developed with an apartment complex (Hunter's Chase Apartments). This property was annexed by the City of Austin in 2005 through case C7-05-014. The applicant is requesting GR zoning to bring the existing uses on the site into conformance with City of Austin Land Development Code use regulations.

The staff is recommending GR-MU, Community Commercial-Mixed Use Combining District, zoning for the site under consideration. The proposed GR-MU zoning will be compatible and consistent with the surrounding uses because there are currently office commercial uses located north and southwest of this tract of land. In addition, there is GR-MU zoning to the north and GR-MU-CO zoning to the south and west of site under consideration. The proposed GR-MU zoning will allow the existing land uses on the site to come into conformance with the City of Austin Land Development Code. GR-MU zoning is appropriate for this location because the property meets the intent of the GR district as it fronts onto a minor arterial roadway and will provide services to the residential areas to the north, south and west (Hunter's Chase Apartments, Dakota Springs Apartments, and Elan Apartment Homes).

The applicant agrees with the staff's recommendation.

STAFF RECOMMENDATION

The staff's recommendation is to grant GR-MU, Community Commercial-Mixed Use Combining District, zoning.

BASIS FOR RECOMMENDATION

1. *The proposed zoning should be consistent with the purpose statement of the district sought.*

The Community Commercial (GR) district is the designation for an office or other commercial use that serves neighborhood and community needs and that generally is accessible from major traffic ways.

The purpose of a mixed use (MU) combining district is to allow office, retail, commercial, and residential uses to be combined in a single development.

2. *The proposed zoning should promote consistency and orderly planning.*

The proposed GR-MU zoning will be compatible and consistent with the surrounding office and commercial uses located north and southwest of this tract of land. In addition, there is GR-MU zoning to the north and GR-MU-CO zoning to the south and west of the property under consideration.

3. *The proposed zoning should allow for a reasonable use of the property.*

The GR-MU zoning district would allow for a fair and reasonable use of the site as this zoning would permit the applicant to develop this tract of land with a mixture of commercial and residential uses. GR-MU zoning is appropriate for this location because of the commercial and high density residential character of the area.

4. *Zoning should promote the policy of locating retail and more intensive zoning near the intersections of arterial roadways or at the intersections of arterials and major collectors.*

The property in question is located at the intersection of a minor arterial roadway, Pond Springs Road, and a collector street, Hunters Chase Drive.

EXISTING CONDITIONS

Site Characteristics

The site in question is currently developed with a commercial strip center that contains a retail sales (Always & Forever Florist, All in One Resale Shop), personal services (\$10 Haircuts), and office uses (Stillwell Insurance, Flora Fetish Weddings, Enable IT Solutions).

Comprehensive Planning

I-RR to GR

This zoning case is located on the northeast side of Pond Springs Road and Hunters Chase Drive on a .58 acre parcel that contains a retail use. The property is not located within the boundaries of a neighborhood planning area. Surrounding land uses includes retail to the north, a school to the south,

a large apartment complex to the east, and a credit union to the west. The request is to obtain commercial zoning for the existing retail use.

Connectivity: A CapMetro stop is located across the street. Public sidewalks are located partially along Pond Springs Road and Hunters Chase Drive. The Walkscore for this site is 50/100, meaning some errands may be accomplished on foot.

Imagine Austin

Based on comparative scale of the site relative to other commercial uses located along this portion of Pond Spring Road, and not being located within the boundaries of an Imagine Austin Growth Center or along an Activity Corridor, this case falls below the scope of Imagine Austin, which is broad in scope, and consequently the plan is neutral on the proposed rezoning.

Environmental

The site is located over the North Edwards Aquifer Recharge Zone. The site is in the Lake Creek Watershed, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Desired Development Zone.

According to floodplain maps there is no floodplain within or adjacent to the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

Trees will likely be impacted with a proposed development associated with this rezoning case. Please be aware that an approved rezoning status does not eliminate a proposed development's requirements to meet the intent of the tree ordinances. If further explanation or specificity is needed, please contact the City Arborist at 974-1876. At this time, site specific information is unavailable regarding other vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment requires water quality control with increased capture volume and control of the 2 year storm on site.

At this time, no information has been provided as to whether this property has any preexisting approvals that preempt current water quality or Code requirements.

Impervious Cover

The maximum impervious cover allowed by the GR zoning district would be 90%. However, because the Watershed impervious cover is more restrictive than the CS zoning district's allowable impervious cover, the impervious cover on this site would be limited by the watershed ordinance.

Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Gross Site Area</i>	<i>% of Gross Site Area with Transfers</i>
Single-Family Residential (min. lot size 5750 sq. ft.)	45%	50%
One or Two Family Residential	55%	60%

(lot size < 5750 sq. ft.)		
Multifamily Residential	60%	65%
Commercial	65%	70%

Note: The most restrictive impervious cover limit applies.

Site Plan

Site plans will be required for any new development other than single-family or duplex residential.

Any development which occurs in an SF-6 or less restrictive zoning district which is located 540-feet or less from property in an SF-5 or more restrictive zoning district will be subject to compatibility development regulations.

Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

Stormwater Detention

At the time a final subdivision plat, subdivision construction plans, or site plan is submitted, the developer must demonstrate that the proposed development will not result in additional identifiable flooding of other property. Any increase in storm water runoff will be mitigated through on-site storm water detention ponds, or participation in the City of Austin Regional Stormwater Management Program, if available.

Transportation

A Traffic Impact Analysis shall be required at the time of site plan if triggered per LDC 25-6-113. LDC, Sec. 25-6-113.

Janae Ryan, Urban Trails, Public Works Department and Nathan Wilkes, Bicycle Program, Austin Transportation Department may provide additional comments regarding bicycle and pedestrian connectivity per the Council Resolution No. 20130620-056.

According to the Austin 2014 Bicycle Plan approved by Austin City Council in November, 2014, a protected bike lane is recommended for Pond Springs Road.

The existing frontage allows for one (1) vehicular driveway in accordance with the LDC and TCM requirements. Staff recommends

Existing Street Characteristics:

Name	ROW	Pavement	Classification	Sidewalks	Bike Route	Capital Metro (within ¼ mile)
Pond Springs Road	100 ft.	46 ft.	Arterial	Yes	Yes, Shared bike lane	Yes

Water and Wastewater

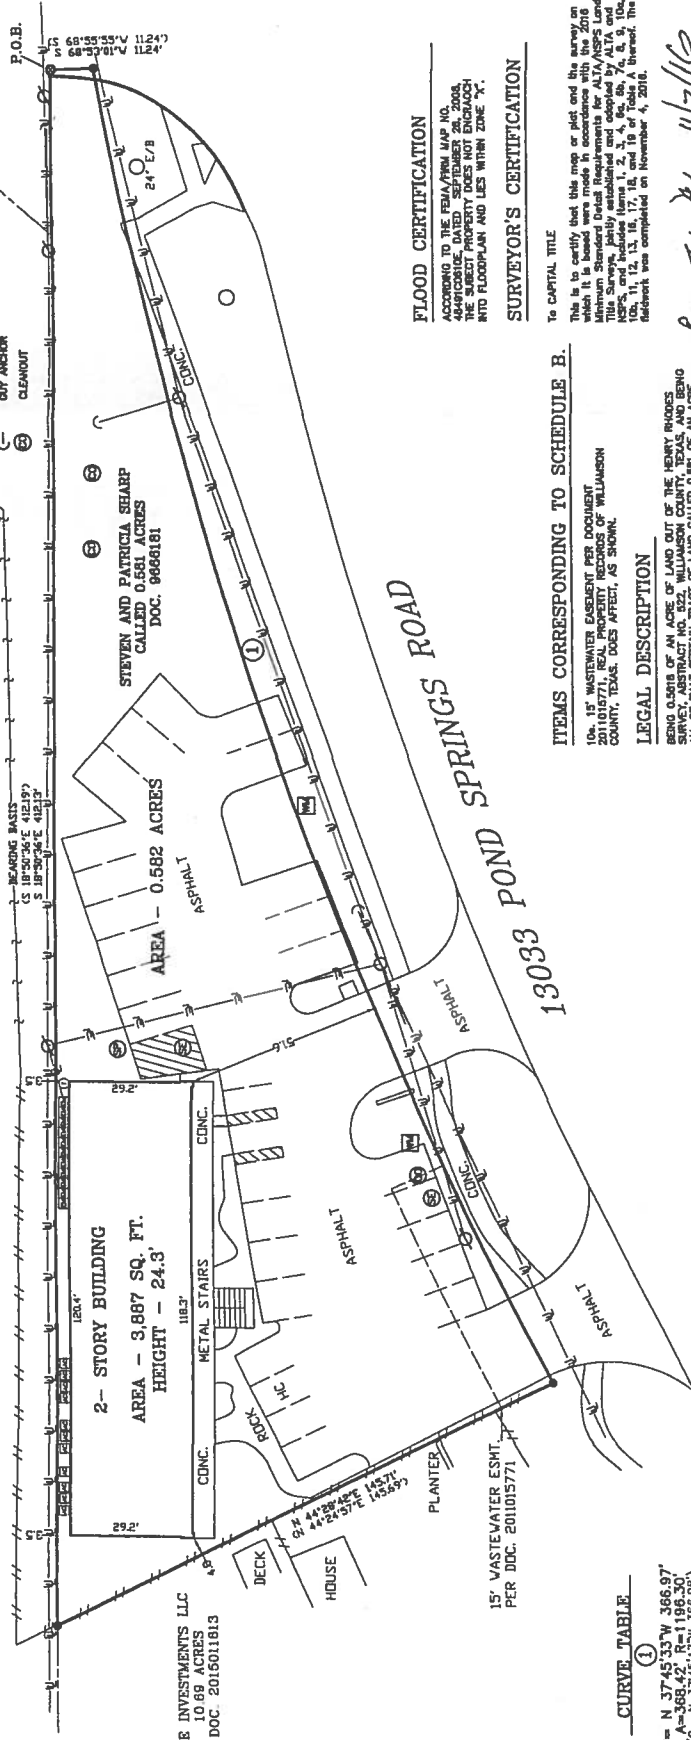

The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. The water and wastewater utility plan must be reviewed and approved by Austin Water for compliance with City criteria and suitability for operation and maintenance. Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin. The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website: www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.
