Additional Backup Information

Whisper Valley is a mixed-use planned community located in the SH 130 corridor in the City of Austin's Desired Development Zone. The Whisper Valley property (2,062 acres) was purchased by Taurus of Texas Holdings L.P. in June 2006 and is located east of SH 130. The site is planned to include approximately 7,500 single and multi-family homes, and more than 2 million square feet of retail and office space. In addition, 700 acres of open space is to be dedicated to the City for use as trails and parkland.

The Public Improvement District (PID) provides the financing mechanism through the apportionment, levying and collection of assessments to support the issuance of debt for the basic infrastructure for the planned community (water, wastewater and roads).

On November 3, 2011, Special Assessment Revenue Bonds, Subordinate Series, in the amount of \$18,485,168.10, and Senior Series, in the amount of \$15,500,000, were sold to finance the infrastructure improvements. Assessments will be used to make the debt service payments on the bonds, fund required reserves and cover administrative costs of administering the PID.
