**ANALYSIS / ADDITIONAL INFORMATION:** The Austin Fire Department (AFD) and Travis County Emergency Services District #4 (ESD #4) are entering into an interlocal agreement to allow AFD to respond to calls for service within ESD #4 jurisdiction. AFD shall provide fire protection to the ESD #4 service area for a yearly fee for the personnel, operations, and maintenance of two ESD fire stations beginning in FY 2018. AFD operating costs include salaries and benefits for 30 firefighters, overtime, facility and fleet maintenance, and AFD personnel support along with City of Austin overhead support costs. The personnel and operating costs included in the interlocal agreement will be incorporated into the FY 2018 budget and be fully offset via a payment for services from ESD #4. AFD will also bring forward a FY 2017 budget amendment to train qualified ESD #4 personnel and the purchase of protective gear and equipment fully offset by payment from ESD #4. This interlocal and future budget amendment will have no fiscal impact on the General Fund in FY 2017 or future fiscal years as all costs will be fully reimbursed by ESD #4.
