

RESTRICTIVE COVENANT TERMINATION REVIEW SHEET

CASE: C14-88-0129 (RCT)
(Stonebridge Drive)

P.C. DATE: May 23, 2017

ADDRESS: 9501 Stonebridge Drive

DISTRICT AREA: 4

OWNER/APPLICANT: Reyna Lippincott

EXISTING ZONING: LO-CO-NP

AREA: 0.1898 acres (8,268.50 sq. ft.)

SUMMARY STAFF RECOMMENDATION:

Staff recommends the applicant's request for a restrictive covenant termination.

PLANNING COMMISSION RECOMMENDATION:

5/23/17: Approved staff's recommendation for a restrictive covenant termination by consent (8-0, F. Kazi, A. De Hoyos Hart, J. Schissler, J. Thompson and T. White-absent); P. Seeger-1st, N. Zaragoza-2nd.

DEPARTMENT COMMENTS:

The applicant is requesting to terminate/delete a restrictive covenant associated with zoning case C14-88-129-CO as it applies to the property located at Lot 1 of the Quail Creek PHS 3, Section 2 Subdivision. This public restrictive covenant contains language stating that, "If use of the Property as dental laboratory use is discontinued for 90 consecutive days, the Owner of the Property will not object to the City of Austin rezoning the Property to "SF-3" Family Residence district." The applicant would like to delete these conditions as they would like to allow for a professional office use to be developed on the site. The applicant's request letter is included as Attachment A to this report.

The staff is recommending the applicant's request to terminate this restrictive covenant from 1989. According to County records, the lot has been used for an office since 1973. The property was rezoned from SF-3 to LO-CO in 1989, through zoning case C14-88-0129-CO. In 2001, the City Council approved the North Austin Civic Association Neighborhood Plan for this area. The associated rezoning case (Ordinance No. 010524-94) added an NP combining district to the existing LO-CO zoning for this tract. The staff believes that the applicant's request is consistent with the goals of the neighborhood plan as the North Austin Civic Association future land use map (FLUM) recommended a Commercial land use designation for this property.

The applicant agrees with the staff's recommendation.

Termination of existing Restrictive Covenant

To Zoning Department:

The property on 9501 Stonebridge Drive is currently restricted to only one industry, which is only for dental labs. We are requesting to terminate the existing restrictive covenant to allow for professional offices.

The current restriction is hindering the opportunity for future use of the property. Because of the limitations to only dental labs, the property will most likely stay vacant for many years with a structure that is falling apart. In addition, because we are retiring, the property taxes would be in default, eventually. Therefore, we ask that the restrictive covenant be terminated in order for future professional offices to be permitted to operate.

Warm Regards,

Reyna Lippincott

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website: www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.
