MBE / WBE:	This procurement was previously reviewed for subcontracting opportunities in accordance with City Code Chapter 2-9D Minority Owned and Women Owned Business Enterprise Procurement Program. For the goods required for this procurement, there was an insufficient availability of MBE /WBE firms; therefore, no subcontracting goals were established.			
Additional Backup Information				

The original request for council authorization incorrectly stated the vendor's name as Chastang Enterprises, Inc. This request is to revise the authorization and will allow the City to procure vehicles from Chastang Enterprises – Angleton, LLC.

Additionally, the original authorization included to purchase from Nilfisk-Advance, Inc. During the authorization process, Nilfisk-Advance, Inc. assigned part of its Houston-Galveston Area Council (H-GAC) cooperative contract for Cyclone products to Cyclone Technology, LLC. In order to purchase Cyclone products through H-GAC, this vendor must be added to the list of authorized vendors. This revision will allow the City to purchase from Cyclone Technology, LLC as well as Nilfisk-Advance, Inc.

The requested vendor changes will not impact the already approved authorization amount.
