**Subject:** Request for Postponement: Bouldin Creek Garage Placement Item - Items 87 and 88 – August 3, 2017, Council Agenda

Dear Mayor Adler and Council Members:

By this email, we are requesting postponement of Items 87 and 88 on your August 3rd agenda to your September 28th agenda. The reasons postponement is needed are :

- Due to so many neighbors, council members, and council aides being gone in July, we need more time to have a conversation about this issue
- Key neighborhood leader involved in this issue is out of the country.
- There should also be more time so that the neighbors discuss the issue – people are still learning about this issue
- Need more time to try to work out an agreement among all parties prior to council action
- Need to fully engage the community, which is accomplished by using the CodeNEXT process to come to a consensus about what the neighborhood really wants

I'm a native Austinite and my family has owned property in the Bouldin Creek neighborhood for 20 years and am planning to raise my family there. I love the neighborhood and want to see it accommodate all people and maintain its character and beauty. I am requesting this postponement on behalf of all of the undersigned, all of whom are Bouldin property owners who have serious concerns about the proposed Plan Amendment.

This is the first postponement request by either those in favor of or against these cases.

Jason Oliver, 906 Ebony
