

## M/WBE Summary

Participation subgoals stated in the solicitation were 1.90% African American; 9.00% Hispanic; 4.90% Native Asian; and 15.80% WBE. The recommended firm provided a MBE/WBE Compliance Plan that met the goals of the solicitation and was approved by the Small and Minority Business Resources Department. The alternate firm provided a MBE/WBE Compliance Plan that met the goals of the solicitation and was approved by the Small and Minority Business Resources Department.

Public notice was given for this solicitation CLMP224 – Sanitary Sewer Evaluation Study at the Walnut and Little Walnut Basin Areas, through the City's Vendor Connection web portal, which resulted in 2094 firms receiving notification and 100 firms obtained the bid documents. Five firms submitted qualification statements and responses were opened on March 29, 2017. Of the five submittals received none of the firms submitting were certified MBE/WBE. Of the five firms evaluated, two were short-listed and interviewed which resulted in the following recommendation:
