Additional Backup Information				

The contract will provide Class-D pharmacy services to Austin Public Health’s (APH) Tuberculosis, Sexually Transmitted Diseases, HIV Surveillance, and Refugee Clinics. These services will be provided in accordance with the U.S. Food and Drug Administration’s mandates and standards. Services also include monthly pharmacy inspections, repackaging, and relabeling medications as required by federal and state laws. Class-D pharmacy medications are distributed to patients at APH clinics by APH medical staff.

Central Texas Community Health Centers dba CommUnityCare has the necessary pharmacy infrastructure such as warehouse facilities, pharmacy technicians, and pharmacists, to perform drug repackaging and relabeling. CommUnityCare employs licensed pharmacists who can provide the required Class-D pharmacy inspections at APH clinic sites.

CommUnityCare has successfully provided Class-D pharmacy services including pharmacy inspections, drug repackaging and relabeling to APH since 2009.

If a contract is not secured, the City will not have the required pharmacy services to support APH clinics as required by federal and state laws.
