## MOTION SHEET

I move to amend the first “Be It Further Resolved” clause to read as follows:

The City Council requests that the Study include sections related to study and data analysis, mapping of vulnerable neighborhoods, and policy tool recommendations; that the Study focus on the unique factors, including, but not limited to, race, class, and age, when evaluating the risk of displacement and the degree of harm from displacement; and that the Study be completed on or before August 31, 2018. The City Council also requests a mid-Study report in January, 2018. The City Council requests that the maximum amount of funds dedicated to the Study be \$62,000.
