AP-05	Executive Summary	Page 5	Addition of funding disclaimer explaining the current hold on appropriation distribution and HUD's guidance on preparing the FY-17-18 Action Plan. "Note: As of May 23, 2017, Congress has not completed the appropriations process for FY 2017-18. Per guidance from U.S. Department of Housing and Urban Development (HUD), the FY 2017-18 Draft Action Plan is written with allocations from the FY 2016-17 Action Plan. Once FY 2017-18 funding allocations are released by HUD, the City's FY 2017-18 Action Plan will be updated to reflect those appropriations. All proposed activities' budgets will be proportionally increased or decreased from the estimated funding levels to match actual allocation amounts. Note: The FY 17-18 Draft Action Plan was published for public comment on May 23, 2017 using FY 16-17 funding allocations, per HUD's guidance. Funding allocations were subsequently released by HUD on June 15, 2017. The text regarding HUD's guidance to use the FY 16-17 funding included in the draft that was released for public comment period on May 23, 2017 was removed throughout the document since allocations have now been released.
