circulation in The City of New York, New York, once during each calendar week for at least two calendar weeks; provided, however, publication of notice is not required if notice is sent to each Holder of the Commercial Paper Notes. The notice shall give the address of the successor Paying Agent/Registrar. Council may appoint a successor Paying Agent/Registrar without the consent of the Holders.

The Commercial Paper Notes shall be issued in registered form, without coupons; provided, however, Commercial Paper Notes may be registered to bearer. The principal of and interest on the Commercial Paper Notes shall be payable in lawful money of the United States of America, without exchange or collection charges to the Holder of the Commercial Paper Note; principal is to be payable upon presentation and surrender of the Commercial Paper Note at the Designated Office and interest is to be payable to the registered owner thereof (when registered other than to bearer) either (i) by check sent by United States mail, first-class postage prepaid, to the address of the registered owner appearing on the Registration Books of the City maintained by the Registrar or (ii) by any other method, acceptable to the Issuing and Paying Agent, requested by the Holder, but interest on a Commercial Paper Note registered to bearer shall be payable only upon presentation of the Commercial Paper Note at the Designated Office.

A copy of the Registration Books shall be provided to the City by the Paying Agent/Registrar, by means of telecommunications equipment or other means as are mutually agreed to, within two Business Days of either the opening of the Registration Books or any change in the Registration Books.

The City and the Paying Agent/Registrar may treat the bearer (in the case of Commercial Paper Notes so registered) or the registered payee as the absolute owner of any Commercial Paper Note for the purpose of receiving payment and for all purposes, and the City and the Paying Agent/Registrar shall not be affected by any notice or knowledge to the contrary.

If an Authorized Representative determines that it is possible and desirable to provide for a book-entry only system of Commercial Paper Note registration with DTC, the Authorized Representative, acting for and on behalf of the City, is authorized to approve, execute, and deliver a Letter of Representations to DTC and to enter into any other agreement and execute any instrument as is necessary to implement a book-entry only system, with approval to be conclusively evidenced by the execution by the Authorized Representative of the agreement or instrument. Under the initial book-entry only system with DTC, no physical Commercial Paper Note certificates will be delivered to DTC. The execution and delivery to the Issuing and Paying Agent, as custodian for DTC, of a master note (Master Note) with respect to the Commercial Paper Notes, is approved. The ownership of the

Commercial Paper Notes held in the book-entry-only system shall be registered in the name of Cede & Co., as nominee of DTC, which will serve as the initial securities depository for the Commercial Paper Notes. Ownership of beneficial interests in the Commercial Paper Notes shall be shown by book-entry on the system maintained and operated by DTC and DTC Participants, and transfers of ownership of beneficial interests shall be made only by DTC and the DTC Participants by book-entry. The City and the Issuing and Paying Agent have no responsibility for DTC's book-entry system. DTC will be required to maintain records of the positions of the DTC Participants in the Commercial Paper Notes, and the DTC Participants and persons acting through the DTC Participants will be required to maintain records of the purchasers of beneficial interests in the Commercial Paper Notes. During any period when a book-entry only system is in effect, except as provided above, the Commercial Paper Notes shall not be transferable or exchangeable, except for transfer to another securities depository or to another nominee of a securities depository.

With respect to Commercial Paper Notes registered in the name of DTC or its nominee, neither the City nor the Issuing and Paying Agent shall have any responsibility or obligation to any DTC Participant or to any person on whose behalf a DTC Participant holds an interest in the Commercial Paper Notes. Without limiting the immediately preceding sentence, neither the City nor the Issuing and Paying Agent shall have any responsibility or obligation with respect to (i) the accuracy of the records of DTC or any DTC Participant with respect to any ownership interest in the Commercial Paper Notes, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of the Commercial Paper Notes, as shown on the Registration Books, of any notice with respect to the Commercial Paper Notes, and (iii) the payment to any DTC Participant or any other person, other than a registered owner of the Commercial Paper Notes, as shown in the Registration Books, of any amount with respect to principal of or interest on the Commercial Paper Notes.

Whenever, during the term of the Commercial Paper Notes, the beneficial ownership thereof is determined by a book entry at DTC, the requirements in the Ordinance of holding, registering, delivering, exchanging, or transferring the Commercial Paper Notes shall be deemed modified to require the appropriate person or entity to meet the requirements of DTC as to holding, registering, delivering, exchanging, or transferring the book-entry to produce the same effect.

The City or DTC each may determine to discontinue the book-entry only system and, unless a new book-entry only system is put in place, physical certificates in the form set forth in **Exhibit A** shall be provided to the beneficial owners of the Commercial Paper Notes.

If at any time, DTC ceases to hold the Commercial Paper Notes, all references to DTC in the Ordinance shall be of no further force or effect.

Whenever the beneficial ownership of the Commercial Paper Notes is determined by a book-entry at DTC, delivery of Commercial Paper Notes for payment at maturity shall be made pursuant to DTC's payment procedures as are in effect from time to time and the DTC Participants shall transmit payment to beneficial owners whose Commercial Paper Notes have matured. The City covenants to maintain and provide a Note Paying Agent at all times while the Direct Purchase Notes are outstanding, which shall be a national or state banking association or corporation or trust company organized and doing business under the laws of the United States of America or of any state and authorized under its laws to exercise trust powers. Should a change in the Note Paying Agent for the Direct Purchase Notes occur, the City agrees to promptly cause a written notice to be sent to the Bank by United States mail, first-class postage prepaid. The notice shall give the address of the successor Note Paying Agent. Council may not appoint a successor Note Paying Agent without the consent of the Bank.

For purposes of this **Section 7** any portion of outstanding Program Notes to be paid from money on deposit in the Note Payment Fund (in the case of Commercial Paper Notes) or the Direct Purchase Payment Fund (in the case of Direct Purchase Notes), and available proceeds of Program Notes or Bonds shall not be considered outstanding on that day. Any improvement or extension to the Systems to be funded with Program Notes must qualify as an Eligible Project, and the City shall not direct the Issuing and Paying Agent to issue Commercial Paper Notes that mature after the Maximum Maturity Date.

While the Revolving Credit Agreement is in effect and supports the payment of all or any principal amount of the Commercial Paper Notes, the City covenants and agrees that the total principal amount of all Commercial Paper Notes outstanding at any one time and the total amount of interest accrued or to accrue on the Commercial Paper Notes shall not exceed the Commitment.

**SECTION 8: PUNCTUAL PAYMENT.** The City will punctually pay or cause to be paid the principal of and interest on the Program Notes and the Bank Note (but only from the sources pledged by the Ordinance), in conformity with the Program Notes, the Ordinance, the Revolving Credit Agreement or the Note Purchase Agreement.

## SECTION 9: PAYMENT AND PERFORMANCE ON BUSINESS DAYS.

Whenever under the terms of the Ordinance or the Program Notes, the performance date of any of their provisions, including the payment of principal of or interest on the Program Notes, shall occur on a day other than a Business Day, then performance, including the payment of principal of and interest on the Program Notes, need not be made on that day but may be performed or paid on the next succeeding Business Day with the same force and effect as if made on that day.

**SECTION 10: FORM OF PROGRAM NOTES.** (a) *Commercial Paper Notes.* The Commercial Paper Notes and the Certificate of Authentication to appear on each of the Commercial Paper Notes shall be substantially in the form set forth in **Exhibit A**, with appropriate insertions, omissions, substitutions and other variations as are permitted or required by the Ordinance, and may have letters, numbers or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and legends and endorsements as may be approved by an Authorized Representative. The Commercial Paper Notes shall be printed, lithographed, or engraved or produced in any other similar manner, or typewritten, all as determined and approved by an Authorized Representative.

If Commercial Paper Notes are issued in book-entry only form pursuant to **Section 3A**, they shall be issued in the form of the Master Note approved by council pursuant to the Ordinance, to which there shall be attached the form of Commercial Paper Note as prescribed above, and council declares that the provisions of the Commercial Paper Note are incorporated into and shall be a part of the Master Note. Council declares that the Ordinance and the form of Commercial Paper Note shall constitute the "underlying records" referred to in the Master Note. Notwithstanding the provisions of **Section 11**, the Master Note may be executed on behalf of the City with the manual signature of the City Manager or the Chief Financial Officer of the City.

(b) *Direct Purchase Notes.* The Direct Purchase Notes and the Certificate of Authentication to appear on each of the Direct Purchase Notes shall be substantially in the form set forth in **Exhibit B**, with appropriate insertions, omissions, substitutions and other variations as are permitted or required by the Ordinance, and may have letters, numbers or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and legends and endorsements as may be approved by an Authorized Representative. The Direct Purchase Notes shall be printed, lithographed, or engraved or produced in any other similar manner, or typewritten, all as determined and approved by an Authorized Representative.

**SECTION 11: EXECUTION - AUTHENTICATION.** Under authority granted by Section 1371.055, Texas Government Code, the Program Notes shall be executed on behalf of the City by the Mayor, and attested by the City Clerk under its seal reproduced or impressed thereon, all as provided in **Section 10** (or in case of the Master Note and the Bank Note, executed on behalf of the City by the City Manager or the Chief Financial Officer of the City). The signatures appearing on the Program Notes (including the Master Note) may be manual or facsimile. Program Notes bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the date of passage of the Ordinance are duly executed on behalf of the City, regardless of whether any individual ceases to hold office at the time of the initial sale and delivery of Program Notes or at the time Program Notes are delivered in future sales, exchanges and transfers, all as authorized and provided in Section 1371.055 and Chapter 1206, Texas Government Code.

No Commercial Paper Note shall be entitled to any right or benefit under the Ordinance, or be valid or obligatory for any purpose, unless there appears on the Commercial Paper Note a certificate of authentication executed by the Paying Agent/Registrar by manual signature, or, in the case of the Master Note, the Paying Agent/Registrar has executed the Master Note, and the execution of any Commercial Paper Note by the Paying Agent/Registrar is the only evidence necessary for the Commercial Paper Note to be duly certified or registered and delivered.

No Direct Purchase Note shall be entitled to any right or benefit under the Ordinance, or be valid or obligatory for any purpose, unless there appears on the Direct Purchase Note a certificate of authentication executed by the Note Paying Agent by manual signature, and the execution of any Direct Purchase Note by the Note Paying Agent is the only evidence necessary for the Direct Purchase Note to be duly certified or registered and delivered.

**SECTION 12: NOTES MUTILATED, LOST, DESTROYED OR STOLEN.** If any Program Note shall become mutilated, the City, at the expense of the Holder of the Program Note, shall execute and deliver a new Program Note of like tenor and number in exchange and substitution for the Program Note so mutilated, but only upon surrender to the City of the Program Note so mutilated. If any Program Note shall be lost, destroyed or stolen, evidence of the loss, destruction or theft may be submitted to the City and, if evidence be satisfactory to it and indemnity satisfactory to it shall be given, the City, at the expense of the owner, shall execute and deliver a new Program Note of like tenor in lieu of and in substitution for the lost, destroyed or stolen Program Note. Neither the City nor

the Paying Agent/Registrar, in the case of a Commercial Paper Note, or the Note Paying Agent, in the case of a Direct Purchase Note, shall be required to treat both the original Program Note and any duplicate Program Note as being outstanding for the purpose of determining the principal amount of Program Notes which may be issued hereunder, but both the original and the duplicate Program Note shall be treated as one and the same.

**SECTION 13: NEGOTIABILITY, REGISTRATION AND EXCHANGEABILITY.** The obligations issued under the Ordinance, including the Bank Note, shall be, and shall have all of the qualities and incidents of, a negotiable instrument under the laws of the State of Texas, and each successive Holder, in accepting any obligation, agrees that the obligations shall be and have all of the qualities and incidents of a negotiable instrument under the laws of the State of Texas.

The Registration Books relating to the registration, payment and transfer or exchange of the Commercial Paper Notes shall at all times be kept and maintained by the City at the Designated Office of the Registrar, and the Registrar shall obtain, record and maintain in the Registration Books the name and address of each registered owner of the Commercial Paper Notes, except for Commercial Paper Notes registered to bearer, issued under the Ordinance, and the Registrar shall provide the information to the City as described in **Section 3A**. Any Commercial Paper Note may, in accordance with its terms and the terms of the Ordinance, be transferred or exchanged for Commercial Paper Notes of like tenor and character and in Authorized Denominations upon the Registration Books by the Holder in person or by its duly authorized agent, upon surrender of the Commercial Paper Note to the Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by its duly authorized agent, in form satisfactory to the Registrar.

Upon surrender for transfer of any Commercial Paper Note at the Designated Office of the Registrar, the Registrar shall register and deliver, in the name of each designated transferee (or to bearer, as appropriate), one or more new Commercial Paper Notes executed on behalf of, and furnished by, the City of like tenor and character and in Authorized Denominations and having the same maturity, bearing interest at the same rate or rates and of a like aggregate principal amount as the Commercial Paper Note or Commercial Paper Notes surrendered for transfer.

Commercial Paper Notes may be exchanged for other Commercial Paper Notes of like tenor and character and of Authorized Denominations and having the same maturity, bearing the same rate or rates of interest and of like aggregate principal amount as the Commercial Paper Notes surrendered for exchange, upon

surrender of the Commercial Paper Notes to be exchanged at the Designated Office of the Registrar. Whenever any Commercial Paper Notes is surrendered for exchange, the Registrar shall register and deliver new Commercial Paper Notes of like tenor and character as the Commercial Paper Notes exchanged, executed on behalf of, and furnished by, the City to the Holder requesting the exchange.

The City and the Registrar may charge the Noteholder a sum sufficient to reimburse them for any expenses incurred in making any exchange or transfer after the first exchange or transfer. The Registrar or the City may also require payment from the Holder of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto. These charges and expenses shall be paid before a new Commercial Paper Note shall be delivered.

New Commercial Paper Notes delivered upon any transfer or exchange shall be valid obligations of the City, evidencing the same debt as the Commercial Paper Notes surrendered, shall be secured by the Ordinance and shall be entitled to all of the security and benefits of the Ordinance to the same extent as the Commercial Paper Notes surrendered.

The City reserves the right to change the registration and transferability provisions of the Commercial Paper Notes at any time on or prior to the delivery of Commercial Paper Notes in order to comply with applicable laws and regulations of the United States in effect at the time of their issuance.

The Note Paying Agent shall maintain the Registration Books for the Direct Purchase Notes in the manner provided in the Note Paying Agent Agreement.

**SECTION 14: CANCELLATION.** All Commercial Paper Notes which at maturity are surrendered to the Paying Agent/Registrar for the collection of the principal and interest due and payable or are surrendered for transfer or exchange pursuant to the provisions of the Ordinance shall, upon payment or issuance of new Commercial Paper Notes, be cancelled by the Paying Agent/Registrar, and the Paying Agent/Registrar shall transmit to the City a certificate identifying the Commercial Paper Notes that have been duly cancelled and destroyed.

All Direct Purchase Notes which at maturity are surrendered to the Note Paying Agent for the collection of the principal and interest due and payable or are surrendered for transfer or exchange pursuant to the provisions of the Ordinance shall, upon payment or issuance of new Direct Purchase Notes, be cancelled by the Note Paying Agent, and the Note Paying Agent shall transmit to the City a certificate identifying the Direct Purchase Notes that have been duly cancelled and destroyed.

**SECTION 15: FISCAL AND OTHER AGENTS.** The City may from time to time appoint and provide for the payment of additional fiscal, paying or other agents and trustees as council determines are necessary or appropriate in connection with the Program Notes.

**SECTION 16: NOTE PAYMENT FUND.** The creation, establishment and maintenance of a separate and special fund designated as the "**City of Austin, Texas Combined Utility Systems Tax-Exempt Program Notes, Commercial Paper Sub-Series Note Payment Fund**" (Note Payment Fund) with the Issuing and Paying Agent is confirmed. Moneys on deposit in the Note Payment Fund shall be used to pay principal of and interest on Commercial Paper Notes as the same shall become due and payable as provided in the Ordinance and to repay any Advances and any other obligations of the City to the Bank under the Revolving Credit Agreement (evidenced by the Bank Note). Amounts remaining in the Note Payment Fund not then necessary for the payment of Commercial Paper Notes or the repayment of Advances may be transferred to the Note Construction Account (created pursuant to **Section 18**) at the request of an Authorized Representative; provided, that if any amount is due and payable under the Bank Note or the Revolving Credit Agreement, no amounts shall be transferred to the Note Construction Account without the prior written consent of the Bank.

Additionally all proceeds of Advances shall be deposited into the Note Payment Fund and used to pay the principal of and interest on the Commercial Paper Notes.

Pending the expenditure of moneys in the Note Payment Fund for authorized purposes, moneys deposited therein may be invested at the direction of the City Treasurer or the designee thereof in Eligible Investments; provided, that moneys received by the City under the terms of the Revolving Credit Agreement and moneys received in connection with a rollover of Commercial Paper Notes shall remain uninvested. Any investment income shall be deposited, as received, into the Electric Fund or the Water and Sewer Fund established by ordinances authorizing the issuance of the Prior Lien Bonds and shall not be considered an amount held in the Note Payment Fund.

**SECTION 17. DIRECT PURCHASE PAYMENT FUND.** The creation, establishment and maintenance on the records of the City of a separate and special fund designated as the "**City of Austin, Texas Combined Utility Systems Tax-Exempt Program Notes, Direct Purchase Sub-Series Payment Fund**" (Direct Purchase Payment Fund) is confirmed. Moneys on deposit in the Direct Purchase Payment Fund shall be used to pay principal of and interest on Direct Purchase

Notes as the same shall become due and payable as provided in the Ordinance and the Note Purchase Agreement. The City agrees that it will timely transfer funds to the Note Paying Agent in amounts sufficient to pay the interest on and principal of the Direct Purchase Notes when due, no later than the date payment of principal and interest is due and payable. Amounts remaining in the Direct Purchase Payment Fund not then necessary for the payment of Direct Purchase Notes may be transferred to the Note Construction Account at the request of an Authorized Representative.

Pending the expenditure of moneys in the Direct Purchase Payment Fund for authorized purposes, moneys deposited therein may be invested at the direction of the City Treasurer or the designee thereof in Eligible Investments. Any investment income shall be deposited, as received, into the Electric Fund or the Water and Sewer Fund established by ordinances authorizing the issuance of the Prior Lien Bonds and shall not be considered an amount held in the Direct Purchase Payment Fund.

**SECTION 18: NOTE CONSTRUCTION ACCOUNT.** The creation, establishment and maintenance of a separate account designated as the "**City of Austin, Texas Combined Utility Systems Program Notes Note Construction Account**" (Note Construction Account) is confirmed. The Note Construction Account shall be held by the City with the City's depository bank, currently JPMorgan Chase Bank, National Association. The City shall account for moneys deposited into the Note Construction Account from Commercial Paper Notes and Direct Purchase Notes issued. Moneys deposited in the Note Construction Account shall be expended to pay for Project Costs, and to refund Priority Lien Obligations or Program Notes issued in connection with Eligible Projects, and shall not be used for any other purpose, except as provided below, and pending their expenditure, moneys therein may be invested at the direction of the City Treasurer of the City or his designee in Eligible Investments. Any investment income received (except as otherwise required to be rebated to the United States of America in accordance with the provisions of **Section 29**) shall be deposited, as received, into the Electric Fund or the Water and Sewer Fund established by ordinances authorizing the issuance of the Prior Lien Bonds and shall not be considered an amount held in the Note Construction Account.

Amounts on deposit in the Note Construction Account funded with proceeds of Commercial Paper Notes and designated by an Authorized Representative as eligible to pay interest during construction and up to one year after construction is completed may be transferred from time to time at the direction of an Authorized Representative to the credit of the Note Payment Fund for use in accordance with the terms of **Section 16**. Any amounts that were funded with the proceeds of

Commercial Paper Notes remaining in the Note Construction Account after the payment of all Project Costs shall be paid into the Note Payment Fund and used either for the payment of the maturities of the Commercial Paper Notes coming due as may be selected by an Authorized Representative or for the payment of Advances or other amounts owing under the Agreement. In the event no Commercial Paper Notes are Outstanding and there are no outstanding Advances or other amounts owing under the Agreement, any amounts in the Note Construction Account that were originally provided from the proceeds of Commercial Paper Notes not anticipated to be needed to pay Project Costs shall be transferred to the debt service fund established for the payment of the Bonds, when issued.

Amounts on deposit in the Note Construction Account funded with proceeds of Direct Purchase Notes and designated by an Authorized Representative as eligible to pay interest during construction and up to one year after construction is completed may be transferred from time to time at the direction of an Authorized Representative to the credit of the Direct Purchase Payment Fund for use in accordance with the terms of **Section 17**. Any amounts that were funded with the proceeds of Direct Purchase Notes remaining in the Note Construction Account after the payment of all Project Costs shall be paid into the Direct Purchase Payment Fund and used for the payment of the maturities of the Direct Purchase Notes coming due as may be selected by an Authorized Representative. In the event no Direct Purchase Notes are Outstanding, any amounts in the Note Construction Account that were originally funded from the proceeds of Direct Purchase Notes not anticipated to be needed to pay Project Costs shall be transferred to the debt service fund established for the payment of the Bonds, when issued.

**SECTION 19: PLEDGE; PAYMENTS.** The Program Notes (including the Bank Note) and any obligations of the City to the Bank under the Revolving Credit Agreement, the Note Purchase Agreement and the Fee Letter are obligations of the City payable from and secured solely by the pledged funds pursuant to the Ordinance. The City agrees to make payments into the Note Payment Fund and the Direct Purchase Payment Fund at the times and in the amounts as are necessary to provide for the full payment of the principal of and the interest on the Commercial Paper Notes and the Direct Purchase Notes, as the case may be, when due, and the repayment of Advances made under and pursuant to the Revolving Credit Agreement and any obligations of the City to the Bank under the Revolving Credit Agreement, the Note Purchase Agreement and the Fee Letter.

To provide security for the payment of the principal of and interest on the Commercial Paper Notes and any other amounts due under the Revolving Credit Agreement as the same shall become due and payable, the City grants a lien on and

pledge of, subject only to the provisions of the Ordinance permitting the application of the sources listed for purposes and on the terms and conditions set forth in the Ordinance, (i) the proceeds from (a) the sale of bonds issued and to be used to pay outstanding Commercial Paper Notes and (b) the sale of Commercial Paper Notes issued pursuant to the Ordinance and to be used to refund outstanding Commercial Paper Notes, (ii) Advances, (iii) the amounts held in the Note Payment Fund until those amounts are used for authorized purposes, (iv) the Pledged Revenues of the Systems, however, (a) on a parity with the lien and pledge securing the payment of the Direct Purchase Notes, the Taxable Program Notes and the Taxable Advances and the lien and pledge securing the payment of Advances made under and pursuant to the Revolving Credit Agreement, and (b) subordinate to the lien on and pledge securing the payment of Priority Lien Obligations, and (v) the amounts remaining on deposit in the Note Construction Account after the payment of all Project Costs. Council declares that the principal of and interest on the Commercial Paper Notes and any other amounts due under the Revolving Credit Agreement shall be and are hereby equally and ratably secured by and payable from a lien on and pledge of the sources identified in clauses (i), (ii), (iii), (iv) and (v) subject and subordinate only to the exceptions noted above.

To provide security for the payment of the principal of and interest on Advances and any other amounts due under the Revolving Credit Agreement and the Fee Letter as the same shall become due and payable, the City grants a lien on and pledge of the Pledged Revenues, subject only to the provisions of the Ordinance permitting the application of Pledged Revenues for purposes and on the terms and conditions set forth in the Ordinance; however, this lien on and pledge of the Pledged Revenues, and the lien and pledge securing the Commercial Paper Notes, the Direct Purchase Notes, the Taxable Program Notes and the Taxable Advances is subordinate only to the lien on and pledge of the Pledged Revenues securing the payment of Priority Lien Obligations and the debt service and reserve funds relating to the Priority Lien Obligations, and being on a parity and of equal dignity with the lien and pledge securing the payment of the Program Notes and the Taxable Program Notes. It is ordained that the payment obligations under the Bank Note are secured by a lien on Pledged Revenues, and as provided in Chapter 1208, Texas Government Code, the lien is valid, binding and fully perfected on the passage of the Ordinance without physical delivery or transfer of control of the Pledged Revenues, the filing of the Ordinance or any other act.

To provide security for the payment of the principal of and interest on the Direct Purchase Notes and any other amounts due under the Note Purchase Agreement and the Fee Letter as the same shall become due and payable, the City grants a lien on and pledge of, subject only to the provisions of the Ordinance permitting the application of the sources listed for purposes and on the terms and

conditions set forth in the Ordinance, (i) the proceeds from (a) the sale of bonds issued and to be used to pay outstanding Direct Purchase Notes and (b) the sale of Direct Purchase Notes issued pursuant to the Ordinance and to be used to refund outstanding Direct Purchase Notes, (ii) the amounts held in the Direct Purchase Payment Fund until those amounts are used for authorized purposes, (iii) the Pledged Revenues of the Systems, however, (a) on a parity with the lien and pledge securing the payment of the Commercial Paper Notes, the Taxable Program Notes and the Taxable Advances and the lien and pledge securing the payment of Advances made under and pursuant to the Revolving Credit Agreement, and (b) subordinate to the lien on and pledge securing the payment of Priority Lien Obligations, and (iv) the amounts remaining on deposit in the Note Construction Account after the payment of all Project Costs. Council declares that the principal of and interest on the Direct Purchase Notes shall be and are hereby equally and ratably secured by and payable from a lien on and pledge of the sources identified in clauses (i), (ii), (iii) and (iv) subject and subordinate only to the exceptions noted above.

Consistent with the provisions of **Section 27**, the City intends to refinance Program Notes issued from time to time pursuant to the terms of the Ordinance through the issuance of refunding bonds issued under authority of Chapter 1207, Texas Government Code, and the Program Notes so refunded shall be treated as having the intended terms and payment schedule of the refunding bonds issued under Chapter 1207, Texas Government Code, as provided in Section 1371.057(c), Texas Government Code.

Chapter 1208, Texas Government Code, applies to the issuance of the Program Notes and the pledge of the Pledged Revenues granted by the City, and the pledge is valid, effective and perfected. If Texas law is amended at any time while the Program Notes or the Bank Note are outstanding or any amount is owing under the Agreement, the Note Purchase Agreement or the Fee Letter such that the pledge of the Pledged Revenues granted by the City is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then to preserve to the Noteholders and the Bank the perfection of the security interest in the pledge, the City agrees to take measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code, and enable a filing to perfect the security interest in the pledge to occur.

**SECTION 20: FUNDS SECURED.** Moneys in all funds and accounts, to the extent not invested, shall be secured in the manner prescribed by law for securing moneys of the City.

**SECTION 21: REVOLVING CREDIT AGREEMENT.** The Revolving Credit Agreement and the Fee Letter, substantially in the forms attached to the Ordinance as **Exhibit C**, are approved, and shall be entered into with the Bank. Upon the approval by the City Attorney, evidenced by executing the Revolving Credit Agreement, the City Manager is authorized to execute and deliver the Revolving Credit Agreement, the Fee Letter and the Related Documents (as defined in the Revolving Credit Agreement), and the City Clerk or Deputy City Clerk is authorized to place the City seal on these instruments.

The City reserves the right to issue Commercial Paper Notes without credit or liquidity support, as provided in **Section 22(b)**.

**SECTION 22: MAINTENANCE OF AVAILABLE CREDIT AND LIQUIDITY FACILITIES REQUIREMENT.** (a) Except as provided in **Section 22(b)**, the City covenants that at all times up to and including the Maximum Maturity Date, unless the Commercial Paper Notes are no longer outstanding, it will maintain credit or liquidity facilities with banks, assuming that all then outstanding Commercial Paper Notes were to become due and payable immediately, in amounts available for borrowing under the credit or liquidity facilities sufficient at that time to pay principal and interest of all Commercial Paper Notes. No Commercial Paper Note shall be issued if after giving effect to its issuance and, if applicable, the immediate application of its proceeds to retire other Commercial Paper Notes secured by the credit or liquidity facility, the aggregate principal amount of all Commercial Paper Notes secured by the credit or liquidity facility would exceed the amount of the Commitment under the credit or liquidity facility. The availability for borrowing of amounts under the credit or liquidity facilities may be subject to reasonable conditions precedent, including, but not limited to, bankruptcy of the City. In furtherance of this covenant, the City agrees that it will not issue any Commercial Paper Notes or make any borrowings which will result in a violation of the covenant, will not amend the Revolving Credit Agreement in a manner which will cause a violation of the covenant and, if and to the extent necessary to maintain compliance with the covenant, will arrange for new credit or liquidity facilities.

(b) The provisions of **Section 22(a)** notwithstanding, council may amend the Ordinance, in accordance with the provisions of **Section 37**, to provide that Commercial Paper Notes issued under authority of the Ordinance may be issued without support of liquidity and/or credit facilities. To exercise the authority reserved by this **Section 22(b)**, the City shall provide written notice to the Dealer, the Issuing and Paying Agent and the Rating Agencies (as defined in the Issuing and Paying Agent Agreement) of council's determination to amend the Ordinance to permit Commercial Paper Notes to be issued without liquidity and/or credit

support. This notice shall be provided no later than ninety (90) days prior to the proposed date council is to consider for adoption an ordinance amending the Ordinance for the purpose described in this **Section 22(b)**. The City shall cause written notice to be provided to the Noteholders no less than fifteen (15) days prior to the date council enacts the amendatory ordinance. No amendatory ordinance shall be adopted if, on or before the date council considers the amendatory ordinance, the ratings to be assigned to the Commercial Paper Notes not being supported by a liquidity and/or credit facility are lower than A-1 or its equivalent. Commercial Paper Notes issued under the Ordinance with liquidity and/or credit facility support shall be retired in full either through the issuance of Bonds or with the proceeds of Commercial Paper Notes issued without the support of a liquidity and/or credit facility.

**SECTION 23: ORDINANCE TO CONSTITUTE A CONTRACT; EQUAL SECURITY.** In consideration of the acceptance of the Program Notes and the Bank Note by those who shall hold the same from time to time, the Ordinance constitutes a contract between the City and the Holders from time to time of the Program Notes and the Bank (with respect to the Bank Note) and the pledge made in the Ordinance by the City and the covenants and agreements set forth in the Ordinance to be performed by the City shall be for the equal and proportionate benefit, security and protection of all Holders of the Program Notes and the Bank Note, without preference, priority or distinction as to security or otherwise of any of the Program Notes or the Bank Note authorized by the Ordinance over any of the others by reason of time of issuance, sale or maturity or otherwise for any cause, except as expressly provided in or permitted by the Ordinance or, with respect to Advances, the Revolving Credit Agreement.

**SECTION 24: APPLICATION OF PRIOR COVENANTS.** The covenants and agreements (to the extent the same do not conflict with the covenants and agreements in the Ordinance) contained in the ordinances authorizing the issuance of the Priority Lien Obligations are incorporated by reference into the Ordinance and are for the benefit and protection of the Bank and its rights under and pursuant to the Revolving Credit Agreement and the Note Purchase Agreement in like manner as applicable to the Priority Lien Obligations; provided, however, in the event of any conflict between the terms, covenants and agreements contained in the Ordinance and the terms, covenants and agreements contained in the ordinances authorizing the issuance of the Priority Lien Obligations, the provisions of the ordinances authorizing the issuance of the Priority Lien Obligations shall control.

**SECTION 25: RATES AND CHARGES.** The City hereby agrees and reaffirms its covenants to the holders of the Priority Lien Obligations and

covenants to the Bank that it will at all times maintain rates and charges for the services furnished, provided, and supplied by the Electric Light and Power System and the Waterworks and Sewer System which shall comply with the provisions of ordinances authorizing the issuance of the Priority Lien Obligations, be reasonable and non-discriminatory and produce Gross Revenues in each Fiscal Year from each of the Systems sufficient:

- (1) To pay the respective system's Maintenance and Operating Expenses,
- (2) To produce Net Revenues of the Systems, collectively or individually, as the case may be, sufficient (i) to pay the amounts required to be deposited in any reserve or contingency fund and interest and sinking fund maintained for the payment and security of the Priority Lien Obligations and (ii) to satisfy any annual debt service coverage requirement specified in the ordinances authorizing the issuance of Priority Lien Obligations.
- (3) To comply with any provisions contained in the Revolving Credit Agreement and the Note Purchase Agreement and to the extent the same are incurred or reasonably anticipated to be paid with Pledged Revenues, to pay the interest on and principal of the Similarly Secured Notes or the repayment of Advances or the Bank Note or the Direct Purchase Notes and any other amounts due the Bank under the Revolving Credit Agreement, the Note Purchase Agreement and the Fee Letter, as and when the same shall become due; and
- (4) any other legal debt or obligation of the Systems, either or both, as and when the same shall become due.

**SECTION 26: SYSTEM FUNDS.** The City reaffirms its covenants to the holders of the Priority Lien Obligations, and covenants to the Holders of the Program Notes and to the Bank, as follows:

(a) Gross Revenues of the Electric Light and Power System shall be, as collected, deposited into a separate account maintained with a depository bank of the City and known as the "Electric Light and Power System Fund" (Electric Fund) and Gross Revenues of the Electric Light and Power System shall be kept separate and apart from all other funds of the City. All revenues deposited in the Electric Fund shall be pledged and appropriated to the extent required for the following uses and order of precedence:

**FIRST:** To the payment of all necessary and reasonable Maintenance and Operating Expenses of the Electric Light and Power System, and expenses required by statute to be a first charge on and claim against its Gross Revenues.

SECOND: To the payment of the amounts required to be deposited in the special funds or accounts created for the payment and security of the Priority Lien Obligations in accordance with the provisions of the ordinances authorizing the issuance of the Priority Lien Obligations.

THIRD: On a pro rata basis, to the payment of the amounts required to be deposited in the Note Payment Fund, the Direct Purchase Payment Fund, and the debt service payment funds established for the Taxable Program Notes, to the extent the principal of and interest on the Commercial Paper Notes, as the same becomes due and payable, are not paid with Advances.

(b) Gross Revenues of the Waterworks and Sewer System shall be, as collected, deposited into a separate account maintained with a depository bank of the City and known as the "Water and Sewer System Fund" (Water and Sewer Fund) and Gross Revenues of the Waterworks and Sewer System shall be kept separate and apart from all other funds of the City. All revenues deposited in the Water and Sewer Fund shall be pledged and appropriated to the extent required for the following uses and order of precedence:

FIRST: To the payment of all necessary and reasonable Maintenance and Operating Expenses of the Waterworks and Sewer System, and expenses required by statute to be a first charge on and claim against its Gross Revenues.

SECOND: To the payment of the amounts required to be deposited in the special funds or accounts created for the payment and security of the Priority Lien Obligations in accordance with the provisions of the ordinances authorizing the issuance of the Priority Lien Obligations.

THIRD: On a pro rata basis, to the payment of the amounts required to be deposited in the Note Payment Fund, the Direct Purchase Payment Fund, and the debt service payment funds established for the Taxable Program Notes, to the extent, with respect to amounts required to be deposited in the Note Payment Fund, the principal of and interest on the Commercial Paper Notes, as the same becomes due and payable, are not paid with Advances.

(c) Any Net Revenues remaining in the Electric Fund or the Water and Sewer Fund after satisfying the priority payments, or making adequate and sufficient provision for the their payment, and after paying all other amounts due under the Revolving Credit Agreement, the Note Purchase Agreement and the Fee Letter, may be appropriated and used for any other City purpose permitted by law.

**SECTION 27: BONDS.** The City hereby acknowledges that the Program Notes are being issued as bond anticipation notes, and the City in good faith shall endeavor to sell a sufficient principal amount of Bonds in order to have funds available, together with other available moneys, to pay the principal and interest on the Program Notes, or any renewals of the Program Notes (including the Bank Note), as the same shall become due, and any other amounts due under the Agreement, the Note Purchase Agreement and the Fee Letter. The City does not reasonably expect to pay the principal and interest on the Program Notes (including the Bank Note) with Pledged Revenues.

**SECTION 28: COMPLIANCE WITH PRIORITY LIEN OBLIGATION ORDINANCES AND OTHER DOCUMENTS.** The City will comply with the terms and provisions of the ordinances authorizing the Priority Lien Obligations, and any other ordinance or contract to which the City is a party, the non-compliance with which would materially adversely affect the ability of the City to make payments on the Program Notes (including the Bank Note) when due.

**SECTION 29: PROGRAM NOTES TO REMAIN TAX EXEMPT.** The City covenants to take any action to assure, or refrain from any action which would adversely affect, the treatment of the Program Notes as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation if the Program Notes are designated by the City as "tax exempt", and further covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Program Notes or the projects financed with these proceeds (less amounts deposited to a reserve fund, if any) are used for any "private business use", as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds are so used, that amounts, whether received by the City, with respect to the private business use, do not, under the terms of the Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Program Notes, in contravention of section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the "private business use" described in subsection (a) exceeds 5 percent of the proceeds of the Program Notes or the projects financed with these proceeds (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate", within the meaning of section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Program Notes (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(d) to refrain from taking any action which would otherwise result in the Program Notes being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(e) to refrain from taking any action that would result in the Program Notes being "federally guaranteed" within the meaning of section 149(b) of the Code;

(f) to refrain from using any proceeds of the Program Notes, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire "investment property" (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Program Notes, other than investment property acquired with --

(1) proceeds of Program Notes invested for a reasonable temporary period until the proceeds are needed for the purpose for which the obligations are issued,

(2) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Regulations, and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent the amounts do not exceed 10 percent of the proceeds of the Program Notes;

(g) to otherwise restrict the use of the proceeds of the Program Notes or amounts treated as proceeds of the Program Notes, as may be necessary, so that the Program Notes do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings);

(h) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Program Notes) an amount that is at least equal to 90 percent of the "Excess Earnings", within the meaning of section 148(f) of the Code, and to pay to the United States of America, not later than 60 days after the Program Notes have been paid in full, 100 percent of the

amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code; and

(i) to timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on the forms, at the places and in the manner as may be prescribed by law.

The City represents and covenants that it will not expend, or permit to be expended, the proceeds of any Program Notes in any manner inconsistent with its reasonable expectations as certified in a federal tax certificate to be executed from time to time with respect to the Program Notes; provided, however, that the City may expend Program Note proceeds in any manner if the City first obtains an unqualified opinion of Bond Counsel that the expenditure will not impair the exemption from federal income taxation of interest paid on the Program Notes. The City represents that it has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that it is an issuer whose arbitrage certifications may not be relied upon.

The City understands that the term "proceeds" includes "disposition proceeds" as defined in the Regulations and, in the case of a refunding bond, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of the issuance of the Program Notes. It is the understanding of the City that the covenants contained in this Section are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant to the Code. In the event that regulations or rulings are promulgated which modify or expand provisions of the Code, as applicable to the Program Notes, the City will not be required to comply with any covenant contained in this Section to the extent that a failure to comply, in the opinion of Bond Counsel, will not adversely affect the exemption from federal income taxation of interest on the Program Notes under section 103 of the Code. In the event that regulations or rulings are promulgated which impose additional requirements applicable to the Program Notes, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of Bond Counsel, to preserve the exemption from federal income taxation of interest on the Program Notes under section 103 of the Code. Council hereby authorizes the Mayor, the City Manager, the Chief Financial Officer of the City and the City Treasurer to execute any documents, certificates or reports required by the Code, and to make elections on behalf of the City which may be permitted by the Code as are consistent with the purpose for the issuance of the Program Notes.

In order to facilitate compliance with the above clause (h), a "Rebate Fund" is established by the City for the sole benefit of the United States of America, and

the Rebate Fund shall not be subject to the claim of any other person, including without limitation the Holders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

**SECTION 30: ALLOCATION OF, AND LIMITATION ON, EXPENDITURES FOR ELIGIBLE PROJECTS.** The City covenants to account for on its books and records the expenditure of proceeds from the sale of the Program Notes and any investment earnings earned by the investment of the proceeds to be used for Eligible Projects by allocating proceeds to expenditures within eighteen (18) months of the later of the date that (a) the expenditure on a Eligible Project is made or (b) each Eligible Project is completed. The foregoing notwithstanding, the City shall not expend proceeds or investment earnings more than sixty (60) days after the later of (a) the fifth anniversary of the date of delivery of the Program Notes or (b) the date the Program Notes are retired, unless the City obtains an opinion of Bond Counsel substantially to the effect that the expenditure will not adversely affect the tax-exempt status of the Program Notes. The City shall not be obligated to comply with this covenant if it obtains an opinion of Bond Counsel to the effect that a failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

**SECTION 31: DISPOSITION OF ELIGIBLE PROJECTS.** The City covenants that the property constituting an Eligible Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of Bond Counsel substantially to the effect that the sale or other disposition will not adversely affect the tax-exempt status of the Program Notes. Personal property disposed of in the ordinary course of business shall not be treated as a transaction resulting in the receipt of cash or other compensation. The City shall not be obligated to comply with this covenant if it obtains an opinion of Bond Counsel to the effect that a failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

**SECTION 32: ONGOING CONTINUING DISCLOSURE COVENANT.** To the extent required by the provisions of Rule 15c2-12 (Rule) promulgated by the U.S. Securities and Exchange Commission, the City agrees to enter into an agreement to file financial information and operating data with respect to the Commercial Paper Notes with the Electronic Municipal Marketplace Access (EMMA) system administered by the MSRB. The City agrees to provide the Bank a written copy of the City's continuing disclosure undertaking filings in connection with its Separate Lien Obligations that it files with the MSRB.

**SECTION 33: EVENTS OF DEFAULT.** If one or more of the following events shall occur:

(a) if default in the due and punctual payment of any installment of principal of and interest on any Program Note occurs, when and as the same shall become due and payable, whether at maturity, by declaration or otherwise;

(b) an "Event of Default" shall have occurred and be continuing under the Revolving Credit Agreement and notice, if required under the terms of the Revolving Credit Agreement, of the event shall have been furnished to the City by the Bank;

(c) (i) an "Event of Default" as defined in the Taxable Agreement shall have occurred and be continuing under the Taxable Agreement and notice, if required under the terms of the Taxable Agreement, of the event shall have been furnished to the City in accordance with the terms of the Taxable Agreement, or (ii) an "Event of Default" as defined in the Taxable Note Purchase Agreement shall have occurred and be continuing under the Taxable Note Purchase Agreement and notice, if required under the terms of the Taxable Note Purchase Agreement, of the event shall have been furnished to the City in accordance with the terms of the Taxable Note Purchase Agreement;

(d) an "Event of Default" shall have occurred and be continuing under the Note Purchase Agreement and notice, if required under the terms of the Note Purchase Agreement, of the event shall have been furnished to the City by the Bank;

(e) if default by the City in the performance or observance of any other of the covenants, agreements or conditions on its part in the Ordinance or in the Commercial Paper Notes occurs, and the default shall continue for a period of sixty (60) days after written notice has been received by the City from the Bank, a Holder of the Program Notes, the Dealer or the Issuing and Paying Agent; provided, however, if the default cannot be cured within the sixty (60) day period but corrective action to cure the default is commenced and diligently pursued by the City until the default is corrected, the default shall not be an Event of Default; and provided, further, that so long as the Agreement is in effect and the Bank has not failed to honor a properly presented and conforming request for an Advance under the Agreement, no Event of Default shall be deemed to have occurred under this clause (d) unless the notice provided above to the City has been consented to in writing by the Bank;

(f) if there shall occur the dissolution (without a successor being named to assume the rights and obligations) or liquidation of the City or the filing by the City of a voluntary petition in bankruptcy, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of its creditors, or the entry by the City into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceeding for the adjustment of its debts instituted under the provisions of the Bankruptcy Code, as amended, or under any similar act in any jurisdiction which may be in effect or enacted; or

(g) if an order or decree shall be entered, with the consent or acquiescence of the City, appointing a receiver or receivers of the Systems, or any part of the Systems, or of the rents, fees, charges or other revenues of the Systems, or if an order or decree, having been entered without the consent or acquiescence of the City shall not be vacated or discharged or stayed within ninety (90) days of its entry;

then any event described above is an "Event of Default" under the Ordinance.

**SECTION 34: SUITS AT LAW OR IN EQUITY AND MANDAMUS.**

In case any Event of Default occurs, then the Holder of any Program Note at the time outstanding, is entitled to proceed to protect and enforce its rights by appropriate judicial proceeding as the Holder or the Bank, respectively, determines most effectual to protect and enforce its rights, either by suit in equity or by action at law, whether for the specific performance of any covenant or agreement contained in the Ordinance, or in aid of the exercise of any power granted in the Ordinance, or to enforce any other legal or equitable right vested in the Holders of any Program Notes by the Ordinance or the Program Notes or by law. The provisions of the Ordinance shall be a contract with each and every Holder of Program Notes and the duties of the City shall be enforceable by any Noteholder or the Bank, respectively, by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction.

**SECTION 35: REMEDIES NOT EXCLUSIVE.** No remedy conferred upon or reserved to the Bank or the Holders of Program Notes by the Ordinance is intended to be exclusive of any other remedy, and every remedy shall be cumulative, and may be exercised at any time or from time to time, and as often as may be necessary, by the Bank or the Holder of any one or more of the Program Notes.

**SECTION 36: SUPPLEMENTAL ORDINANCES.** Except as permitted by the Ordinance, including **Section 28**, with respect to the issuance or incurrence

of additional obligations of the City secured by the Pledged Revenues, the City will not adopt any supplemental ordinances with respect to the Pledged Revenues, pursuant to the ordinances authorizing the issuance of Priority Lien Obligations or otherwise, without the prior written consent of the Bank.

**SECTION 37: AMENDMENTS OR MODIFICATIONS WITHOUT CONSENT OF HOLDERS OF PROGRAM NOTES.** The Ordinance and the rights and obligations of the City and of the Holders of Program Notes may be modified or amended at any time by a supplemental ordinance, without notice to or the consent of any Holders, but only to the extent permitted by law, and, subject to the rights of the Bank and the Holders of the Program Notes:

(1) to add to the covenants and agreements of the City in the Ordinance, other covenants and agreements thereafter to be observed, or to surrender any right or power herein reserved to or conferred upon the City by the Ordinance;

(2) to increase the principal amount of Similarly Secured Notes that may be outstanding at any one time under the terms of the ordinances authorizing the issuance of Similarly Secured Notes, or to issue additional commercial paper notes under the Act; provided that, with respect to the Commercial Paper Notes, the City satisfies either (i) the requirements of **Section 22(a)** in providing liquidity or credit support with respect to the increased principal amount of Commercial Paper Notes authorized to be outstanding at any one time or (ii) the requirements of **Section 22(b)** to issue the increased principal amount of Commercial Paper Notes without liquidity and/or credit support;

(3) to cure any ambiguity or inconsistency, or to cure or correct any defective provision contained in the Ordinance, upon receipt by the City of an approving opinion of Bond Counsel, that the amendment is necessary or advisable, and will more clearly express the intent of the Ordinance;

(4) to effect changes council determines are necessary or advisable in connection with exercising the authority reserved to the City in **Section 22(b)**; or

(5) to supplement the security for the Program Notes, replace or provide additional credit or liquidity facilities, make changes, modifications or amendments as may be necessary or desirable in order to obtain the approval of the Ordinance by the Attorney General of Texas, as required by **Section 44**, or to obtain or maintain the granting of a rating on the Program Notes by a nationally recognized municipal bond rating agency, or change the form of the Program Notes, or make any other changes in the provisions that are necessary or desirable

and which shall not materially adversely affect the security, rights or interests of the Bank or the Holders of the Program Notes;

provided, however, that no amendment to the Ordinance or of the Program Notes is permitted to:

- (A) Make any change in the maturity of any outstanding Program Notes or the Bank Note;
- (B) Reduce the rate of interest borne by any outstanding Program Notes or the Bank Note;
- (C) Reduce the amount of the principal payable on any outstanding Program Notes or the Bank Note;
- (D) Modify the terms of payment of principal of or interest on the outstanding Program Notes or the Bank Note, or impose any conditions with respect to their payment;
- (E) Affect the security, rights or interests of the Bank or the Holders of less than all of the outstanding Program Notes; or
- (F) Reduce or restrict the pledge made pursuant to **Section 19** for payment of the Program Notes or the Bank Note;

and provided, further, that no change, modification or amendment shall be made in the Ordinance or become valid and effective (i) without the approval of the change, modification or amendment by the Attorney General of the State of Texas, to the extent required by the Act, and (ii) without the prior written consent of the Bank (which, in the case of an amendment authorizing an increase in the principal amount of Program Notes at any one time outstanding, shall mean the written consent of the Bank providing, as of the effective date of the authority to issue additional Program Notes in excess of the maximum principal amount of Program Notes then authorized at any one time to be outstanding, the liquidity or credit support, if any, required by **Section 22(a)**).

**SECTION 38: ADDITIONAL ACTIONS; EXTENSION OF CURRENT LETTER OF CREDIT SUPPORTING THE SERIES A COMMERCIAL PAPER NOTES.** (a) *Additional Actions.* Any Authorized Representative, the Mayor, the City Clerk, and the other officers of the City, each are authorized, jointly and severally, to do any and all things and to execute and deliver any and all certificates, instruments and other documents which they may
