Benefits/Qualitative Information

Funding Request

- The total funding request is \$7,000,000, and staff is recommending \$3,000,000 of Affordable Housing General Obligation Bond funds be approved in the current fiscal year.
- Funding will be used to construct or rehabilitate 501 rental units: 276 new units plus the rehabilitation of 225 units in the RBJ Tower.

Project Characteristics

- The project has two major components: the construction of new housing and the rehabilitation of the RBJ Tower. After the new housing is constructed, RBJ Tower residents will be temporarily relocated there while the tower rehabilitation takes place. Residents will have the option to move back into the rehabilitated tower if they so choose.
- Portions of the approximately 17.8 acres owned by the Austin Geriatric Center will be sold to help finance the project. Some commercial space will be included in the overall development of the property.
- 475 units will be affordable and 26 units will be “market rate,” having no income restrictions. Rents on the affordable units will range from approximately \$353 to \$811, depending on unit size and the resident’s income level.

Population Served

- 205 rental housing units that serve residents earning at or below 60% of Median Family Income (MFI)
- 225 rental housing units that serve residents earning at or below 50% of MFI
- 45 rental housing units that serve residents earning at or below 30% of MFI
- 26 market rate units
