Dear Ms. Chaffin,

As a member of the arts community of Austin, a native Texan, and a long-time resident of Austin's East side, I support Mosaic Sound Collective's zoning change from office to:

Tract 1: CS-1-MU-NP, which allows liquor Sales, while the MU, Mixed Use combining district allows any combination of office, retail, commercial, and residential uses within a single development.

Tract 2: CS-MU-NP, which allows commercial and industrial uses, while MU - Mixed Use combining district allows any combination of office, retail, commercial, and residential uses within a single development. I also understand that NP, Neighborhood Plan district indicates that a property is located within the boundaries of a City Council adopted Neighborhood Plan (East MLK Plan).

Thank you for considering Mosaic Sound Collective's zoning change request.

Stephanie Carll
