DISCUSSION ITEMS CONTINUED

60. Approve a resolution directing the City Manager to take necessary actions to allocate hotel occupancy taxes, and other revenues, to projects that promote tourism and the convention industry, in accordance with council directives. (Notes: SPONSOR: Council Member Ellen Troxclair CO 1: Mayor Pro Tem Kathie Tovo CO 2: Council Member Leslie Pool CO 3: Council Member Ann Kitchen)
A motion to approve the resolution was made by Council Member Troxclair and seconded by Council Member Houston.

The following amendment was made by Mayor Adler.

To replace all of the Be It Resolved clauses with the following:
The City Manager is directed to present Council options to achieve, immediately or as quickly as possible consistent with the economic well-being of the city, a 15% allotment of City Hotel Occupancy Tax revenue for permissible historic preservation activities that attract tourism, in all areas of the city, with an emphasis on projects and activities in communities most at-risk of losing historic integrity.

The City Manager shall present these options within ____ days of the passage of this resolution to allow the Council sufficient time to evaluate options and potentially take actions to increase revenue and expenditures for historic preservation activities in the 2017/18 City Budget process.

Such historic preservation activities should be related to facilities and locations such as, but not limited to, Barton Springs, Zilker Park, Zilker Botanical Gardens, Umlauf Sculpture Garden and Museum, Lions Municipal Golf Course, O Henry and Elisabet Ney Museums, and other sites that have been neglected, but that would be visited by tourist and convention attendees, including, but not limited to, the Victory Grill, the Montopolis Negro School, other historic swimming pools, and Walter E. Long Metropolitan Park.

The options presented by the Manager must indicate to Council how each option might or might not prejudice the City’s ability to:
1. Obtain the maximum non-hotel occupancy tax dedicated income stream for activities related to homelessness and the area proximate to the Austin Resource Center for the Homeless (ARCH)
2. Obtain a dedicate income stream to support the local music industry, independent of current cultural arts funding
3. Proceed with the development of the Waller Creek chain of parks
4. Develop capital funding and an annual income stream to enable investments in facilities or locations that could be eligible for HOT funding, such as, but not limited to:
   a. Palm School
   b. 6th Street Cultural District
   c. Red River Cultural District
d. Mexic-Arte Museum

e. Emma S. Barrientos Mexican American Cultural Center

5. Invest in improvements related to the Travis County Exposition Center

The options should maximize use of funds derived from sources other than local property taxes to the fullest extent possible, though this does not prohibit options that also use Tax Increment Reinvestment Zones or other property tax related mechanisms.

The amendment was later withdrawn without objection.

An amendment was made by Mayor Adler to add an additional Be It Resolved clause to read:
“The City Manager is directed to present an analysis of this allocation and other options to achieve HOT allocations for historical preservation, considering relevant factors including, but not limited to, budgetary, legal, and project impacts prior to the adoption of the 2017-2018 budget.”

The amendment was accepted without objection.

A friendly amendment was made by Council Member Houston to add a new Be It Resolved clause to read:
“The City Manager is directed to collaborate with Travis County to explore and evaluate opportunities to include the Travis County Exposition Center as a venue funded with hotel occupancy tax revenue, or other revenues, and include a report on those opportunities in the documents provided by Council by September 28, 2017.”

The friendly amendment was accepted without objection.

A friendly amendment was made by Council Member Alter to add an additional Whereas clause to read:
“Whereas, approval of this item does not preclude the opportunity to implement other Visitor Impact Task Force recommendations or to expand the Austin Convention Center at a future time;”

The friendly amendment was accepted without objection.
