|                                     | AMOUNT AND SOURCE OF FUNDING  |
| Funding is a                        | vailable in the Fiscal Year 2017-2018 Capital Budget of Austin Water.   |
| Purchasing<br>Language:             | Original contract was awarded through a competitive Invitation for Bid selection process.   |
| Prior Council<br>Action:            | November 20, 2014 – Council approved a construction contract with<br>Peabody General Contractors, Inc. for the Waterline On-Call Services<br>Indefinite Delivery/Indefinite Quantity Contract.  |
| Boards and<br>Commission<br>Action: | October 11, 2017 – To be reviewed by the Water and Wastewater Commission.   |
| MBE/WBE:                            | This contract was awarded in compliance with Chapter 2-9A of the City<br>Code Minority Owned and Women Owned Business Enterprise<br>Procurement Program by meeting the project goals with 2.04% African<br>American, 5.12% Hispanic, 0.80% Native/ Asian American, and 59.97%<br>WBE participation.   |

The Waterline On-Call Services Indefinite Delivery/Indefinite Quantity contract was approved by City Council on November 20, 2014 with an initial amount of \$2,000,000 for the first one-year term with two 12-month extension options in an amount of \$2,000,000 per extension, for a total contract amount of \$6,000,000 over a three year period.

Due to recent unanticipated costly emergencies, emergency repairs, additional funding is required to make available for future emergency repair works. In addition, extension of contract time is required for completing the remaining works and to provide future emergency repair services after the expiration of the third term of this Indefinite Delivery/Indefinite Quantity contract on December 5, 2017. A new Indefinite Delivery/Indefinite Quantity contract is in development however is not expected to be awarded until March 2018. This request adds funding and time to the current contract which will allow construction services to continue, uninterrupted until a new contract can be executed.

This project is located within all City Districts. The project will be managed by Austin Water.

Peabody General Contractors, Inc., is located in Austin, Texas.
