5 constituted, works, systems, plants, distribution lines and all related facilities
6 (including those now in service) necessary or appropriate to sell, distribute,

13 any lawful way during the life of this franchise said streets, avenues,
14 easements, rights-of-way, alleys, highways, sidewalks, bridges and other
15 structures and places and public grounds of the City, as they now or
16 hereafter may exist, for every and any such service, use, effect, and lawful
17 purpose as herein mentioned; provided that nothing herein shall be construed
18 to require or authorize Company to exceed its certification rights granted by
19 the Public Utility Commission of Texas; and provided further, that the
20 Company shall, except in the case of a bona fide emergency, provide notice
21 to the Director of Transportation before commencing any excavation in the
22 paved portion of any street and, in the case of a bona fide emergency,
23 provide notice to the Director of Transportation of any such excavation as
24 soon as reasonably practicable.

25 2.2 The Company shall, prior to constructing any facilities after the effective
26 date of this franchise within city parks or on land hereafter designated as a
27 City park, comply with all applicable State laws, including Chapter 26 of the
28 Texas Parks and Wildlife Code, and with all applicable valid and
29 enforceable regulations of the City.

30 2.3 The Company's operations subject to this franchise and the construction,
31 maintenance, and operation of the Company's system and property subject to
32 this franchise shall be subject, where applicable, to all laws of the United
33 States, the State of Texas, the City Charter, and City Ordinances, subject to
34 the Company's rights of appeal or to otherwise contest the validity,
35 applicability or enforceability of same as may be provided by law. The
36 venue for all causes of action arising under this Ordinance shall be in the
37 District Court of Travis County, Texas.

1 2.4 The initial term of this franchise shall be for a period of fifteen (15) years,

9 Company give a twelve (12) month written notice to the City of the
10 expiration of the initial term as well as the five (5) year extension term.
11 Company's failure to provide the City with such twelve (12) months written

30 4.1 Service shall be provided by means of transmission and distribution lines,
31 and equipment, and appurtenances in the streets, alleys, easements, and other
32 public rights-of-way. All future locations of transmission and distribution
33 lines, equipment, and appurtenances shall be located so that they will not
34 unreasonably interfere with the flow of water in any gutter or drain, with the
35 operations of any City-owned utility, with any existing electric, water, sewer
36 or telephone facilities, traffic control signals, street lights, fire lines or
37 communications lines, and so that same will not unduly interfere with
38 ordinary travel on the streets or sidewalks. The surface of any public street,
39

1 avenue, highway, alley or public place disturbed by the Company in the
2 construction or maintenance of its electrical system shall be restored within a
3 reasonable time after the completion of the work to as good a condition as
4 before the commencement of the work. Should the City reasonably
5 determine, within one year from the date of such restoration, that such
6 surface requires additional restoration work to place it in as good a condition
7 as before the commencement of the work, the Company shall perform such
8 additional restoration work to the reasonable satisfaction of the City. No
9 public street, avenue, highway, alley or public place shall be encumbered for
10 a longer period than shall be reasonably necessary to execute all work.

11 4.2 The Company shall, as specified in its “Service Regulations”, as are now, or
12 as shall in the future be approved by the City Council or other regulatory
13 authority having jurisdiction, furnish service without unreasonable
14 discrimination to all areas of the City for which the Company holds a valid
15 Certificate of Convenience and Necessity issued by the Public Utility
16 Commission of Texas. The Company shall not deny service, or otherwise
17 discriminate against applicants for service, customers, or consumers on the
18 basis of race, color, religion, national origin, sex, or sexual orientation.

19 4.3 The Company shall maintain its property and equipment in good order and
20 condition, consistent with the needs of the service to be rendered therefrom.
21 It is recognized that the Company shall retain full title in and right to its
22 personal property whether or not same is incorporated in real estate.

23 4.4 The City, at any time, may make reasonable inquiries pertaining to this
24 Ordinance and the Company shall respond to such inquiries on a timely
25 basis. The city may require an examination and/or audit of the Company's
26 books, accounts, and operations to the extent permitted by State law. To the
27 extent required by State law, the Company shall reimburse the City for the
28 reasonable cost of such examination or audit.

29 4.5 The Company shall keep the City informed concerning the Company's
30 conservation programs and, upon request, shall deliver to the City a copy of
31 the energy efficiency plan required to be filed with the Public Utility
32 Commission of Texas.

33 **SECTION 5. Use of streets and Easements.**

34
35 5.1 The Company is hereby authorized, licensed and empowered to do any and
36 all things necessary and proper to be done and performed in executing the
37 powers and utilizing the privileges herein mentioned and granted by this
38 franchise, provided the same do not conflict with existing water pipes,

1 sewers, electric power lines, telephone lines, cable television lines and other
2 authorized installations, and provided that all work done in said streets,
3 avenues, easements, rights-of-way, alleys, highways, sidewalks, bridges and
4 other structures and places and public grounds by the Company shall be
5 done with reasonable diligence and without unnecessary inconvenience to
6 the public or individuals. Provided, it is not the intention of either city or
7 Company to create any liability, right, or claim for the benefit of third parties
8 and this franchise ordinance is intended and shall be construed for the sole
9 benefit of City and Company.

10
11 **SECTION 6. Work by the City and Others.**

12 6.1 City reserves the right to lay, and permit to be laid, sewer, cable television,
13 water, telephone, electric and other lines, cables and conduits, and to do and
14 permit to be done any underground or overhead work that may be necessary
15 or proper in, across, along, over, or under any street, alley, highway,
16 easement or public place occupied by the Company. The City shall be liable
17 to the Company only for any damage to the Company's lines, equipment or
18 appurtenances of the Company, the producing cause of which is the
19 negligence of the City or its employees. Damage caused to Company as a
20 result of work done by persons other than the City shall be corrected through
21 payment to the Company by the responsible person. Removal and relocation
22 expenses incurred by the Company shall be reimbursed by the person for
23 whom the removal or relocation is made, except as provided in Sec. 7.1.

24
25 **SECTION 7. Changes for Governmental Purposes.**

26 7.1 If, during the period of this franchise, the City shall elect to widen or
27 straighten any street within the corporate limits, so as to conflict with the
28 transmission or distribution lines, equipment and appurtenances of the
29 Company, the Company shall remove or relocate, as necessary, all of its
30 transmission or distribution lines, equipment, and appurtenances at its own
31 expense provided that the City furnishes Company another right-of-way
32 along said street or streets. Schedules for this work shall be developed by
33 designated representatives of the Company and the City. If representatives
34 cannot agree on the schedule, the City Manager, after consultation with the
35 Company, shall establish a schedule. This schedule shall provide for a
36 minimum of thirty (30) days to exist between the time the schedule is
37 furnished to the Company and the time that any specific work to be done by
38 the Company covered in the schedule is to begin. Whenever any such project
39

1 is funded, in whole or in part, with federal or state highway monies, if the
2 federal government or state provides compensation for utility adjustments,
3 the City shall request that compensation be provided to the company by the
4 funding authority. If the City receives such requested utility adjustment
5 compensation, it shall deliver same to the Company.
6

7 **SECTION 8. Captions and Severability.**

8 8.1 The use of captions or headings for the various sections of this Ordinance
9 are for the convenience of the parties only and do not reflect the intent of the
10 parties. This Ordinance shall be construed and deemed to have been drafted
11 by the combined efforts of the City and the Company.

12 8.2 Notwithstanding anything contained in this Ordinance to the contrary, in the
13 event that this Ordinance or any part hereof is declared unenforceable, void,
14 unlawful or otherwise inapplicable, in whole or in part, by any court at law,
15 the remainder of the provisions of this Ordinance shall remain in full force
16 and effect and shall in no way be affected, impaired or invalidated. In such
17 event, the level of compensation to be provided to the City shall continue to
18 be comparable to that set forth in this Ordinance.

19 **SECTION 9. Fees.**

20
21 9.1 In consideration of the grant of said right, privilege and franchise by the City
22 and as full payment for the right, privilege and franchise of using and
23 occupying the said Public Rights-of-Way, and in lieu of any and all
24 occupation taxes, assessments, municipal charges, fees, easement taxes,
25 franchise taxes, license, permit and inspection fees or charges, street taxes,
26 bonds, street or alley rentals, and all other taxes, charges, levies, fees and
27 rentals of whatsoever kind and character which the City may impose or
28 hereafter be authorized or empowered to levy and collect, excepting only the
29 usual general or special ad valorem taxes which the City is authorized to
30 levy and impose upon real and personal property, sales and use taxes, and
31 special assessments for public improvements, Company shall pay to the City
32 the following:

33 9.1.1 A final quarterly payment will be made on or before August 15, 2017
34 for the privilege period of April 1, 2017 through June 30, 2017 in
35 accordance with the provisions in the previous franchise.

1 9.1.2 As authorized by Section 33.008(b) of PURA, the original franchise
2 fee factor calculated for the City in 2002 was 0.001886 (the “Base
3 Factor”), multiplied by each kilowatt hour of electricity delivered by
4 Company to each retail customer whose consuming facility’s point of
5 delivery is located within the City’s municipal boundaries for
6 determining franchise payments going forward. Due to a 2006
7 agreement between Company and City the franchise fee factor was
8 increased to a franchise fee factor of 0.001980 (the “Current Factor”),
9 multiplied by each kilowatt hour of electricity delivered by Company
10 to each retail customer whose consuming facility’s point of delivery is
11 located within the City’s municipal boundaries on a quarterly basis.
12

13 9.1.3 Consistent with the 2006 Agreement, should the Public Utility
14 Commission of Texas at any time disallow Company’s recovery
15 through rates of the higher franchise payments made under the
16 Current Factor as compared to the Base Factor, then the franchise fee
17 factor shall immediately revert to the Base Factor of 0.001886 and all
18 future payments, irrespective of the time period that is covered by the
19 payment, will be made using the Base Factor.

20 9.1.4 Payments to the City shall be made per the quarterly schedule as
21 follows:

<u>Payment Due Date</u>	<u>Basis Period</u>	<u>Privilege Period</u>
November 15	Jul. 1 – Sept. 30	Jul. 1 – Sept. 30
February 15	Oct. 1 – Dec. 31	Oct. 1 – Dec. 31
May 15	Jan. 1 – Mar. 31	Jan. 1 – Mar. 31
August 15	Apr. 1 – Jun. 30	Apr. 1 – Jun. 30

22 The first quarterly payment hereunder shall be due and payable on or
23 before November 15, 2017, and will cover the basis and privilege
24 period of July 1, 2017 through September 30, 2017. If this Franchise
25 is not effective prior to the first quarterly payment date, Company will
26 pay any payments due within 30 days of the effective date of this
27 agreement. The final payment under this Franchise is due on or before
28 November 15, 2026 and covers the basis and privilege period of July
29 1, 2026 through September 30, 2026.
30

31 9.1.5 On a prospective basis, a sum equal to four percent (4%) of gross
32 revenues received by Company from services identified as DD1
33

1 through DD24 in Section 6.1.2 “Discretionary Service Charges,” in
2 Oncor’s Tariff for Retail Delivery Service (Tariff), effective 1/1/2002,
3 that are for the account and benefit of an end-use retail electric
4 consumer. Company will, upon request by City, provide a cross
5 reference to Discretionary Service Charge numbering changes that are
6 contained in Company’s current approved Tariff.

7 9.1.5.1 The franchise fee amounts based on “Discretionary Service
8 Charges” shall be calculated on an annual calendar year basis,
9 i.e. from January through December 31 of each calendar year.

10
11 9.1.5.2 The franchise fee amounts that are due based on
12 “Discretionary Service Charges” shall be paid at least once
13 annually on or before April 30 each year based on the total
14 “Discretionary Service Charges”, as set out in Section 6C,
15 received during the preceding calendar year. The initial
16 Discretionary Service Charge franchise fee amount will be
17 paid on or before April, 30 2018 and will be based on the
18 calendar year January 1 through December 31, 2017. The
19 final Discretionary Service Charge franchise fee amount will
20 be paid on or before April 30, 2027 and will be based on the
21 calendar months of January 1 through September 30, 2026.

22
23 9.1.5.3 Company may file a tariff or tariff amendment(s) to provide
24 for the recovery of the franchise fee on Discretionary Service
25 Charges.

26
27 9.1.5.4 City agrees (i) to the extent the City acts as regulatory
28 authority, to adopt and approve that portion of any tariff
29 which provides for 100% recovery of the franchise fee on
30 Discretionary Service Charges; (ii) in the event the City
31 intervenes in any regulatory proceeding before a federal or
32 state agency in which the recovery of the franchise fees on
33 such Discretionary Service Charges is an issue, the City will
34 take an affirmative position supporting the 100% recovery of
35 such franchise fees by Company and; (iii) in the event of an
36 appeal of any such regulatory proceeding in which the City
37 has intervened, the City will take an affirmative position in
38 any such appeals in support of the 100% recovery of such
39 franchise fees by Company.

1
2 9.1.5.5 City agrees that it will take no action, nor cause any other
3 person or entity to take any action, to prohibit the recovery of
4 such franchise fees by Company.
5

6 9.1.5.6 In the event of a regulatory disallowance of the recovery of
7 the franchise fees on the Discretionary Service Charges,
8 Company will not be required to continue payment of such
9 franchise fees.
10

11 9.1.6 The collection of the franchise fee shall continue until
12 expiration of the term of this franchise. The audit provisions
13 of this franchise shall extend to any and all records of
14 payments between other municipalities and the Company.
15

16 9.2 Except for rentals paid for the use of City's poles under the City's Pole
17 Rental Agreement, said franchise fee shall be in lieu of any and all other
18 rentals or compensation or franchise, license, privilege, instrument,
19 occupation, excise or revenue taxes or fees and all other exactions or charges
20 (except ad valorem property taxes, special assessments for local
21 improvements, City sales tax, and such other charges for utility services
22 imposed uniformly upon persons, firms or corporations then engaged in
23 business within the City) or permits upon or relating to the business,
24 revenue, franchise, transmission and distribution lines, installations and
25 systems, fixtures, and other facilities of the Company and all other property
26 of the Company and its activities, or any part thereof, in the City which
27 relate to the operations of the Company's electric utility system; provided,
28 that this shall not be construed to prevent the Company from being required
29 to reimburse the City for reasonable expenses incurred in employing
30 consultants in rate proceedings to the extent required by State Law.

31 9.3 Should City not have the legal power to agree that payment of the foregoing
32 sums of money shall be in lieu of taxes, licenses, fees, street or alley rentals
33 or charges, easement or franchise taxes or charges aforesaid, then City
34 agrees that it will apply so much of said sums of money paid as may be
35 necessary to satisfy Company's obligations, if any, to pay any such taxes,
36 licenses, charges, fees, rentals, easement or franchise taxes or charges.

37 **SECTION 10. Indemnity.**
38
39

1
2 10.1 The Company agrees to indemnify, defend, and save harmless the City, its
3 agents, officers and employees, against and from any and all claims by or on
4 behalf of any person, firm corporation or other entity, arising from the
5 Company's construction, operation or management of its transmission or
6 distribution system, or arising from any act of negligence of the company, or
7 any of its agents, contractors, servants, employees or licensees, and from and
8 against all costs, counsel fees, expenses and liabilities incurred in or about
9 any such claim or proceeding brought thereon, and from any and all claims
10 arising from any breach or default on the part of the Company in the
11 performance of any covenant or agreement on the part of the Company to be
12 performed pursuant to the terms of this agreement. The City shall promptly
13 notify the Company of any claim or cause of action which may be asserted
14 against the City relating to or covering any matter against which the
15 Company has agreed, as set forth above, to indemnify, defend and save
16 harmless the City. The Company reserves the right, but not the obligation, to
17 employ such attorneys, expert witnesses and consultants as it deems
18 necessary to defend against the claim or cause of action. It is understood that
19 it is not the intention of either the City or the Company to create any liability,
20 right, or claim for the benefit of third parties and this franchise ordinance is
21 intended and shall be construed for the sole benefit of the City and the
22 Company.
23

24 **SECTION 11. Forfeiture and Termination.**
25

26 11.1 In addition to all other rights and powers retained by the City under this
27 franchise or otherwise, the City reserves the right to declare this franchise
28 forfeited and to terminate the franchise and all rights and privileges of the
29 Company hereunder in the event of a material breach of its terms and
30 conditions. A material breach by Company shall include, but shall not be
31 limited to, the following:
32

33 11.1.1 Failure to pay the fee prescribed by Section 9 hereof.

34 11.1.2 Material misrepresentation of fact in the application for or
35 negotiation of the franchise.
36

37 11.1.3 Conviction of any director, officer, employee, or agent of the
38 company of the offense of bribery or fraud connected with or
39 resulting from the awarding of this franchise to the Company.
40

1
2 11.2 The foregoing shall not constitute a major breach if violation occurs without
3 fault of the Company or of its employees or occurs as a result of
4 circumstances beyond its control. Company shall not be excused by mere
5 economic hardship nor by misfeasance or malfeasance of its directors,
6 officers, or employees.
7

8 11.3 In order for the City to declare a forfeiture, City shall make a written
9 demand that the Company comply with any such provision, rule, order, or
10 determination under or pursuant to this franchise. If the violation by the
11 Company continues for a period of thirty (30) days following the Company's
12 receipt of such written demand without written proof that the corrective
13 action has been taken or is being actively and expeditiously pursued, the
14 council may take under consideration the issue of termination of the
15 franchise. The city shall cause to be served upon Company, at least twenty
16 (20) days prior to the date of such a Council meeting, a written notice of
17 intent to request such termination and the time and place of the meeting.
18 Public notice shall be given of the meeting and issue which the Council is to
19 consider.

20 11.4 The Council shall hear and consider the issue, shall hear any person
21 interested therein, and shall determine, in its discretion, whether or not any
22 violation by the company has occurred.

23 11.5 If the Council shall determine that the violation by the Company was the
24 fault of Company and within its control, the council may declare the
25 franchise of the Company forfeited and terminated, or the Council may grant
26 to company a period of time for compliance.

27 **SECTION 12. Foreclosure, Receivership and Bankruptcy.**

28 12.1 The Company shall notify the City within thirty (30) days after any
29 foreclosure or other judicial sale of all or substantial part of its assets or of
30 the appointment of a receiver or trustee to take over and conduct the
31 Company's business, whether in receivership, reorganization, bankruptcy or
32 other action or proceeding, whether voluntary or involuntary, such notice to
33 include, where applicable, the cause number and court involved.

34 **PART 2.** In compliance with the provisions of the Charter of the City of Austin, this
35 Ordinance, upon being introduced at regular meeting of the City Council, shall be read at
36 three (3) separate regular meetings of the City Council and shall not be passed finally
37 until thirty (30) days after the first reading. Within five (5) days following each of its
38 three (3) readings the full text of this Ordinance shall be published one (1) time in a daily

1
2 newspaper published in the City of Austin. This Ordinance shall take effect sixty (60)
3 days after its final passage, if it is accepted in writing by Company, by Company filing its
4 acceptance with the City Clerk of the city of Austin within sixty (60) days following the
5 final adoption of this ordinance by the Council.

6 **PART 3.** The City Clerk is hereby authorized and directed to make appropriate
7 endorsements over his official hand and the seal of the City of Austin, on a form provided
8 at the conclusion of this Ordinance, of the dates upon which this Ordinance shall have
