## Subject: Rezoning of lot2 of Indian oaks 2 subdivision from LR-CO/SF2 to CS-MU

The Lot2 of Indian Oakes 2 Subdivision has two addresses:

- 1. Address from McNeil Drive: 6610 McNeil Dr. Austin TX. 78729 and Address
- 2. from Blackfoot Trail: 12602 Blackfoot Trial Austin TX. 78729

## Please see the following important documentation about the property(lot2):

- Indian Oakes 2 Subdivision is in Williamson County Texas and is comprised of 4 properties or 4 lots (Lots 1, 2, 3 & 4). Dated September 19<sup>th,</sup> 1977. See page 12 for this legal document
- 2 On **April 29<sup>th</sup>, 1985**, all four lots of Indian Oakes 2 Subdivision per Amendment of Restriction #18833 are no longer restricted to be used for residential purposes only and may be used for any lawful purpose. See page 13 for this legal document
- 3 Over 27 years ago in December of 1989, I purchased Lot2 for developing it for commercial use. Prior to purchasing the property from the previous owners, Mr. Richard A. Bouton and Mrs. Diane C. Bouton, I required them to correct the error on the property's (lot2) building line to allow me with enough space for a commercial building and parking lot. Document dated September 23<sup>rd</sup>, 1989. <u>See</u> <u>page 14 for this legal document.</u>

### 4 Please See History of the property <u>prior to annexation</u>:

- a) 1990 prior to annexation, I received a site plan exemption from the City of Austin because my property (lot2) was in Williamson County. I also received electrical and plumbing permits from the City of Austin as well.
- b) 1990 to 1991 **prior to annexation**, I hired a contractor, Charles E. Salisbury, and started construction on 25 feet by 60 feet additional commercial building on lot2 for commercial use.
- c) 1992 to 1995 prior to annexation, Mr. Salisbury abandoned the commercial building project before completion. Unfortunately, this caused major delays in completing the project. I was forced to take the contractor to court for my losses, which I won, but the contractor filed bankruptcy before I could collect on the ruling. <u>Please see page 15 document. Reason for building project completion delay.</u>
- d) 1993, <u>**Prior to annexation**</u>, I managed to complete the commercial building project by myself. <u>Please see page 16 picture of the building</u>.
- e) 1995 to 1996 <u>Prior to annexation</u>, I met with Mr. Carl McClendon, Mr. Shaw Hamilton from City of Austin and Mr. Joe England from Williamson County to obtain a permit for constructing a commercial parking lot for my commercial building.
- f) 1997 (first quarter) <u>Prior to annexation</u>, merchandise Persian rugs, and computers) received and beauty salon license issued.
- g) May 1<sup>st</sup>, 1997 <u>Prior to annexation</u>, sales tax permit issued for my company A-Mart Enterprises at 12602 Blackfoot Trail, Austin TX 78729. <u>Please see page 17.</u>
- h) 1996 to early 1997 <u>Prior to annexation</u>, searched and hired IT Gonzales Civil Engineer to draw site plan for commercial parking lot and water quality filtration/retention system per City of Austin and Texas Natural resource conservation requirement.

- July 1997 <u>Prior to annexation</u>, permit for waste water line and connection point approved and installed on the property by City of Austin.
- j) December 1<sup>st,</sup> 1997 <u>Prior to annexation</u>, the site plan approved by the Texas Natural Resource Conservation Commission was received.
- k) December 31<sup>st,</sup> 1997 <u>Prior to annexation</u>, the City of Austin approved site plan/development permit <u>No. SP-97-0439D</u> for parking lot and water filtration/retention system on Lot2 in the Indian Oakes 2 Subdivision. <u>Please see page 18</u>
- Prior to annexation, please notice on approved site plan by City of Austin permit No. SP-97-0439D), name of my businesses (Import/export business and beauty salon. <u>Please see pages 18.</u>
- m) December 1997 <u>Prior to annexation</u>, I hired a contractor for construction of parking lot and water quality filtration/retention system on my property (lot2) per the approved site plan No. SP-97-0439D by the City of Austin.
- 5 On December 31<sup>st,</sup> 1997 or January 1<sup>st</sup>, 1998 City of Austin annexed Indian Oakes 2 Subdivision and other properties in Indian Oakes Subdivision. Please see <u>after annexation</u> the following history on the property:
  - a) March 20<sup>th</sup>, 1998, after annexation Although my commercial building project was 100% completed a few years prior to annexation, while I was more than 40% completed with the parking lot and the water filtration/retention system, the project was stopped by City of Austin code enforcer, Mr. Paul Tomasovic due to neighborhood complaints.
  - b) Unfortunately, in the following weeks of stopping my project by the code enforcer Mr. Paul Tomasovic from the City of Austin, the city of Austin revoked all my approved permits including the approved site plan No. SP-97-0439D (dated December 31<sup>th</sup>,1997) and forcing me to rezone my property.

- c) In 1998, I was forced to apply for CS/GR land development code for all of Lot 2. My application was assigned to case manager, Mr. Christopher Johnson, and the City of Austin staff, which recommended a LR-CO designation on my property, failing to communicate with me during the process. Mr. David Sullivan from the zoning and planning commission worked with several of my neighbors, notably Mr. Pendleton (the man whose wife wanted to destroy my commercial building), and unfairly recommended the division of my small property into two smaller tracts (tract 1 and tract 2) against my wishes, which made my property worthless. Upon conclusion of several city council meetings, Mayor of Austin Mr. Kirk Watson sided with the neighborhood and my CS/GR land development codes were denied and I was instead given a SF2 for tract 1 and the highly restricted LR-CO for tract 2 with very few options. Additional restrictions including building height and hours of operation were also imposed. I believe my case manager, Mr. Christopher Johnson, and staff did not bother to review the legal documents that I submitted to them on many occasions, outlining my legal rights for developing my commercial property and instead of recommending a CS/GR code or exemption the property from rezoning, they recommended a highly restrictive LR-CO code for my property. The City of Austin staff and zoning and planning commission's recommendation of LR-CO was THE key decision that prevented me from getting a fair zoning (CS/GR) based on my legal rights to develop the property. CS/GR is compatible with other businesses in the surrounding area and along McNeil Dr.
- d) On November 10<sup>th</sup>, 1999, I was forced again by City of Austin to summit another site plan for approval which I had no other choice. Finally, after two 2.5 years delay, I received a new approved site plan permit number <u>SP-99-2171C</u>, dated April 5<sup>th</sup>, 2000. <u>Please see page 19</u>
- e) In May 2002, I had developed the parking lot, water filtration and retention system based on new site plan specification and requirement and finally my parking lot project and water quality system were completed.

- f) The outcome of these heavy restrictions made my property worthless. Losing two businesses caused great monetary loss and emotional stress, rendering my property useless to me and my purpose for owning and purchasing this property during the last 27 years.
- g) During the past 27 years, I was able to lease the property for a total of six years. From 2002 to 2005 it was leased to Salon for Kids, from 2008 to 2011 it was leased to Thrifty Nifty (sales of second hand household items), I could not open my business neither. For more than 21 years, the building has been vacant. The money I have made off the property has barely been enough to cover the taxes and some of the building repair and property taxes has increased more than 400%.
- h) Important Notice: Prior to annexation, based on my legal right to develop my commercial property, City of Austin and the neighborhood did not have the legal right to oppose me. It appears to me after annexation the City of Austin took my legal rights away to develop and use my commercial property as I see fit and gave it to the neighborhood.
- 6 Now, 20 years later after the annexation, having seen so many nearby properties on McNeil Dr. zoned for LI, CS, W/LO and GR; In April 2017, I submitted an application for rezoning of my property (Lot 2), Case# C14-2017-0042, from LR-CO & SF2 to CS1-MU
- 7 On May 4th, 2017, **I met with the neighborhood** to discuss my previous intent to rezone my property to CS1-MU. One of the allowed business options under CS1 zoning-code is alcohol sales, which was their primary concern and focus of discussion. I stated to the neighborhood association during that meeting that I would reconsider CS1-MU zoning and would **accept CS-MU** zoning instead, which does not allow alcohol sales.
- 8 On May 16<sup>th</sup>, 17- The CS-MU zoning code change has been submitted to the City of Austin case manager, Ms. Sirwaitis, informing everyone about our agreement to this change.

- a) Stepping Stone school owner Rhonda Paver's attorney Kenneth Richey has been waiting on this written notice from the case manager regarding this change to CS-MU, in which they have agreed to then remove their opposition from the valid petition.
- b) However, there is positive information, on June 1<sup>st</sup>, 2017 Ms. Rhonda Paver's Attorney, Kenneth Rickey, sent case manager Sherri Sirwaitis a signed PDF document stating her intentions to withdraw her formal petition. <u>Please see page 20 for Ms. Paver letter of withdrasing.</u>
- c) There is no adjacent property owner that opposes the rezoning of my property. <u>Please see page 21.</u>
- d) There is no valid petition opposed to rezoning <u>Please see page 22.</u>
- 9 Although I am in the Indian Oakes 2 subdivision, since 1997 I have been trying very hard to work with the Indian Oakes neighborhood, which is a separate subdivision, to address their concerns regarding the zoning of my property. What I have presented in this documentation is based in fact and reality. Although there has been push back and opposition from some neighbors, it is time to put an end to the unreasonable and illogical neighborhood opposition. City officials need to ask the neighborhood, why do they have this negative opposition toward me but have supported other property owners in their rezoning efforts based on their business needs.
- 10 Since my property was annexed by the City of Austin, the same neighborhood has used the City of Austin and hindered my efforts to rezone my property into something viable. Please see the following few examples of opposition toward me, but support for others, from the Indian Oakes Neighborhood Association:

- a) The property, Case# C14-98-0060, in Indian Oakes subdivision, the size of this property is also twice the size of mine. This undivided property, which all of this property has been rezoned with CS-CO, is fully supported by the same neighborhood association and city staff recommendation that has opposed the rezoning of my property. What is the logical reasoning behind this bias and unfair opposition and why are the city officials supporting them? Please see page 23 for location of this property relative to my property.
- b) Lot 4 of Indian Oakes 2 subdivision, Case# C14-2011-0046, the size of this property is about 1½ times the size of mine. This undivided property, which all of this property has been rezoned with W/LO-CO, is fully supported by the same neighborhood association and city staff recommendation that has opposed the rezoning of my property. Again, what is the logical reasoning behind this bias and unfair opposition and why are the city officials supporting them? Please see page 24 for location of this property relative to my property.
- c) The vacant lot, 12601 Blackfoot trial belong to Mehdi Zarchi and Elham Tarkashvand. There is a building on this lot which they have used for storing their air condition business parts for many years. Worth mentioning, this is also another example of this neighborhood bias against people like me. The neighborhood used the City of Austin to prevent these honorable and hardworking people from rezoning their property to CS based on their business need, then turned around and supported rezoning a big property next to theirs for CS-CO. What is the logical reasoning behind this bias and unfair opposition and why are the city officials supporting them?
- 11 During the last few months, I have summitted many legal documents to City staff and case manager Ms. Sherri Sirwaitis, to support my rezoning case # C14-2017-0042 and I ask that they now recommend my property be zoned for CS-MU with no restrictions which is very compatible with properties rezoned around my property along McNeil Drive, **but unfortunately, I am seeing history repeat itself**.

- 12 On Tuesday, May 30<sup>th</sup>, 2017, I had the chance to meet with case manager Ms. Sherri Sirwaitis, where she presented me with a <u>zoning</u> <u>change review sheet which has been sent to Planning commission,</u> <u>Case# C14-2017-0042 Z.A.P. Date: June 6<sup>th</sup>, 2017.</u>
  - a) To my surprise June 6<sup>th</sup>, 2017 review sheet did not include or mention any of the documentation which presented my legal rights of the property. Yet again, they recommended the same LR-CO-MU land development code, which I am strongly opposed to.
  - b) Worth mentioning that finally, some of the document have been included in review zoning sheet, dated July 18<sup>th,</sup> 2017 by Ms. Sirwaitis (I appreciate that), for zoning and planning commission hearing.
  - c) On July 26<sup>th</sup>, 2017, I submitted more than 42 pages of documents to the case manager and requested to be included in zoning review sheet for August 15<sup>th</sup>, 2017 hearing, but she did not include any of them.
    My question is, how can I get a fair hearing from the commissioners or City Council members without my documents to review? I hope those documents be included in Change review sheet for cit council hearing.
- 13 In addition to the above recommendation by staff, which I am opposed to, the city transportation department has put new restrictions such as blocking access to McNeil Drive and taking additional ROW. This would place an undue financial hardship of more than \$1,000,000 in the long run on me and render the property unsuitable for any economically feasible use. I proposed a compromise to the ROW agreement of 50 feet from the center of McNeil Drive to the existing McNeil curb of the property, thus allowing me to preserve my existing city approved parking and drainage/overflow and allow the city and state to expand McNeil by another lane. (Worth mentioning that the city has already taken 10.5 feet ROW from my property). Despite numerous phone calls and emails and official mailings, there has not been a final resolution to my proposal. I am asking the city council for another postponement until I will be able to resolve these issues.

- 14 I have tried several times to correspond with the city staff and request a time to present my case to all staff, unfortunately my requests have been denied meeting all staff. Per case manager Ms. Sherri Sirwaitis with her staff, their decision has been made based on my property is on an entrance street to the neighborhood. However, there are many other properties along McNeil drive that are on entrances to a neighborhood that have been rezoned with a CS, GR or LI designation. Again, why have I been singled out with a LR-CO-MU recommendation? Which does not align with my business needs or compatible with facts on McNeil drive and make my make property viable for lease while others have CS, GR, LI. Again, I would like the same fair rules applied to me and be shown equal opportunity on my legal right to my commercial property. Please see the following examples proving my point that there are multiple properties along McNeil Dr. rezoned with a CS, GR, LI some of them located at the entrance of a neighborhoods:
  - a) Corpus Christi Drive: 6748 or 6750 Corpus Christi Drive at the intersection of McNeil This property was recently zoned as GR-CO at entrance of neighborhood, along with following streets.
  - b) Dakota Ln.: 6410 McNeil Drive at the intersection of Dakota This property was recently zoned as GR-CO.
  - c) Within 200 feet of Blackfoot Trail: 6514 McNeil Drive- This property was zoned as CS-CO.
  - d) Within 200 feet of my property and Blackfoot Trail: 6702 McNeil Drive This property was zoned as W/L-CO
  - e) 6810 McNeil Drive This property was recently zoned as GR-CO.
  - f) 6914 or McNeil Drive of Los Indio's -This property is zoned as CS-CO.
  - g) 7224 or 7308 McNeil Drive at the intersection of San Filipe This property was recently zoned as GR-CO.
  - h) 7701or 7318 McNeil Drive at the intersection of San Filipe This property was zoned as GR-CO and CS-CO

- Along McNeil Drive and opposite side of my property, there are many properties which have been rezoned to LI, CS: BMW of Austin (CS zone), Building-A Taurus Academy CS-CO zone, Building-B Insurance CS-CO zone, Balcones Animal Hospital (LI-CO), Car Caliber Collision (Industrial), Foundation auto repair (Industrial), Lamb Auto (Industrial), Fashion Forms factory (LI zone), Ubox (LI zone), Glover Logistics (LI zone), SabRex (LI zone), Megladon (LI zone), and Research park including many companies that are all (LI zone).
- j) 6813 McNeil Drive was zoned LI
- k) 6819 McNeil Drive was zoned LI
- 1) 6909 McNeil was zoned CS
- m) 7111 McNeil Drive was zoned CS
- n) 7113 McNeil Drive was zoned CS
- o) Finally, there are many properties zoned LI, LI-CO, CS or CS-CO, GR and GR-CO along and down McNeil Drive. <u>Please see page 25</u> <u>zoning map of Austin.</u>
- p) Note: Please as you see, City of Austin Staff's recommendation is NOT based with facts on the ground. If there is any exception to the rule, I want it applied to me as well based on <u>equal</u> <u>opportunity and my legal right to my commercial property</u>.
- q) On August 15<sup>th</sup>, 2017, during Planning commission hearing, the planning commissioners has recommended GR\_MU\_CO for portion of the Lot2, although this is a step in right direction and I appreciate that, but unfortunately, again my small lot has been divided in two separate tracts by planning commission recommendation and tract1 stayed as SF2. This creates a major issue to operate any valuable business at this location due to lack of space.
- r) There is another main issue here, based on the city staff recommendation, if rezoning granted, then new ROW of 57 feet from

center McNeil drive will apply to the property. As a result, I will lose half of my parking space, part of my filtration-sedimentationdetention ponds and must move my existing commercial building back 7 more feet to comply with this condition. This makes my existing commercial building too small to operate any valuable business.

- s) I am asking the honorable city council members to be fair and support the rezoning of the entirety of Lot 2 in Indian Oakes 2 subdivision to GR/CS. I do have adjacent property 12604 Blackfoot on North side the property. This property can be used as barrier between commercial lot and the neighborhood.
- I am a Mechanical engineer with many years of experience in equipment repair, modify, maintenance and sales. The machines that I have experienced on are like appliances that you will find in any home, just a little more precise and smaller. Although I am 69 years old now, I would like to use my equipment background and run a small business on part of my property offering those types of services, but the LR-CO-MU staff recommendation **does not** allow me to open anything in my field. This would include repair and services, such as AC, Auto, electronic prototype assembly, equipment testing, equipment repair, service, training and equipment sales all prohibited under the LR-CO code. The CS-MU land development codes would allow me to run my business from my property
- 16 Please see following Austin zoning maps, legal documents and pictures of properties along McNeil Dr. for support of CS-MU or CS/GR-MU zoning of my property. <u>Please see page 25 zoning Map.</u>

Sincerely,

Abraham Birgani Phone # 512-998-2525
