The Contractor must assert its right to an adjustment within thirty (30) calendar days from the date of receipt of the notice of delay. However, nothing in this provision shall excuse the Contractor from delaying the delivery as notified.

5.3.2 Neither party shall be liable for any default or delay in the performance of its obligations under this Contract if, while and to the extent such default or delay is caused by acts of God, fire, riots, civil commotion, labor disruptions, sabotage, sovereign conduct, or any other cause beyond the reasonable control of such Party. In the event of default or delay in Contract performance due to any of the foregoing causes, then the time for completion of the services will be extended; provided, however, in such an event, a conference will be held within three (3) business days to establish a mutually agreeable period of time reasonably necessary to overcome the effect of such failure to perform.

**7.10 Confidentiality.** In order to provide the deliverables to the City, Contractor may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). Contractor acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Contract, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

**7.11 Advertising.** The Contractor shall not advertise or publish, without the City's prior consent, the fact that the City has entered into the Contract, except to the extent required by law.

**7.12 No Contingent Fees.** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

**7.13 Gratuities.** The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.

**7.14 Prohibition Against Personal Interest in Contracts.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.

**7.15 Independent Contractor.** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.

**7.16 Assignment-Delegation.** The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Contract.

7.17 **Waiver.** No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

7.18 **Modifications.** The Contract can be modified or amended only in writing signed by both parties. No pre-printed or similar terms on any Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

7.19 **Interpretation.** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

7.20 **Dispute Resolution.**

7.20.1 If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

7.20.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

7.21 **Minority And Women Owned Business Enterprise (MBE/WBE) Procurement Program.**

7.21.1 All City procurements are subject to the City's Minority-Owned and Women-Owned Business Enterprise Procurement Program found at Chapters 2-9A, 2-9B, 2-9C and 2-9D of the City Code. The Program provides Minority-Owned and Women-Owned Business Enterprises (MBEs/WBEs) full opportunity to participate in all City contracts.

7.21.2 The City of Austin has determined that no goals are appropriate for this Contract. **Even though no goals have been established for this Contract, the Contractor is required to comply with the City's MBE/WBE Procurement Program, Chapters 2-9A, 2-9B, 2-9C and 2-9D, of the City Code, as applicable, if areas of subcontracting are identified.**

7.21.3 If any service is needed to perform the Contract and the Contractor does not perform the service with its own workforce or if supplies or materials are required and the Contractor does not have the supplies or materials in its inventory, the Contractor shall contact the Department of Small and Minority Business Resources (DSMBR) at (512) 974-7600 to obtain a list of MBE and WBE firms available to perform the service or provide the supplies or materials. The Contractor must also make a Good Faith Effort to use available MBE

and WBE firms. Good Faith Efforts include but are not limited to contacting the listed MBE and WBE firms to solicit their interest in performing on the Contract; using MBE and WBE firms that have shown an interest, meet qualifications, and are competitive in the market; and documenting the results of the contacts.

## **7.22 Subcontractors.**

7.22.1 If the Contractor identified Subcontractors in an MBE/WBE Program Compliance Plan or a No Goals Utilization Plan, the Contractor shall comply with the provisions of Chapters 2-9A, 2-9B, 2-9C, and 2-9D, as applicable, of the Austin City Code and the terms of the Compliance Plan or Utilization Plan as approved by the City (the "Plan"). The Contractor shall not initially employ any Subcontractor except as provided in the Contractor's Plan. The Contractor shall not substitute any Subcontractor identified in the Plan, unless the substitute has been accepted by the City in writing in accordance with the provisions of Chapters 2-9A, 2-9B, 2-9C and 2-9D, as applicable. No acceptance by the City of any Subcontractor shall constitute a waiver of any rights or remedies of the City with respect to defective deliverables provided by a Subcontractor. If a Plan has been approved, the Contractor is additionally required to submit a monthly Subcontract Awards and Expenditures Report to the Contract Manager and the Purchasing Office Contract Compliance Manager no later than the tenth calendar day of each month.

7.22.2.2 prohibit the Subcontractor from further subcontracting any portion of the Contract without the prior written consent of the City and the Contractor. The City may require, as a condition to such further subcontracting, that the Subcontractor post a payment bond in form, substance and amount acceptable to the City;

7.22.2.3 require Subcontractors to submit all invoices and applications for payments, including any claims for additional payments, damages or otherwise, to the Contractor in sufficient time to enable the Contractor to include same with its invoice or application for payment to the City in accordance with the terms of the Contract;

7.22.2.4 require that all Subcontractors obtain and maintain, throughout the term of their contract, insurance in the type and amounts specified for the Contractor, with the City being a named insured as its interest shall appear; and

7.22.2.5 require that the Subcontractor indemnify and hold the City harmless to the same extent as the Contractor is required to indemnify the City.

7.22.3 The Contractor shall be fully responsible to the City for all acts and omissions of the Subcontractors just as the Contractor is responsible for the Contractor's own acts and omissions. Nothing in the Contract shall create for the benefit of any such Subcontractor any contractual relationship between the City and any such Subcontractor, nor shall it create any obligation on the part of the City to pay or to see to the payment of any moneys due any such Subcontractor except as may otherwise be required by law.

7.22.4 The Contractor shall pay each Subcontractor its appropriate share of payments made to the Contractor not later than ten (10) calendar days after receipt of payment from the City.

**7.23 Jurisdiction And Venue.** The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

**7.24 Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed

severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

Exhibit A	Las Comadres (Austin Community Foundation) Program Work Statement dated January 26, 2017
Exhibit B	Non Discrimination Certification
Exhibit C	Non-Suspension or Debarment Certification

REVISED 1/26/17 Las Comadres Program Proposal based on COA award amount of \$11,919.00

Originally formed as an informal network of Latinas in April 2000, Las Comadres Para Las Americas became a Texas nonprofit in 2004 and a 501(c)(3) in 2007. The headquarters for the organization are in Austin, Tx. The Austin Community Foundation, is part of this proposal, as they are Las Comadres' fiscal agent. We are referred to as the Austin Community Foundation, Las Comadres Fund.

### **Our Vision**

Las Comadres is a nationally known Latina organization empowering women to be actively engaged in the growing Latino/Hispanic communities through online and face to face networks.

### **Our Mission**

Connecting and Empowering Latinas everywhere through community building/networking, culture, learning, and technology.

### **Proposed Project Summary**

Due to the increase in property taxes all over Austin, but especially in the central Austin neighborhoods, many elderly individuals who have lived in East Austin, since at least 1992, and who live on fixed incomes, find themselves unable to pay the high property taxes.

Las Comadres Para Las Americas, Austin Network seeks to create a model for community building and support for senior citizen residents in East Austin. The proposed model supports the work being done by The East Side Conservancy (eastsideguardians.org), specifically around the housing affordability initiative.

## About East Austin Conservancy

*The mission of the East Austin Conservancy is to to strengthen the fabric of East Austin neighborhoods by:*

- \* promoting housing affordability and economic diversity;*
- \* preserving and enhancing the history, culture and natural environment;*
- \* investing in small businesses and public space that are unique to the neighborhoods that make up this community.*

*The East Austin Conservancy (EAC) is incorporated as a non-profit corporation with the State of Texas and has received the 501(c)(3) non-profit status designation from the IRS.*

Las Comadres-Austin will pilot a support networks concept and invite network members and friends (friends could be individuals and/or other organizations such as Elder Care, area churches and other nonprofits) to form small groups of 10 to 15 people who would "adopt" an east side resident to assist her/him with appealing the Travis County valuation of their property, applying for various tax assistance programs, paying property taxes, as well as other activities such as connecting with needed services, and other tasks/activities yet to be identified. The elders, individuals or families would be identified with the assistance of the East Austin Conservancy (who will be the recipient of any funds raised for property tax assistance). The first cohort would consist of a maximum of **5** elders/families. The total grant funds approved for this project are \$11,919.00.

The model would be designed, implemented, evaluated and changed as needed in the initial year of the grant. The work will be done by Nora Comstock, Las Comadres board member and other network members.

Month 1-2: Design program including any materials needed.

Month 2: Choose up to 5 elders/families in the 78702 zip code; assess needs of each client. Create parameters for type of assistance that volunteers will respond/help.

Month 2: Begin recruiting Las Comadres/other volunteer groups

Month 3: Match clients/volunteers. Meet and train volunteers--fundraising for clients, meeting goals, providing resource lists, etc. Introduce volunteers and clients.

Month 4: Begin program

Month 6: Six month evaluation--how are the needs of the clients being met? What are volunteers doing? Is there burnout? Too much need? Are other volunteers needed? Etc.

Months 6-10 Continue monitoring program

Month 11-12 Final evaluation and report.

In the 16 years it has been active in sharing information about community events, it has helped many organizations, agencies, and efforts to find volunteers to accomplish their specific projects or goals, as well as to share their projects and programs widely in the community. Las Comadres members have volunteered as tax preparers, FASFA support assistants, health fair workers, Spanish translators, book reviewers, panelists/guests on radio, TV, or print topics, conveners of programs of interest to the community, voter registrars, teaching assistants, promoting jobs, scholarships, reading to young readers, mentors to teens, work with the elderly, i.e., meals on wheels and much more.

**DATE:** October 5, 2016

**SUBJECT:** Quality of Life Budget Requests

The purpose of this memorandum is to provide an update on the budget requests that were recently approved in the FY17 budget process for the three Quality of Life Commissions.

Though funding has been approved, there are certain steps that must be completed before a contract and notice to proceed is issued. The non-profit agencies that have been recommended will be contacted by the various Department staff to discuss specifics about the contracting process. Staff will work with the management of the agency to ensure contracts are put in place that meet the required standards of performance measures that provide a public benefit for the City of Austin. Per City Policy, if a contract is less than or equal to \$58,000, it can be administratively approved by the City Manager. If the contract is above the City Manager's approval authority, staff will bring the contract to Council for approval and will work through the appropriate process as quickly as possible.

Staff will work with agencies to ensure they meet all requirements for contracting with the City of Austin. If the agency is unable to contract with the City, the respective Department and the Quality of Life Commission will work together in identifying an alternative agency to recommend to Council for approval.

Attached is a document providing information specific to each Commission to include the following:

- The approved organization/function receiving the funding
- The funding amount
- The Department in which the funding has been allocated
- A single point of contact (SPOC) to contact for additional information
