

**RESOLUTION NO. 20171109-046**

**WHEREAS**, the Major League Soccer (MLS) organization is a premiere professional soccer league in the United States; and

**WHEREAS**, soccer is a beloved sport in the Central Texas region and throughout the State by individuals regardless of age; and

**WHEREAS**, Austin is one of the largest cities in the United States without a professional sports team; and

**WHEREAS**, Resolution No. 20140306-022 directed the City Manager to work with MLS, neighborhood groups, The University of Texas, and other stakeholders to explore the feasibility of an MLS franchise in Austin and “to identify potential sites that take into account the traffic impact on surrounding neighborhoods”; and

**WHEREAS**, Precourt Sports Ventures has expressed an interest in potentially moving the MLS team, Columbus Crew Soccer Club (Columbus Crew), to Austin; and

**WHEREAS**, for a relocation to Austin to occur, Precourt Sport Ventures has indicated that a mutually agreeable location for a stadium would need to be explored and solidified; and

**WHEREAS**, Precourt Sport Ventures has confirmed that it would pay all construction and operating costs associated with a world class soccer park and practice fields; and

**WHEREAS**, the most successful soccer venues in the United States are located in or close to the urban core of the city; and

**WHEREAS**, while other cities are competing for an MLS expansion team, Austin has been offered the opportunity to be home to an existing team; and

**WHEREAS**, a professional soccer team could benefit Austin by promoting civic pride and providing financial benefits to the City and its recreational facilities;

**NOW, THEREFORE:**

**BE IT RESOLVED BY THE CITY OF AUSTIN CITY COUNCIL:**

The City Manager is directed to identify City-owned sites in the full purpose jurisdiction (including the Travis County Expo Center) as well as potentially including underutilized parkland, that might be appropriate for a soccer stadium, as well as sites outside the urban core where practice fields and ancillary uses could serve an MLS team and the surrounding community.

This analysis should also consider:

- Traffic and other potential impacts on businesses, places of worship, public facilities, residential neighborhoods, and schools adjacent to identified sites;
- Displacement of City programs or services as a result of a conversion in use;

- New programs serving Austin residents, including community benefits that could result from the construction of a stadium and practice fields;
- Direct and indirect economic benefits of having an MLS team in Austin;
- Processes for engaging the public in consideration of these options.

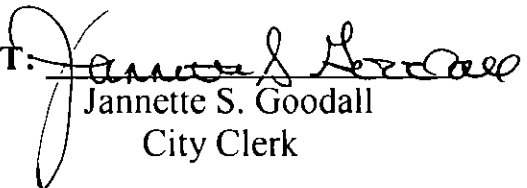

The above analysis should include engagement with neighborhood groups, Precourt Sports Ventures, Austin Sports and Entertainment, any other MLS teams, area colleges and universities, Independent School Districts within Austin city limits, and other potential stakeholders.

The City Manager is further directed to consult with Travis County, area colleges and universities, Central Health, and other relevant entities in consideration of potential sites.

The City Manager is directed to bring an initial report and recommendations to Council by December 14, 2017.

**ADOPTED:** November 9, 2017

**ATTEST:**

  
Jannette S. Goodall  
City Clerk
