

*Primary (west) façade. No changes proposed to this façade.*

*Rear (east) elevation, south (left) side. The porch at left is proposed to be replaced with a porch spanning most of the rear elevation, with a porch atop it at the second-floor level.*

*Rear (east) elevation, center view. The second-story inset is proposed to be infilled. The ground floor level under this inset is a previous non-historic addition (ca. 2006-08).*

*Rear (east) elevation, north (right) side.*
