

ORDINANCE NO. _____

AN ORDINANCE AMENDING CITY CODE TITLE 4 TO ADD CHAPTER 4-19 RELATING TO SPECIAL EVENTS; REPEALING AND REPLACING CHAPTER 14-8 RELATING TO RIGHT-OF-WAY CLOSURES FOR SPECIAL EVENTS AND NEIGHBORHOOD BLOCK PARTIES; AMENDING SECTION 10-3-96 RELATING TO TEMPORARY FOOD ESTABLISHMENTS; REPEALING SECTION 14-6-3 RELATING TO CLOSURES FOR A STREET FESTIVITY; AMENDING CHAPTER 9-2 RELATING TO 24-HOUR LIVE MUSIC AND MULTI-DAY SPECIAL EVENT PERMITS; AND CREATING OFFENSES AND PENALTIES.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. FINDINGS.

The council finds the following:

- (1) The City’s festivals, road races, and other special events contribute to the unique character and vitality of the City;
- (2) Special events range from very small neighborhood-level events to large-scale, multi-million dollar productions;
- (3) Events held in the City impact public safety and impede the flow of pedestrian and vehicular traffic;
- (4) The City’s public safety personnel are better able to respond to issues affecting public safety when they are alerted in advance to the timing, location, and nature of events occurring in the City;
- (5) A special event permit application will allow the City to manage the competing uses of its public safety personnel and resources;
- (6) The special events team will be able to assist event organizers in obtaining all necessary permits and facilitate the timely and efficient processing of permit applications;
- (7) Citizens need to quickly access public space to respond to current events through spontaneous speech;

- 1 (8) A special event permit application process will allow the City
2 to manage the competing uses of its public spaces and ensure
3 that members of the public are able to access public space for
4 their events;
- 5 (9) Many event organizers must apply for permits from multiple
6 City departments;
- 7 (10) An interdepartmental team acting as a “one-stop shop” for
8 special events will provide a single point of contact for event
9 organizers and the public;
- 10 (11) When more than one event occurs in the same general area, the
11 occupancy level of adjacent city streets and sidewalks increase,
12 which may create an unsafe condition and strain the City’s
13 resources and infrastructure;
- 14 (12) Limiting the number of special events that may occur
15 simultaneously in an area will allow the City to prevent people
16 from being injured due to overcrowded streets and sidewalks
17 and will allow the City to better manage its resources and
18 infrastructure; and
- 19 (13) Many special events are conducted on an annual basis and have
20 been operating in substantially the same form for at least 20
21 years, and these events contribute to the City’s identity.

22 **PART 2.** City Code Title 4 (*Business Regulations and Permits*) is amended to add
23 a new Chapter 4-19 (*Special Events*) to read as follows:

- 17 special event.
- 18 (B) A special event permit under this chapter is not required for:
 - 19 (1) an event, which may include food or non-alcoholic beverage

 - 29 conducted solely on city sidewalks or parkland. An organizer of
 - 30 a spontaneous event must provide notice to the Austin Police
 - 31 Department of the date, time, place, and an estimate of the
 - 32 approximate number of persons who will be participating at

1 least four hours before the event, or provide other notice that
2 may be reasonable under the circumstances.

4 Chapter 14-8, Article 3 (*Neighborhood Block Party Requirements*).

5 **§ 4-19-21 CATEGORIES OF SPECIAL EVENTS.**

6 A special event application will be designated into one of four tiers in
7 accordance with this section.

- 8 (A) A Tier 1 event is a special event that does not include the
9 consumption of alcohol and:

- 10 (1) is stationary, impacts only one block of a sidewalk or city right-
11 of-way, and only needs a permit issued under Chapter 14-8
12 (*Temporary Closure for Special Events and Block Parties*); or
13 (2) is moving and consists exclusively of people in a police-
14 escorted bubble; or
15 (3) is an assembly at a city facility and lasts less than five hours; or

3 a person shall obtain a special event permit issued by ACE before the
4 person may conduct, manage, or operate a special event.
- 5 (B) A special event permit is non-transferrable.
- 6 (C) The event organizer shall display the special event permit in the
7 manner prescribed by ACE and shall provide the permit on request to
8 a city employee with enforcement or inspection duties related to the
9 special event.
- 10 (D) As a condition of a special event permit, the event organizer or a
11 person who represents the event organizer shall:

19 rules, and the special event permit; and
- 20 (5) accept all notices of violation, citations, and closure orders.
- 21 (E) A special event permit is only effective after the event set-up has
22 passed all required inspections.

23 **§ 4-19-23 OTHER PERMITS OR LICENSES REQUIRED.**

- 24 (A) Except as provided by Subsection (B), the issuance of a special event
25 permit under this chapter does not satisfy the requirement to obtain
26 any other permit or approval required by this code.
- 27 (B) A special event conducted in compliance with this chapter does not
28 require a separate temporary use permit under Chapter 25-2, Article 6
29 (*Temporary Uses*).

30 **§ 4-19-24 LIMITATIONS ON THE PROVISION OF CITY SERVICES;
31 COSTS AND FEES.**

- 1 (A) Issuance of a special event permit or the approval of a special event
2 permit application does not obligate or require the City to provide
3 services, equipment, or personnel in support of an event.
- 4 (B) Except as provided in Subsection (C), if the City provides services,
5 equipment, or personnel in support of a special event, the City will
6 charge the event organizer the actual cost of:
- 7 (1) the wages or salaries set by separate ordinance for city
8 personnel involved in traffic control, event security, fire safety,
9 medical safety, waste management, and other facility or event
10 support;
- 11 (2) the use of city equipment, city-contracted services, and other
12 non-personnel expenses; and
- 13 (3) any clean-up activity directly related to the special event, not
14 provided by the event organizer that is required to restore the
15 area to the same condition that existed prior to the special event.
- 16 (C) If the City is a co-sponsor of a special event, city services, equipment,
17 or personnel may, with City Council approval, be provided to support
18 a special event without charge.
- 19 (D) The event organizer shall not be required to provide or pay for the
20 cost of city personnel who are present to protect event attendees from
21 counter-demonstrators or members of the public who are hostile to the
22 event.
- 23 (E) The City may also charge any other fees set by separate ordinance to
24 recover costs associated with special events.
- 25 (F) The City will not charge the wages or salaries for on-duty police
26 officers who provide police security for a right-of-way closure area.
- 27 (G) If an event organizer requests an estimate of the charges or fees
28 described in Subsections (B) and (E), ACE will provide an estimate at
29 least 15 business days before the start of the special event.
- 30 (H) An event organizer shall pay to the City:
- 31 (1) within 10 business days from the date the special event ends,
32 the estimated charges and fees described in Subsections (B) and
33 (E); and

1 (2) within 20 business days from the date the special event ends,
2 the balance due for actual charges and fees described in
3 Subsections (B) and (E).

4 **§ 4-19-25 SPECIAL EVENT IMPACT AREA.**

5 (A) In the interests of public health, safety, and welfare, ACE may
6 designate a special event impact area that surrounds a special event. If
7 a special event impact area is designated, ACE may limit the number
8 of permits, applications, or approvals described in Subsection (C)
9 issued within the special event impact area.

10 (B) ACE will set the duration and boundaries of a special event impact
11 area:

- 12 (1) consulting with affected city departments and public agencies;
13 and
- 14 (2) balancing the needs of the special event with public health,
15 safety, and welfare.

16 (C) ACE will determine, based on rules adopted in accordance with
17 Chapter 1-2 (*Adoption of Rules*), the maximum number of special
18 event permits or associated approvals that may be issued in a special
19 event impact area.

20 (D) A business or property, including a vendor licensed under Chapter 14-
21 9, Article 3 (*Street Vendor License*), located within the area of a
22 special event impact area will not be required to seek additional
23 permits if the business or property operates in a manner consistent
24 with its existing permits.

25 **§ 4-19-26 INSURANCE REQUIRED; EXCEPTIONS.**

26 (A) Except as provided in Subsection (F), the event organizer must
27 possess or obtain insurance to protect the City against loss from
28 liability imposed by law for damages on account of bodily injury and
29 property damage arising from the special event that impacts or occurs
30 on city property, including city facilities and city streets, sidewalks,
31 and other right-of-way.

32 (B) The insurance shall name the City as an additional insured and must
33 be maintained for the duration of the special event.

- 1 (C) Failure to maintain insurance immediately preceding, during the
2 special event, and until the conclusion of the permit period is grounds
3 to revoke the special event permit.
- 4 (D) The City will determine the necessary amount of insurance.
- 5 (E) The insurance required by this section is not a substitute for insurance
6 requirements that may be imposed by other required city permits.
- 7 (F) An event organizer is exempt from providing the insurance required
8 by this section if:
- 9 (1) the special event occurs exclusively on private property; or
- 10 (2) the event organizer demonstrates that it is impossible or
11 impractical to obtain insurance coverage.

12 **§ 4-19-27 INDEMNIFICATION.**

13 An event organizer who applies for a special event permit must execute a
14 written agreement to indemnify the City and its officers and employees against all
15 claims of injury or damage to persons or property, whether public or private,
16 arising out of alleged willful or negligent acts or omissions of the event organizer,
17 its officers, agents, or employees in connection with the special event.

18 ***ARTICLE 3. SPECIAL EVENT APPLICATIONS.***

4 (1) the event organizer can show good cause, as defined in rules
5 adopted in accordance with Chapter 1-2 (*Adoption of Rules*);

14 of the information described in this section and in rules adopted in
15 accordance with Chapter 1-2 (*Adoption of Rules*) that is applicable to
16 the event in order to be deemed complete.

17 (C) ACE may consider an application for a Tier 3 or Tier 4 event

20 special event.

21 **§ 4-19-32 SPECIAL EVENT APPLICATION REVIEW.**

22 (A) For a Tier 3 or Tier 4 event, ACE will issue, within 10 business days
23 of receiving a complete application, a preliminary recommendation to

20 **§ 4-19-33 NOTIFICATION OF A SPECIAL EVENT APPLICATION.**

21 (A) An event organizer shall provide notification as described in rules
22 adopted in accordance with Chapter 1-2 (*Adoption of Rules*).

23 (B) Completion of the notification process does not guarantee approval of
24 the special event.

25 **§ 4-19-34 APPROVAL OR DENIAL OF A SPECIAL EVENT**
26 **APPLICATION.**

27 (A) If ACE determines that none of the conditions specified in
28 Subsections (B) or (C) apply, ACE shall approve a special event

- 26 event venue or impact area will prevent the police, fire, or
- 27 emergency medical services departments from providing
- 28 reasonable protections to the remainder of the City;
- 29 (3) the concentrations of persons, animals, or vehicles within the
- 30 special event venue or impact area will unduly interfere with

2 has already been approved; or

18 authority, ACE will consider:

19 (1) scope of events;

20 (2) traffic;

21 (3) parking; and

22 (4) public safety concerns.

23 **§ 4-19-35 APPEAL OF SPECIAL EVENT APPLICATION DENIAL.**

24 (A) If ACE denies a special event application, the event organizer may
25 appeal the denial to the appeal team.

26 (B) The event organizer must deliver an appeal to ACE no later than 10
27 business days after the event organizer is notified that the application
28 was denied.

29 (C) The appeal team must act on the appeal within 10 business days and
30 may uphold or reverse the denial.

1 (D) In considering the appeal, the appeal team shall apply the same
2 criteria as ACE under Section 4-19-34 (*Approval or Denial of Special*
3 *Event Application*).

4 **§ 4-19-36 NOTICE OF PROPOSED SPECIAL EVENT DATES.**

5 A legacy event may submit a notice of proposed special event dates for up to
6 five year period on a form approved by ACE. A legacy event must still comply
7 with Section 4-19-30 (*Special Event Application Fees and Deadlines*) and Section
8 4-19-31 (*Contents of a Special Event Application*) each year of the event.

9 **ARTICLE 4. OPERATION.**

10 **§ 4-19-40 UNPERMITTED SPECIAL EVENTS PROHIBITED.**

11 A person may not conduct, operate, or manage a special event without a
12 special event permit required by this chapter.

13 **§ 4-19-41 COMPLIANCE WITH PERMITS, APPROVALS, AND PLANS.**

14 An event organizer shall conduct, operate, or manage the special event in
15 compliance with the special event permit, other city permits and approvals, and
16 approved plans.
