Hi Steve, I am against granting the demolition permit for 1408 West 9th. I believe the property contains two houses that are contributing to the proposed Local Historic District Highland/Oakland/Pressler. Please email me whatever paperwork I need to sign for opposing. Thanks, Richard Ryan

My name is Nancy Garrett and I have lived at 709 Brownlee Circle for 63 years.

I am opposed to the demolition of the church on West 9th street and the surrounding properties. It will impact our neighborhood not only for quality of life but for the increase in traffic. Old West Austin is a unique, special, and historic neighborhood. Such a proposed condo development would destroy that uniqueness. Let's just face it, the sole goal of the developer is selfish greed, plain and simple.

Mr. Sadowsky,
My wife and I live at 910 Blanco in a historic house near the church and houses for which there are demolition requests. We oppose this.
Thank you
