BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

The City Council directs the City Manager to develop a comprehensive plan, budget and ordinance in the next 60 days to present to the Council for adoption that shall:

- 1. Establish a separate, dedicated Low Income Housing Trust Fund (LIHTF) into which all City housing funds, including those specified below, are placed.
- 2. Establish a Low Income Housing Fund Management Agent to administer the LIHTF. The Agent shall have diverse membership and shall include lower income residents, both homeowners and renters, and community representatives.
- 3. Begin each annual budget process by first allocating \$16 million to the LIHTF to preserve, construct or subsidize housing for low income families, defined as households making 60% of less of median income, this being the amount the City of Austin spent in fiscal year 2015 2016 on fee waivers.
- 4. Establish a policy that all future general obligation bond elections include at least 20% of the bonds for low income housing.
- 5. Establish a policy similar to the City of Houston's that all new Tax Increment Zones or other quasi-governmental entities created by the City be required

- to dedicate at least 1/3 of their revenue to the LIHTF for both preservation and construction of low income housing.
- 6. Amend all density bonus programs so that developers have the mandatory option to pay a fee in lieu equal in an amount to the economic value of the required on-site affordable units.
- 7. Require that all City public employee pension funds investigate and consider investing in low income housing within the Austin city limits.
