### **CONDITIONAL USE PERMIT REVIEW AND EVALUATION CRITERIA**

The following evaluation is included to provide staff position on each point of the conditional use permit criteria. Section 25-5-145 of the Land Development Code states:

**A.** “The Land Use Commission shall determine whether the proposed development or use of a conditional use site plan complies with the requirements of this section.”

**B. A Conditional Use Site Plan Must:**

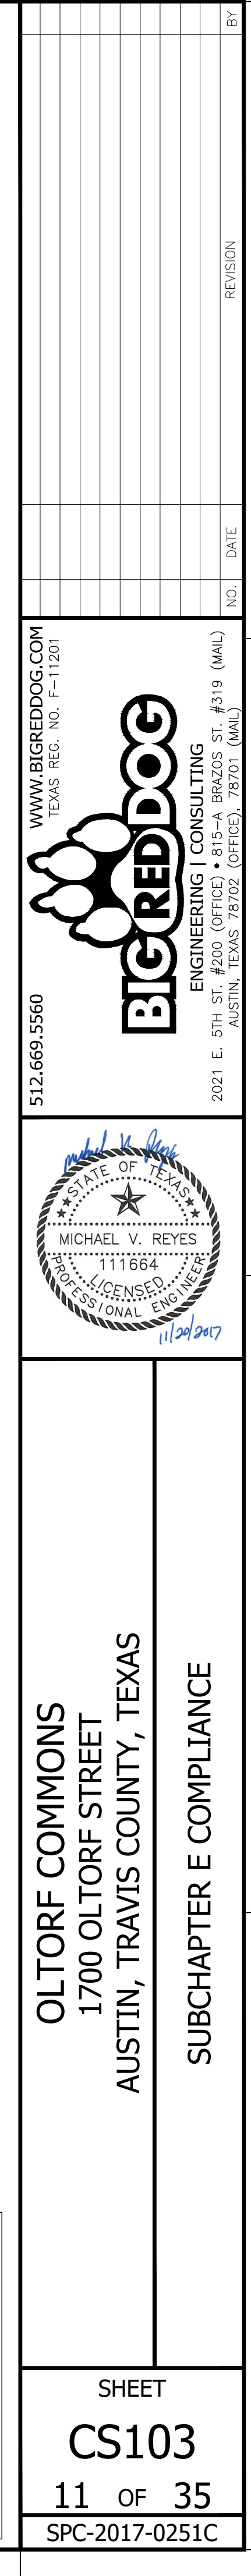

- 1. Comply with the requirements of this title;** Staff Response: This site plan complies with all regulations and requirements of the Land Development Code.
- 2. Comply with the objectives and purposes of the zoning district;** Staff Response: The proposed use is compatible with the abutting uses.
- 3. Have building height, bulk, scale, setback, open space, landscaping, drainage, access, traffic circulation, and use that is compatible with the use of an abutting site;** Staff Response: The site plan has complied with the Land Development Code.
- 4. Provide adequate and convenient off-street parking and loading facilities; and** Staff Response: These items have been reviewed and approved by the appropriate reviewer.
- 5. Reasonably protect persons and property from erosion, flood, fire, noise, glare, and similar adverse effects.** Staff Response: These items have been reviewed and approved by the appropriate reviewers.
- 6. For conditional use located within the East Austin Overlay district, comply with the goals and objectives of a Neighborhood Plan adopted by the City Council for the area in which the use is proposed.** Staff Response: This project is not within the East Austin Overlay.

**C. A Conditional Use Site Plan May Not:**

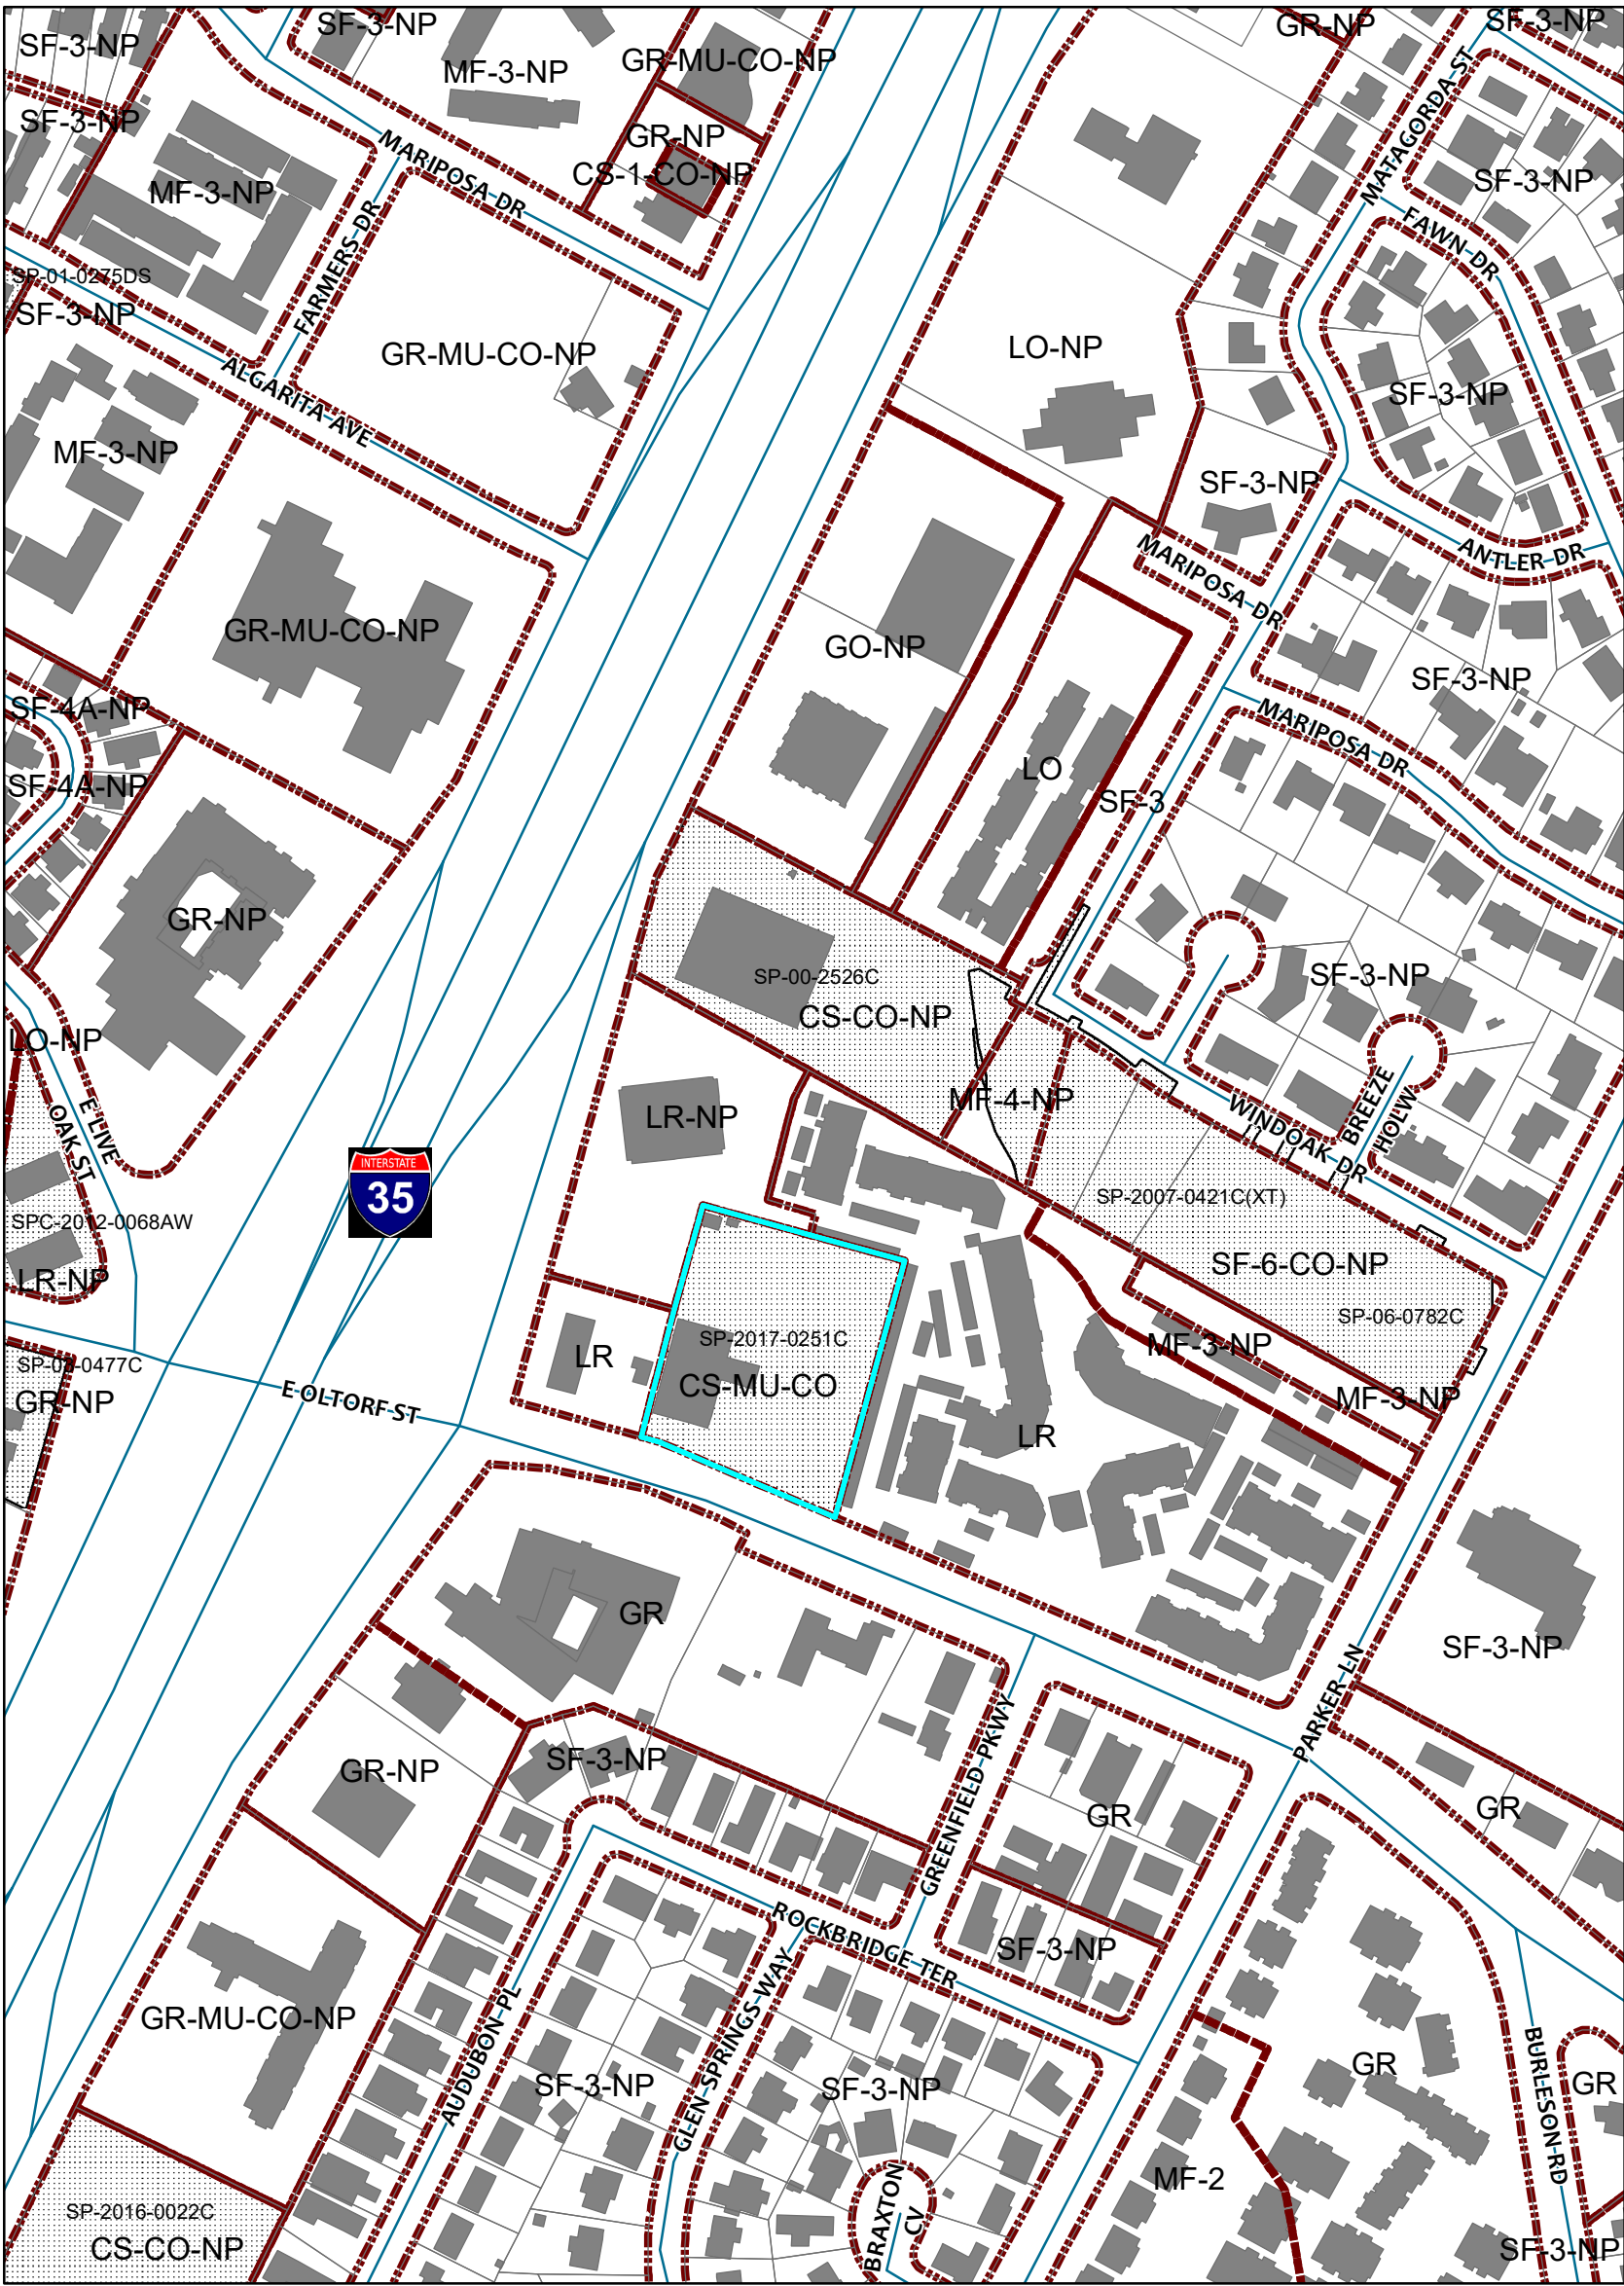

- 1. More adversely affect an adjoining site than would a permitted use;** Staff response: The site plan will not adversely affect any adjoining properties.
- 2. Adversely affect the safety or convenience of vehicular or pedestrian circulation, including reasonably anticipated traffic and uses in the area;** Staff response: The site plan is not anticipated to have any detriment of vehicular safety or convenience.

- 3. Adversely affects an adjacent property or traffic control through the location, lighting, or type of signs;** Staff response: All proposed signs will comply with the Land Development Code.
  - 4. For a large retail use described in Section 25-2-813 (Large Retail Uses), adversely affect the future redevelopment of the site.** Staff Response: The proposed use is not considered a large retail use.
- D.** A site plan may not adversely affect the public health, safety, or welfare, or materially injure property. If the Land Use Commission determines that a site plan has an adverse effect or causes a material injury under this subsection, the Land Use Commission shall identify the adverse effect or material injury.
