Subject: letter from the Castillos @ 1005 Shelley Ave

My wife Spring and I have lived at 1005 Shelley Ave since June of 2006. This is the property next door to Justin and Malavika's property at 1007 Shelley Ave.

The Sellers have been very proactive in reaching out to us to share their plans for 1007 Shelley. We have reviewed their architect's drawings and renderings. We have also had a chance to get to know each other over planned and unplanned visits.

We support their plans to build on the property. The plans are modest and considerate of the neighbors and neighborhood. We also appreciate and support their plans to preserve the existing home by moving to another homesite.

Feel free to contact us with any questions or concerns...regards, the Castillos
