The Director of Civil Service will generate a list of consultants, and will review that list with the Chief. The Chief shall also appoint three (3) members to serve on an Assessment Center Review Committee (“ACRC”), plus one (1) alternate. The ASSOCIATION shall also select three (3) individuals to serve on the ACRC and one (1) alternate. All ACRC members shall be selected from the tested rank or above. No ACRC member shall be eligible for a promotional process in which they served as a member. The ACRC shall meet and consider the list of consultants and recommend the Assessment Center Consultant from the list, subject to Council approval pursuant to CITY purchasing policies and procedures.

c) After the Assessment Center Consultant has been selected, the Consultant will orient the ACRC. The Consultant will confer with both the Chief and the ACRC on the needs or issues affecting the design of the Assessment Center. Any input from the ASSOCIATION will be summarized by the ACRC and made available to anyone who requests it. The Consultant shall make all final decisions concerning the design and implementation of the Assessment Center.

d) The Consultant will design the Assessment Center from among the following exercises:

In Basket
Problem Solving/Analysis
Written and Oral Resumes/Structured Interviews
Role Playing
Memo/Report Writing
Oral Presentation/Plan Preparation
Staff Meeting
Special Event/Operations

The consultant is not required to utilize all of the exercises, but may select the exercises or combine the listed exercises into one or more exercises that are best suited for the particular rank.

e) The Consultant also selects the assessors, who shall meet the following criteria:

(1) Shall not be related to any candidates for promotion;
(2) Shall not be known to, beyond mere acquaintance, any candidates for promotion;
(3) Shall have two (2) years of experience in the promoted or equivalent rank, and
(4) Shall not be a current or former employee of the City of Austin.

f) The Consultant shall conduct an orientation for candidates prior to administering the Assessment Center. The Consultant may deem the orientation mandatory, and all candidates must attend in order to participate, if it is declared mandatory. If the consultant deems an orientation to be mandatory, at least two (2) orientations shall be scheduled. If a mandatory orientation is scheduled during a candidate’s work time, he/she will be permitted to attend.

g) The assessors selected by the Consultant will assess the candidates for the rank. The assessors shall award up to one hundred (100) points to each candidate participating in the assessment.
Assessment Center. The assessment sessions will be videotaped, and candidates may review their own session pursuant to procedures established by the Director of Civil Service, provided that candidates are given up to four (4) hours, which may be provided in smaller increments of time, to review their assessment session. The Director of Civil Service shall make available blocks of time for candidates to review examination results from 8:00 a.m. to 5:00 p.m., and at least two (2) evening options until 10:00 p.m. shall be provided. However, these time periods need not be kept available or staffed unless the times are reserved in advance. Examination reviews will be conducted on the candidate’s off-duty time. Copies of the videotapes will not be given to the candidate. Nothing in the Assessment Center process may be appealed either to the Civil Service Commission, a Hearing Examiner, or to District Court.

h) To remain in the process, all candidates must complete the Assessment Center, which may be administered on the same day or consecutive days depending on the number of qualified applicants. There is no minimum passing score on the Assessment Center.

Section 11. Eligibility Lists

a) All promotional eligibility lists created under this Article shall be constructed, with the highest total score being ranked number one and descending in numerical order.

b) All promotional eligibility lists shall be valid for twenty-four (24) months from the date that the eligibility list is initially posted, even after termination of this AGREEMENT.

c) If a written promotional examination for a rank has been given prior to the expiration of this AGREEMENT, the promotional process for that rank may continue to completion, the expiration of this AGREEMENT notwithstanding, and the resulting eligibility list shall have a life of twenty-four (24) months from the eligibility list is initially posted. In the event of any occurrence which results in a change to the eligibility list, the changed list shall be effective on the day the original list was effective, even after termination of this AGREEMENT. In the event of a clerical or electronic error in computing the test scores, the expiration date of any promotional examination eligibility list may be amended by written agreement between the President of the ASSOCIATION and the City Manager.

Section 12. Appeals Criteria Committee

a) An Appeals Criteria Committee (ACC) shall determine the criteria for what may be appealed to the Civil Service Commission following all written promotional examinations. The ACC shall establish appeal criteria which will be used for all written examinations held during the term of this Agreement. The ACC, composed of seven (7) individuals, shall be appointed as follows:

(1) Three (3) members appointed by ASSOCIATION, each having taken at least one (1) promotional exam;
(2) Two (2) members appointed by the Chief, each having taken at least one (1) promotional exam;
(3) One (1) member appointed by the Director of Civil Service; and
(4) One (1) member appointed by the Chair of the Civil Service Commission.
b) A simple majority of the ACC shall approve the criteria. The Chief may reconvene the
ACC if, after an eligibility list has been established, it appears that clarification or modification of
the criteria is warranted. The criteria approved by the ACC shall not be appealable to either the
Civil Service Commission, a Hearing Examiner, or to District Court.

Section 13. Appeal Process after Written Examination

Within 72 hours after a promotional examination is held, the Commission shall post the
individual raw scores. Any candidate who has taken a written promotional examination may,
within seven (7) City of Austin business days of the posting of the written promotional exam
results, review his/her examination results. The process shall be established by the Director of
Civil Service; provided, however, that each candidate who has taken a promotional examination
may have up to four (4) hours to review his/her examination, write, and submit the appeal, if any,
which must be based on the appeal criteria approved by the ACC. Once an appeal is filed, it shall
be assigned a number and processed anonymously. The candidate may obtain a copy of his or her
appeal. The Director of Civil Service shall make available blocks of time for candidates to review
examination results from 8:00 a.m. to 5:00 p.m., and evening options until 10:00 p.m. shall be
provided. However, these time periods need not be kept available or staffed unless the times are
reserved in advance. Examination reviews will be conducted on the candidate’s off-duty time. There
will be no appeal to the Civil Service Commission, a Hearing Examiner, or to District Court
of any facet of the examination review process.

Section 14. Review by Employee Review Committee

a) An Employee Review Committee (ERC) will be appointed to screen written examination
appeals to the Civil Service Commission, applying the criteria established by the ACC to determine
which appeals should be rejected because they do not meet the criteria. Assuring for diversity as
is practical and possible the ERC shall be comprised of five (5) members as follows:

   (1) Four (4) members of the rank of the promotional exam or higher, two (2) each
       appointed by the ASSOCIATION and the Chief; and

   (2) One (1) member appointed by the Director of Civil Service.

b) Appeals may advance from the ERC to the Civil Service Commission by a vote of a
simple majority of the ERC. The ERC will not make any statement, assertion, or recommendation
regarding the validity of an appeal or subsequent Civil Service Commission action. There will be
no appeal to the Civil Service Commission, a Hearing Examiner, or to District Court of the ERC's
examination appeal determinations or from the Civil Service Commission's written examination
appeal decisions.

Section 15. Time Limit to Fill Vacant Positions

It is expressly understood and agreed that during the term of this AGREEMENT, the
provisions in Chapter 143.036(d) and (e) and 143.014(f) of the Local Government Code
prescribing time limits for filling vacancies shall be expanded to one hundred and twenty (120)
calendar days after the date the vacancy occurs. This Section shall only apply to the filling of
vacancies in the following classifications:

Amendment to 2013-2017 Meet & Confer Agreement
Section 16. Committee on the Assessment Center Process

The CITY and the ASSOCIATION shall each appoint two (2) persons to a committee that shall schedule a meeting with the participants in each Assessment Center process to discuss the strengths and weaknesses perceived by the participants, after completion of the process. The Committee may recommend changes in the procedures set out in this Agreement.

Section 17. Military Promotions/Demotions

The following changes are made to Sections 143.036 and 143.072 of the Texas Local Government Code:

a) When a Medic is promoted as the result of a vacancy created by a military leave of absence, and the Medic on military leave returns to active duty in the Department, the person who filled the most recent vacancy at that rank shall be the one who is demoted to the next lowest classification and placed on a reinstatement list, with such rights as prescribed in this Article.

b) The same result applies to all other promotions in lower ranks which resulted from the first promotion and subsequent demotion.

c) All other provisions of Sections 143.036 and 143.072 not specifically changed by this Agreement shall remain in effect.

Section 18. Vacancy Created by Indefinite Suspension

a) Notwithstanding any provision in this Article or any provision in Local Government Code Chapter 143, an indefinite suspension of a Medic (despite any pending appeal) shall create a vacancy, but shall not expand the size of the classified service. In the event that an indefinite suspension is overturned on appeal and the Medic is reinstated to active duty in the Department, the person who filled the most recent vacancy at that rank shall be the one who is demoted to the next lowest classification and placed on a reinstatement list, with such rights as prescribed in this Article.

b) The same result applies to all other promotions in lower ranks which resulted from the first promotion and subsequent demotion.

Section 19. Failure to Timely Credential after Promotion or Crossover Transfer

a) If a person fails to credential to unrestricted status by the Medical Director within the established time period following a crossover promotion or crossover transfer, the person shall be demoted to the position held at the time of the promotion or transfer. A demotion under this Section shall not expand the size of the classified service.

b) If a vacancy exists in the classification to which a person is demoted under this Section,
the person shall fill the vacancy. If no vacancy exists, the person who filled the most recent
vacancy at that classification shall be the one who is demoted to the next lowest classification and
placed on a reinstatement list, with such rights as prescribed in this Article.

c) The same result applies to all other promotions in lower ranks that resulted from the first
promotion and subsequent demotion.

d) A demotion under this Section shall not be appealable either to the Civil Service
Commission, a Hearing Examiner, or to District Court.

Section 20. Reinstatement List

a) There shall be only one reinstatement list for each classification for persons demoted by
virtue of Sections 17, 18 and 19 of this Article.

b) Any person placed on a reinstatement list pursuant to Section 17, 18 and 19 of this Article
shall remain on the list indefinitely.

c) Persons on the list shall be entitled to reinstatement to the classification from which they
were demoted in the same order as the demotion occurred, which results in the last demoted at that
rank being the first reinstated. Reinstatements must occur off of the reinstatement list for that
classification before any promotions from a promotional eligibility list. Until such reinstatements
occur and the reinstatement list is exhausted, there shall be no “vacancy” created at that
classification for the purpose of any promotional eligibility list.

d) Except for persons eligible for reinstatement at an entry classification, time spent on a
reinstatement list shall not be considered a break in service for civil service purposes, including,
but not limited to eligibility for future promotional examinations. Reinstatement is subject to
successful completion of the OMD re-credentialing process.

Section 21. Effect on Current Eligibility Lists

It is expressly understood and agreed that the promotional process set out in this Article shall
not apply to persons in a promotional process initiated prior to the effective date of this Agreement,
and shall not extend the expiration date of an existing Eligibility List.

Section 22. Effect of Contract Expiration

The provisions of this Article shall remain in full force and effect after expiration of this
AGREEMENT as to:

a) All promotional eligibility lists created during this AGREEMENT; and

b) All reinstatement lists created pursuant to this Article.

PART D. EMT-P CERTIFICATION PROGRAM

Amendment to 2013-2017 Meet & Confer Agreement
Section 23. Purpose

The EMT-P Certification Program (the “Certification Program”) established by this Article promotes the City’s goals of improving customer service and investing in the workforce by providing assistance to employees who take ATCEMS career-enhancing courses designed to obtain Texas Department of State Health Services (TDSHS) certification as an Emergency Medical Technician-Paramedic (EMT-P).

Section 24. Definitions

In Part D of this Article:

a) “Emergency Medical Technician-Paramedic” or “EMT-P” shall have the same meaning as provided by the Texas Administrative Code, Title 25, Part 1, Chapter 157, Subchapter A, Rule 157.2 (35).

b) “Emergency Medical Technician-Paramedic certification” or “EMT-P certification” means certification by the Texas Department of State Health Services at the EMT-P level.

c) “Certification Program” means a Department designated program of course work and field/clinical experience required by the current national paramedic education standards and competencies in the National EMS Education Standards, as defined by DOT, to become eligible for certification as an EMT-P.

d) “Tuition cost” means the cost per student, as determined by the Department, of the Certification Program.

Section 25. Eligibility Requirements

a) This Certification Program is available to all Medics that:

(1) Have successfully completed their probationary period,

(2) Have a current EMT or EMT-I certification from the TDSHS or current EMT, EMT-I or AEMT certification from the National Registry, and

(3) Have not obtained TDSHS or National Registry certification as an Emergency Medical Technician-Paramedic or Licensed Paramedic.

b) Notwithstanding subsection (a), this Certification Program is not available to any Medic that:

(1) Has received a disciplinary suspension in the six (6) months immediately preceding the date of the Certification Program, or

(2) Has a Modified Credential Status by the Office of Medical Director.

c) Eligible Medics who apply for placement in the Certification Program shall take an assessment test developed by the Department. Medics shall be placed on the eligibility list in numerical order of each Medic’s raw score from the assessment test, with the highest score being first on the list. There shall be no cut score. In the event of a tie placement on the list shall be based on tenure in the Department. The Department may develop additional tiebreakers if
necessary. Each eligibility list created for placement in the Certification Program shall be effective only for that Certification Program.

Section 26. The Certification Program

a) The Department will conduct at least one (1) Certification Program prior to the expiration date of this Agreement. Participation in the Certification Program is voluntary and shall not be counted as on-duty regular hours. A participating Medic shall not be compensated for time spent outside of on-duty regular work hours in connection with the Certification Program.

b) This Article shall apply only to a Certification Program designated by the Department.

c) The number of participants in the designated Certification Program shall not exceed fifteen (15) Medics per fiscal year.

Section 27. Two Year Service Requirement and Tuition Cost Reimbursement

a) Requirements for continued service with the CITY are an assurance that the CITY will benefit from employee participation in this Certification Program. A two (2) year service requirement begins on the date the Medic begins the Certification Program.

b) If a Medic leaves employment with the Department for any reason, other than a compensable line of duty injury or illness, before the Medic’s service requirement is completed, the Medic must reimburse the CITY all or part of the Certification Program tuition cost in one of the following ways:

1. If the Medic has worked for the less than one year of the service requirement, the Medic shall reimburse the CITY the full amount of the Medic’s tuition cost.

2. If the Medic has worked at least one year, but less than two years, of the service requirement, the Medic will reimburse the CITY 50% of the amount of the Medic’s tuition cost.

3. Each Medic shall be provided in writing the amount of the tuition cost at least 14 days before the Medic begins the Certification Program.

A Medic who is reinstated from an indefinite suspension by the Civil Service Commission, a Hearing Examiner, or final court order shall not be required to reimburse the City for any amount of the Medic’s tuition cost.

c) If a Medic fails to successfully complete the Certification Program, the Medic shall reimburse the CITY the full amount of the Medic’s tuition cost.

d) If a separation of service or termination of employment occurs (voluntary or involuntary) and a reimbursement amount is owed by the Medic, and the Medic does not otherwise repay the amount, the Medic agrees to have the reimbursement amount deducted from the Medic's paycheck(s) and/or monies owed for accumulated benefits that are paid after the termination decision occurs. To facilitate such payment on the part of the Medic, he/she shall submit, at the
time the Medic begins the Certification Program, a signed payroll deduction agreement authorizing the above deductions. The failure to submit a payroll deduction agreement shall not waive the CITY’S right to reimbursement.

e) A service requirement is not an assurance of continued employment by the City.

Section 28. Medic Work and Certification Program Schedules

The Certification Program will typically be scheduled during non-working hours. If a Certification Program schedule would interfere with the Medic’s work schedule, the Department will attempt to accommodate the Medic’s work and Certification Program schedule subject to the operational and staffing needs of the Department. Final approval for flexible scheduling will be at the discretion of the Chief.

Section 29. Continuing Education

a) Mutual Interest

The ASSOCIATION and the CITY share a mutual interest in the continuing education of EMS personnel for quality improvement, operational needs, changes in the practice of medicine and recertification of licenses. Both Parties recognize that the creation, planning, development and delivery of continuing education is a management right.

b) National Registry EMT Recertification

The Department is committed to continuing to provide a curriculum consistent with National Registry EMT recertification of its personnel. To that end and consistent with the continuing education curriculum implemented in FY 2015-2016, the Department will include continuing education that meets recertification requirements for National Registry EMT in FY 2016-2017. Not all recertification courses will be offered per fiscal year and the City shall not be required to meet the recertification timing needs of any individual Medic. At the Department’s discretion, such courses may be included in the Department’s mandatory continuing education or may be offered on a voluntary basis. The Department will provide at least two National Standards courses during the Department’s mandatory continuing education. If offered on a voluntary basis, time spent outside of on-duty regular work hours in connection with these courses shall not be counted as on-duty regular hours and a participating Medic shall not be compensated for such hours.
AMENDMENT SECTION 2:

Article 13 of the AGREEMENT is hereby amended to read as follows:

ARTICLE 13
HIRING PROCESSES

Part A. Application of Chapter 143 Processes

The ASSOCIATION, recognizing the CITY’S need for flexibility in the hiring process, hereby agrees to the deviations from Chapter 143 hiring procedures specifically authorized by this Article. Except as allowed by this Article, the CITY will comply with the hiring procedures specified in Chapter 143, and retains all prerogatives granted to it by the statutory procedures.

Part B. Initial Hiring Process

Section 1. Submission of Proper Application

a) In order to be considered for the position of Medic I each applicant must first submit a proper application as defined by the Department. A proper application shall include, but not be limited to, information on personal history, criminal history, driving record and age. The information submitted shall be used by the Department to determine whether the applicant meets the minimum qualifications to proceed to the testing phase of the process.

b) The Chief shall establish the eligibility requirements for applicants for the position of Medic I, consistent with Chapter 143 and this Agreement.

Section 2. Screening and Testing of Applicants

a) The Chief will develop and implement the screening and testing procedures used to determine whether an applicant will be offered a position as a Medic I in an EMS Academy. The screening and testing procedures will include, at a minimum, a structured Oral Interview Board and a background investigation. Nothing in this Agreement or in Chapter 143 will restrict the nature of the tests administered to applicants or the procedures used to administer those tests.

b) Applicants who successfully complete all of the screening and testing procedures will be placed on an eligibility list per Department policy. Applicants on the eligibility list may be offered a position as a Medic I in an EMS Academy.

c) Each eligibility list created as a result of the process described in this Section shall remain effective for twenty-four (24) months after certification by the Director of Civil Service or his or her designee.
Section 3. Internship Program

The Department may create and implement an Internship Program for individuals who are interested in becoming a Medic I. Anyone admitted into the Internship Program must pass the same screening and testing procedures as applicants for the position of Medic I, either at the beginning or at the end of their participation in the Program. The duration of the Internship Program will be at least the equivalent of a college semester. Any intern who successfully completes the Internship Program shall be placed at the top of the current or next eligibility list for hire as a Medic I. Up to fifty percent (50%) of each Academy class may consist of interns who successfully completed the Internship Program.

Section 4. Effect on Present Medic I Classes

It is specifically understood and agreed that the hiring process set out in this Agreement shall not apply to persons hired before the effective date of this Agreement.

Section 5. Probationary Period

The “at will” probationary period of individuals filling beginning positions in the EMS Department shall begin, under this Agreement, on the date the Medic I is hired and shall end at the expiration of twelve (12) months. Any leave taken by a probationary Medic I, including but not limited to injury leave, FMLA leave, or sick leave, shall extend this probationary period by the length of the leave taken. (Approved vacation leave, other than FMLA, will not so extend the probationary period.)

Part C. Modified Hiring Process

Section 1. Applicability

a) Field Division

The Modified Hiring Process for the Field Division applies only to the hiring of individuals that, as of their date of their application, have a current Texas Department of State Health Services certification as an Emergency Medical Technician-Paramedic or Licensed Paramedic.

b) Communications Division

The Modified Hiring Process for the Communications Division applies only to the hiring of individuals that have 911 communications experience.

Section 2. Eligibility Requirements

a) Except as noted within this Article:

(1) The Chief shall establish the eligibility requirements for applicants for the Modified Hiring Process.

Amendment to 2013-2017 Meet & Confer Agreement
(2) The requirements need not be the same as those established by Chapter 143 or those applicable to applicants for the position of Medic I, except as noted within this Article.

b) The Chief or the Chief’s designee may, at his or her sole discretion, deny the application of any applicant for the Modified Hiring Process and may determine whether a particular applicant meets the eligibility requirements in accordance with the provisions in this Article.

Section 3. Selection and Placement

a) The Chief shall establish the selection criteria and procedures for the Modified Hiring Process. The criteria need not be the same as those established by Chapter 143 or those applicable to applicants for the position of Medic I in the Department’s regular Academy. Applicants who meet the selection criteria and procedures may be hired without being placed on an eligibility list.

b) Upon hire, the applicant will be placed in the position of Medic I regardless of any rank or position the individual previously held in another agency.

Section 4. Modified Hiring, Training and Probation

a) The Chief shall establish the training requirements for individuals hired through the Modified Hiring Process. All individuals hired through the Modified Hiring Process must successfully complete the training established by the Chief.

b) Each individual hired through the Modified Hiring Process shall successfully complete a probationary period of at least twelve (12) months from date of hire.

Section 5. Civil Service Status

a) An individual who successfully completes the probationary period will become a full-fledged civil service employee with civil service protection. Until completion of probation, each Medic I hired through this Modified Hiring Process is an at-will employee who may be discharged by the Chief at any time, without right of appeal.

b) Until completion of probation, a Medic I hired through the Modified Hiring Process is excluded from the coverage of discipline or grievance Articles in this Agreement.

Section 6. Pay and Seniority

a) The beginning pay rate for each Medic I hired through the Modified Hiring Process shall be that of a Medic I with two (2) years’ experience in the Department.

b) Regardless of the pay rate established for each Medic I hired through the Modified Hiring Process, seniority for purposes of longevity pay shall begin on the date of hire as a Medic I with the Department.

c) Movement through the pay schedule shall not take into account initial placement in the step plan, but shall only be based on time in service.
Section 7. Promotional Eligibility

A Medic I hired through the Modified Hiring Process must meet the same promotional eligibility requirements as a Medic I hired through the Department’s regular initial hiring process.

Section 8. Implementation

The Modified Hiring Process described by this Article may be used at any time, for any number of applicants, as authorized by the Chief.

Part D. Additional Provisions

Section 1. Benefit of the Bargain

The ASSOCIATION and the CITY share the goal of recruiting and hiring the most qualified applicants to become Medic I personnel. The parties agree that the degree of flexibility incorporated into this Article is of benefit to both parties.

Section 2. Effect of Contract Expiration

The provisions of this Article shall remain in full force and effect after expiration of this Agreement as to:

a) Any hiring process which has been commenced in substantial reliance upon the provisions of this Article;

b) The length of the “at will” probationary period for individuals in that status prior to the expirations of this Agreement;

c) Any eligibility list created under the terms of this Article will remain in effect for 24 months, notwithstanding the expiration of this Agreement;

d) Any interns who are participating in the Internship Program at the expiration of this Agreement may be placed at the top of the first eligibility list created after expiration of this Agreement.

Section 3. Preemption

Nothing in this Article shall prevent the CITY from complying with any provision of federal law in connection with the hiring process.
AGREED:
