Additional Backup Information:

On February 1, 2018, the City Council approved a rezoning ordinance on all three readings that rezoned one lot located at 4310 James Casey Street.

The legal description contained in the ordinance identifies the subdivision as the “Constancio” subdivision, although the correct reference should be “James Casey Garden Medical Center” subdivision.

The proposed amendment to the adopted Zoning Ordinance (No. 20180201-114) will correct the subdivision reference from “Constancio” to “James Case Garden Medical Center.”
