7.5.2.1 Contractor is subject to City Code chapter 2-11 (Records Management), and as it may subsequently be amended. For purposes of this subsection, a Record means all books, accounts, reports, files, and other data recorded or created by a Contractor in fulfillment of the Contract whether in digital or physical format, except a record specifically relating to the Contractor's internal administration.

7.5.2.2 All Records are the property of the City. The Contractor may not dispose of or destroy a Record without City authorization and shall deliver the Records, in all requested formats and media, along with all finding aids and metadata, to the City at no cost when requested by the City.

7.5.3 The Contractor shall include sections 7.5.1 and 7.5.2 above in all subcontractor agreements entered into in connection with this Contract.

7.6 **Stop Work Notice.** The City may issue an immediate Stop Work Notice in the event the Contractor is observed performing in a manner that is in violation of Federal, State, or local guidelines, or in a manner that is determined by the City to be unsafe to either life or property. Upon notification, the Contractor will cease all work until notified by the City that the violation or unsafe condition has been corrected. The Contractor shall be liable for all costs incurred by the City as a result of the issuance of such Stop Work Notice.

7.7 **Indemnity.**

7.7.1 Definitions:

7.7.1.1 "Indemnified Claims" shall include any and all claims, demands, suits, causes of action, judgments and liability of every character, type or description, including all reasonable costs and expenses of litigation, mediation or other alternate dispute resolution mechanism, including attorney and other professional fees for:

7.7.1.1.1 damage to or loss of the property of any person (including, but not limited to the City, the Contractor, their respective agents, officers, employees and subcontractors; the officers, agents, and employees of such subcontractors; and third parties); and/or;

7.7.1.1.2 death, bodily injury, illness, disease, worker's compensation, loss of services, or loss of income or wages to any person (including but not limited to the agents, officers and employees of the City, the Contractor, the Contractor's subcontractors, and third parties),

7.7.1.2 "Fault" shall include the sale of defective or non-conforming deliverables, negligence, willful misconduct, or a breach of any legally imposed strict liability standard.

7.7.2 THE CONTRACTOR SHALL DEFEND (AT THE OPTION OF THE CITY), INDEMNIFY, AND HOLD THE CITY, ITS SUCCESSORS, ASSIGNS, OFFICERS, EMPLOYEES AND ELECTED OFFICIALS HARMLESS FROM AND AGAINST ALL INDEMNIFIED CLAIMS DIRECTLY ARISING OUT OF, INCIDENT TO, CONCERNING OR RESULTING FROM THE FAULT OF THE CONTRACTOR, OR THE CONTRACTOR'S AGENTS, EMPLOYEES OR SUBCONTRACTORS, IN THE PERFORMANCE OF THE CONTRACTOR'S OBLIGATIONS UNDER THE CONTRACT. NOTHING HEREIN SHALL BE DEEMED TO LIMIT THE RIGHTS OF THE CITY OR THE CONTRACTOR (INCLUDING, BUT NOT LIMITED TO, THE RIGHT TO SEEK CONTRIBUTION) AGAINST ANY THIRD PARTY WHO MAY BE LIABLE FOR AN INDEMNIFIED CLAIM.

7.8 **Claims.** If any claim, demand, suit, or other action is asserted against the Contractor which arises under or concerns the Contract, or which could have a material adverse affect on the Contractor's ability to perform thereunder, the Contractor shall give written notice thereof to the City within ten (10) calendar days after receipt of notice by the Contractor. Such notice to the City shall state the date of notification of any such claim, demand, suit, or other action; the names and addresses of the claimant(s); the basis thereof; and the name of each person against whom such claim is being asserted. Such notice shall be delivered personally or by mail and shall be sent to the City and to the Austin City Attorney. Personal delivery to the City Attorney shall be to City Hall, 301 West 2nd Street, 4th Floor, Austin, Texas 78701, and mail delivery shall be to P.O. Box 1088, Austin, Texas 78767.

7.9 **Notices.** Unless otherwise specified, all notices, requests, or other communications required or appropriate to be given under the Contract shall be in writing and shall be deemed delivered three (3) business days after postmarked if sent by U.S. Postal Service Certified or Registered Mail, Return Receipt Requested. Notices delivered by other means shall be deemed delivered upon receipt by the addressee. Routine communications may be made by first class mail, telefax, or other commercially accepted means. Notices to the City and the Contractor shall be addressed as follows:

To the City:

City of Austin, Purchasing Office

ATTN: John Hilbun, Contract Administrator

P O Box 1088

Austin, TX 78767

To the Contractor:

IDEXX Laboratories

ATTN: Sheri Clement, Contract Manager

P.O. Box 615

Westbrook, ME 04098-0615

7.10 **Confidentiality.** In order to provide the deliverables to the City, Contractor may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). Contractor acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Contract, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate

protective order. The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

7.11 **Advertising.** The Contractor shall not advertise or publish, without the City's prior consent, the fact that the City has entered into the Contract, except to the extent required by law.

7.12 **No Contingent Fees.** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

7.13 **Gratuities.** The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.

7.14 **Prohibition Against Personal Interest in Contracts.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.

7.15 **Independent Contractor.** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.

7.16 **Assignment-Delegation.** The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Contract.

7.17 **Waiver.** No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

7.18 **Modifications.** The Contract can be modified or amended only in writing signed by both parties. No pre-printed or similar terms on any Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

7.19 **Interpretation.** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

7.20 Dispute Resolution.

7.20.1 If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

7.20.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

7.21 Minority And Women Owned Business Enterprise (MBE/WBE) Procurement Program.

7.21.1 All City procurements are subject to the City's Minority-Owned and Women-Owned Business Enterprise Procurement Program found at Chapters 2-9A, 2-9B, 2-9C and 2-9D of the City Code. The Program provides Minority-Owned and Women-Owned Business Enterprises (MBEs/WBEs) full opportunity to participate in all City contracts.

7.21.2 The City of Austin has determined that no goals are appropriate for this Contract. **Even though no goals have been established for this Contract, the Contractor is required to comply with the City's MBE/WBE Procurement Program, Chapters 2-9A, 2-9B, 2-9C and 2-9D, of the City Code, as applicable, if areas of subcontracting are identified.**

7.21.3 If any service is needed to perform the Contract and the Contractor does not perform the service with its own workforce or if supplies or materials are required and the Contractor does not have the supplies or materials in its inventory, the Contractor shall contact the Department of Small and Minority Business Resources (DSMBR) at (512) 974-7600 to obtain a list of MBE and WBE firms available to perform the service or provide the supplies or materials. The Contractor must also make a Good Faith Effort to use available MBE and WBE firms. Good Faith Efforts include but are not limited to contacting the listed MBE and WBE firms to solicit their interest in performing on the Contract; using MBE and WBE firms that have shown an interest, meet qualifications, and are competitive in the market; and documenting the results of the contacts.

7.22 Subcontractors.

7.22.1 If the Contractor identified Subcontractors in an MBE/WBE Program Compliance Plan or a No Goals Utilization Plan, the Contractor shall comply with the provisions of Chapters 2-9A, 2-9B, 2-9C, and 2-9D, as applicable, of the Austin City Code and the terms of the Compliance Plan or Utilization Plan as approved by the City (the "Plan"). The Contractor shall not initially employ any Subcontractor except as provided in the Contractor's Plan. The Contractor shall not substitute any Subcontractor identified in the Plan, unless the substitute has been accepted by the City in writing in accordance with the provisions of Chapters 2-9A, 2-9B, 2-9C and 2-9D, as applicable. No acceptance by the City of any Subcontractor shall constitute a waiver of any rights or remedies of the City with respect to defective deliverables provided by a Subcontractor. If a Plan has been approved, the Contractor is additionally required to submit a monthly Subcontract Awards and Expenditures Report to the Contract Manager and the Purchasing Office Contract Compliance Manager no later than the tenth calendar day of each month.

7.22.2 Work performed for the Contractor by a Subcontractor shall be pursuant to a written contract between the Contractor and Subcontractor. The terms of the subcontract may not conflict with the terms of the Contract, and shall contain provisions that:

7.22.2.1 require that all deliverables to be provided by the Subcontractor be provided in strict accordance with the provisions, specifications and terms of the Contract.

7.22.2.2 prohibit the Subcontractor from further subcontracting any portion of the Contract without the prior written consent of the City and the Contractor. The City may require, as a condition to such further subcontracting, that the Subcontractor post a payment bond in form, substance and amount acceptable to the City;

7.22.2.3 require Subcontractors to submit all invoices and applications for payments, including any claims for additional payments, damages or otherwise, to the Contractor in sufficient time to enable the Contractor to include same with its invoice or application for payment to the City in accordance with the terms of the Contract;

7.22.2.4 require that all Subcontractors obtain and maintain, throughout the term of their contract, insurance in the type and amounts specified for the Contractor, with the City being a named insured as its interest shall appear; and

7.22.2.5 require that the Subcontractor indemnify and hold the City harmless to the same extent as the Contractor is required to indemnify the City.

7.22.3 The Contractor shall be fully responsible to the City for all acts and omissions of the Subcontractors just as the Contractor is responsible for the Contractor's own acts and omissions. Nothing in the Contract shall create for the benefit of any such Subcontractor any contractual relationship between the City and any such Subcontractor, nor shall it create any obligation on the part of the City to pay or to see to the payment of any moneys due any such Subcontractor except as may otherwise be required by law.

7.22.4 The Contractor shall pay each Subcontractor its appropriate share of payments made to the Contractor not later than ten (10) calendar days after receipt of payment from the City.

7.23 **Jurisdiction And Venue.** The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

7.24 **Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

7.25 **Holidays.** The following holidays are observed by the City:

<u>Holiday</u>	<u>Date Observed</u>
New Year's Day	January 1
Martin Luther King, Jr.'s Birthday	Third Monday in January

7.26 Survivability of Obligations. All provisions of the Contract that impose continuing obligations on the parties, including but not limited to the warranty, indemnity, and confidentiality obligations of the parties, shall survive the expiration or termination of the Contract.

7.27 Non-Suspension or Debarment Certification. The City of Austin is prohibited from contracting with or making prime or sub-awards to parties that are suspended or debarred or whose principals are suspended or debarred from Federal, State, or City of Austin Contracts. By accepting a Contract with the City, the Vendor certifies that its firm and its principals are not currently suspended or debarred from doing business with the Federal Government, as indicated by the General Services Administration List of Parties Excluded from Federal Procurement and Non-Procurement Programs, the State of Texas, or the City of Austin.

SCHEDULE A-1

IDEXXCARE PLUS

This schedule applies to your IDEXXCare Plus coverage

below terms. By signing an order form or accepting the services, you agree to the

1. Covered Products.

IDEXXCare Plus covers those IDEXX in-house diagnostic instruments and digital imaging products specified on your order form or invoice.

2. IDEXX's Extended Support Commitment.

2.1 If your covered in-house diagnostic instrument or digital imaging product (other than the related IDEXX Software) does not conform to IDEXX's published Documentation during the Term, IDEXX will, at IDEXX's option, either repair or replace it with new parts or equipment, or serviceable used parts or equipment, that are equivalent or superior to new parts in performance.

2.2 If your related IDEXX Software does not conform to IDEXX's published Documentation during the Term, IDEXX will attempt to modify it or make it conforming.

2.3 IDEXX will fulfill its obligations under this Section pursuant to its Support Guidelines described herein and subject to the exclusions provided herein; *provided* that IDEXX reserves the right to refuse to provide service to you if you are in breach of any provisions in this IDEXXCare Plus schedule or if your account for any IDEXX product or service is delinquent.

3. Support Guidelines.

3.1 IDEXX will provide support during normal business hours at IDEXX service locations, except holidays. You must make any claim within the applicable coverage period. In case of malfunction, you must first contact IDEXX Customer Support by telephone at IDEXX's number provided in your product Documentation. IDEXX telephone support is available 24 hours a day, seven days per week, except holidays. IDEXX's support personnel will guide you in your attempt to correct your reported problems. If telephone or electronic support (as described in Sections 3.2 and 3.3) is not successful, IDEXX will provide you with further instructions. IDEXX has no obligation to provide on-site service; if it is necessary to return the product, you must do so to IDEXX's designated facility for examination. Products may not be returned unless IDEXX has issued you a Return Material Authorization ("RMA") prior to the return. Shipping costs for authorized returns to and from IDEXX authorized facilities are payable by IDEXX. You are responsible for costs associated with unauthorized returns, and for returns not covered by IDEXXCare Plus. Shipping costs and repairs for products returned without an approved RMA are payable by you, and repairs for such products will be billed at IDEXX's then-standard rates for such work. All parts and products subject to exchange for different parts and products from IDEXX become the property of IDEXX.

3.2 If you wish to receive electronic support on instruments for which such support is available, you must maintain an electronic link-up with IDEXX as IDEXX may direct from time to time. IDEXX will ship you loaner equipment if IDEXX elects to repair rather than replace your equipment and the time required to complete repairs exceeds 72 hours from receipt at IDEXX's repair facility, or otherwise at IDEXX's sole discretion. You shall pack and return-

ship to IDEXX the malfunctioning equipment the next business day after your receipt of loaner equipment. IDEXX will ship you the repaired equipment and you shall pack and return-ship the loaner equipment to IDEXX within two (2) business days after your receipt of the repaired equipment. If IDEXX elects to replace your equipment, IDEXX will ship you a replacement unit within 24 hours, during normal business hours, Monday-Friday, excluding holidays. You shall pack and return-ship IDEXX the malfunctioning equipment within two business days after your receipt of the replacement equipment. Delayed returns are subject to daily rental charges at IDEXX's then-current rate.

3.3 For software products, IDEXX will use reasonable commercial efforts to: (1) report, track and monitor problems via the Internet, if available, (2) determine, verify and resolve problems by telephone on a callback basis during normal business hours at IDEXX's service locations, Monday-Friday, except holidays, (3) attempt to resolve nonconformities in a time frame reasonably proportionate, in IDEXX's judgment, to the severity of the problem, and (4) provide periodic modifications that IDEXX otherwise makes generally available to other supported customers free of charge. IDEXX will provide support only for the two (2) most current release versions of the Software. At IDEXX's option, you may be required to upgrade to the then-current version of the Software. If you have a networked installation, and if a system malfunction occurs, you are responsible for contacting your network support provider first to determine that the issue is not due to network problems before contacting IDEXX for product support. On-site support is not included.

4. Your Obligations.

You must take reasonable care of the products, maintain them in a clean and appropriate environment and carry out the routine maintenance recommended by IDEXX in the applicable Documentation, including user guides, or otherwise communicated to you from time to time. You must provide reasonable supporting data to help identify reported problems. You must promptly install new release versions of Software that IDEXX may periodically send you, and you must upgrade its operating system software as IDEXX may periodically recommend. You must treat any software patch, update, upgrade, modification or other enhancement that IDEXX may provide as "software" under your original license from us and use them only as permitted by that license. When IDEXX issues a software update, if your existing hardware does not meet minimum requirements to support that update, you will be responsible for updating your hardware; provided, however, that in certain circumstances IDEXX may choose, at IDEXX's sole discretion, to provide updated IDEXX VetLab Station hardware to you.

5. Exclusions for Improper Use; Other Exclusions.

5.1 IDEXX cannot assure you of the performance of IDEXX products if your use of such products is not in strict compliance with IDEXX product instructions, if you use them on or in conjunction with products or services not provided and configured by IDEXX, or if you install any Software applications on IDEXX products, other than those applications approved by IDEXX, including without limitation, drivers for printers or other devices. Failure to use only

IDEXX authorized products or services in or on your products voids your IDEXXCare Plus coverage and IDEXX's obligations to you.

5.2 IDEXX's obligations under IDEXXCare Plus do not cover damage resulting from any causes external to IDEXX products, such as negligence or improper use or handling; casualty; external electrical fault; failure to follow packing or shipping instructions; use of unauthorized products in conjunction with our products; computer viruses, spyware, malware, worms or other harmful programs; or repairs or modifications made by anyone other than IDEXX or its authorized service providers. IDEXX will repair normal wear-and-tear damage only to the extent required for proper functioning of equipment; cosmetic damage is not covered.

5.3 Except as expressly set forth in this Section, IDEXX's obligations under IDEXXCare Plus do not cover expendable or consumable parts included with covered products, such as fuses, batteries, bulbs, cables, power cords, adaptors, pipettors, calibrators, print heads, keyboards, mice, ribbons, tapes, CDs, IDEXX I-Vision CR and IDEXX-CR 1417 cassettes and cassette assemblies or other supplies or media, or third-party products, such as printers or non-IDEXX software, all of which are provided to you on an "AS IS" basis. Third-party product suppliers may provide their own warranties or extended support coverage. VetLyte Electrolyte Analyzer gold level coverage includes coverage on electrodes, electrode housings, tubing sets and cleaning and conditioning solutions.

5.4 If IDEXX determines that the reported problem is not covered under IDEXXCare Plus, you must reimburse IDEXX for the costs of equipment shipping, and IDEXX will attempt to repair/replace the product at your cost, at its then-standard rates for such work, or return it to you at your instructions and cost; in such case you will also return any loaner or replacement equipment to IDEXX at your cost.

6. Maintenance Fees and Renewal Terms.

If IDEXX has authorized you to pay in installments, such arrangement is an accommodation to you, and you remain obligated to pay the entire fee for the Term. If you order additional products, your maintenance fee may increase. The maintenance fee for any Renewal Term will be IDEXX's then-current fee. IDEXX may invoice you for Renewal Terms before the current Term expires. If IDEXX does not receive payment of the maintenance fee in accordance with IDEXX's invoices to you, or before the beginning of the Initial Term or any Renewal Term, then IDEXX reserves the right to terminate IDEXXCare Plus coverage immediately, including any IDEXX warranty or support obligations to you.

7. Coverage Gaps and Inspections.

If your equipment is not under warranty or currently under IDEXXCare Plus coverage, IDEXX may at IDEXX's option require an inspection of your equipment before IDEXX agrees to provide IDEXXCare Plus coverage (a "Warranty Inspection"). IDEXX may charge you IDEXX's then-standard rates for Warranty Inspections, and if repairs are required IDEXX may either charge you for such repairs (including parts) at IDEXX's then-standard rates, exclude repairs to parts that have exceeded their reasonable life from IDEXXCare Plus coverage, or vary your maintenance fee accordingly. If your IDEXXCare Plus coverage lapses, and you desire to resume such coverage, resumption of coverage will be at IDEXX's discretion, may be subject to a Warranty Inspection, and IDEXX may charge you the applicable maintenance fees for the period of lapsed coverage.

8. Term; Termination.

8.1 The initial term of this IDEXXCare Plus coverage ("Initial Term")

begins and ends on the dates specified on the Order Form or in IDEXX's invoice to you, after which it automatically renews (each a "Renewal Term") (a) in the case of IDEXX in-house diagnostic instruments, for successive like terms, and (b) in the case of IDEXX digital imaging products, for successive one (1) year terms, in each case unless either party gives written notice of its intent not to renew no later than thirty (30) days before the expiration of the Initial Term or then-current Renewal Term. The Initial Term together with any Renewal Term(s), is the "Term." For IDEXX digital imaging products, the Term cannot be extended beyond the date which is seventy-two (72) months following initial installation. During the Term, IDEXX's obligations pursuant to Section 2 above for any particular covered product become effective only upon the expiration of your standard product warranty period for such covered product.

8.2 You may terminate your IDEXXCare Plus coverage without cause upon written notice to IDEXX. IDEXX may terminate your IDEXXCare Plus coverage without cause upon 30 days written notice to you.

8.3 In the case of termination by you without cause or termination by IDEXX due to your breach, you remain obligated to pay any outstanding invoices. Further, you may be required to make additional payment to IDEXX as described in the following sentence if any service events have occurred during the then-current maintenance period (i.e., the Initial Term or, if IDEXXCare Plus coverage has extended beyond the Initial Term, the most recent Renewal Term). If service events have occurred during the then-current maintenance period and the cost of service (calculated at IDEXX's then-current rates at the time of service) and shipping exceeds the maintenance fee you have been invoiced for the then-current maintenance period through the date of termination, then you must pay IDEXX the difference (but in no event more than the full maintenance fee you would have paid for the current maintenance period).

8.4 If IDEXX terminates other than for your breach, or if you terminate due to IDEXX's modification of IDEXXCare Plus coverage during the then-current maintenance period, IDEXX will refund to you a pro rata portion of the maintenance fee for the then-current maintenance period.

IDEXX is the sole developer and manufacturer of the IDEXX Digital Imaging System purchased and used by City of Austin/Animal Services Office - Veterinary Services. The system enables the veterinarians to take digital x-rays of injured/ill animals and eliminates the need for a x-ray film developer. IDEXX has sole knowledge and control of the software necessary to run the system. Because of this, it is critical Animal Services have a maintenance agreement with IDEXX to continue updating and trouble shooting the software system and equipment.

4. Please attach any documentation that supports this exemption.
5. Please provide any evaluation conducted to support the recommendation. Include the efforts taken to ensure the selected vendor is responsible and will provide the best value to the City (Ex: evaluation of other firms, knowledge of market, etc).

No other company is able to provide this proprietary service for this equipment and system, it continues to be the best solution to the digital imaging needs as prescribed by Animal Services veterinarians. It is imperative that the investment in this system is protected by a maintenance agreement with IDEXX.

6. Because the above facts and documentation support the requested exemption, the City of Austin intends to contract with IDEXX Laboratories which will cost approximately \$ 9,300.00 (Provide estimate and/or breakdown of cost).
