WHEREAS, the Borrower has proposed to the Issuer that the Borrower will be further induced to proceed with providing for the acquisition, construction and/or improvement of the Project if the Issuer will make such commitment and agreement and adopt this Resolution; and

WHEREAS, the Issuer finds, considers, and declares that the issuance of the Bonds in the amount identified above and for the purpose identified above will be appropriate and consistent with the objectives of the Act, and that the adoption of this Resolution constitutes, (i) an inducement to the Borrower to proceed with providing for the acquisition, construction and/or improvement of the Project, (ii) the taking of affirmative official action by the Issuer, acting by and through its Board of Directors, towards the issuance of the Bonds, and that such action is similar to the adoption of a bond resolution/within the meaning of Section 1.103-8(a)(5) of the Federal Treasury Regulations, and (iii) the declaration of the intention of the Issuer, in accordance with the provisions of Section 1.150-2 of the Federal Treasury Regulations, to reimburse the Expenditures for the Project at such time as the Bonds are issued; **NOW, THEREFORE**,

**BE IT RESOLVED BY THE BOARD OF DIRECTORS OF
AUSTIN HOUSING FINANCE CORPORATION THAT:**

Section 1. The Issuer agrees as follows:

(a) To adopt a bond resolution or bond resolutions prepared by its Bond Counsel, McCall, Parkhurst & Horton L.L.P., Dallas, Texas, when requested by the Borrower, authorizing the issuance of Bonds pursuant to the Act, and to issue the Bonds, subject to the requirements of the Act, the execution of the appropriate agreements or contracts described in (b), below, and the sale of the Bonds under

terms and conditions satisfactory to the Issuer and the Borrower, to finance and pay for the acquisition, construction and/or improvement of the Project, including amounts sufficient to pay the fees, expenses, and costs in connection with such issuance, including an amount adequate to reimburse the Issuer for its administrative and overhead expenses and costs with respect to the Bonds and the Project, with the Bonds to be payable from payments by the Borrower to the Issuer and/or to a corporate trustee in such sums as are necessary to pay the principal of, interest on, and redemption premium, if any, together with the paying agent's and trustee's fees on, the Bonds, as and when the same shall become due and payable.

(b) Prior to the issuance of the Bonds, when requested by the Borrower, to enter into such loan agreement, installment sale agreement, lease, and/or any other appropriate contracts or agreements between the Issuer and the Borrower as are mutually acceptable in all respects to the Issuer and the Borrower, under which the Borrower will be obligated to make payments to the Issuer and/or to a corporate trustee in such sums as are necessary to pay the principal of, interest on, and redemption premium, if any, together with the paying agents' and trustee's fees on, the Bonds, as and when the same shall become due and payable, and with such payments also to be sufficient to defray the Issuer's administrative, overhead, and other expenses and costs with respect to the Bonds and the Project.

(c) To take, or cause to be taken, such other action, and to execute such additional contracts and agreements mutually agreeable to the parties in all respects, when requested by the Borrower as may be required in accordance with the Act and this Resolution to cause the issuance of the Bonds and to obtain an allocation of state volume cap for the Bonds.

Section 2. Subject to the provisions of Section 3 of this Resolution, by the acceptance of this Resolution and proceeding with the Project, the Borrower agrees that it will (i) fully indemnify and hold the Issuer harmless from any and all damages, losses, and reasonable expenses, including attorneys' fees, arising at any time from or with respect to the Bonds and the Project (except those resulting from gross negligence or willful misconduct of the Issuer), and (ii) pay or reimburse the Issuer for all reasonable and necessary out-of-pocket expenses, including attorneys' fees and expenses and the fees and expenses of other consultants, which the Issuer may incur at the request of the Borrower arising from the performance or attempted performance by the Issuer of its obligations hereunder.

Section 3. Nothing contained in this Inducement Resolution shall be interpreted as to bind the Issuer to issue any bonds. The Issuer shall have the authority, without cause, not to issue the bonds.

Section 4. Subject to the provisions of Section 3 of this Resolution, the adoption of this Resolution constitutes the acceptance of the Borrower's proposal that it be

further induced to proceed with providing for the acquisition, construction and/or improvement of the Project, and this proposal and acceptance shall constitute an agreement between the Issuer and the Borrower in accordance with the provisions of this Resolution.

Section 5. With respect to this inducement resolution and because the Borrower will have to comply with federal and State of Texas rent control requirements in the event the Borrower is awarded Low Income Housing Tax Credits, the Issuer, to the extent the Borrower is awarded Low Income Housing Tax Credits, waives its Affordable Rent requirements set forth in the Issuer's Rules.

Section 6. The Issuer reasonably expects (based upon information supplied by the Borrower, upon which it is reasonable and prudent for the Issuer to rely) to reimburse the Expenditures with the proceeds of the Bonds.
