RE: Letter to Valmont Texas Galvanizing dated 12-23-19 regarding Contract NA 180000089

Ms. Selement,

Per our phone conversation today, January 7, 2020, and this letter, the above contract is coming to an end between Valmont Texas Galvanizing in Brenham, Texas and The City of Austin. Valmont closed the facility (Valmont Texas Galvanizing) in Brenham on February 11, 2019.

We will honor the present agreement until March 27, 2020 from our Houston facility. At that time, we will no longer honor the agreement from the Houston location as the contact was between Valmont Texas Galvanizing in BRENHAM, Texas and the City of Austin. The original agreement was NOT with United Galvanizing in Houston.

If you need anything, further please do not hesitate to contact me.

Respectfully,

A handwritten signature in cursive script that reads "Russell Wallace".

Subject: Right to Assurance for Contract NA180000089 for Hot Dip Galvanizing Service (Contract)

Dear Mr. Wallace:

On March 28, 2018, the City of Austin (City) approved the award and execution of the subject Contract with Valmont Industries, Inc. (Valmont). It has been brought to the attention of the City Purchasing Office that the following discrepancies have occurred during the performance of this Contract.

1. On March 7, 2019 Ruben Salinas (the City Contract Manager) emailed you requesting a quote and pickup date for a shipment of approximately 3,500 pounds of sign posts. On March 12, 2019, you responded with a quote and noted that Valmont did not have pickup and delivery service. Per Section 0500, paragraphs 2.4 and 2.5 of the Scope of Work, Bid Sheet Item No. 1, and Section 0300 (Standard Purchase Terms) Section 6, the Contract requires Valmont to pick up and deliver all materials requested under the Contract to the PARD Central Maintenance Complex at 2525 S. Lakeshore Blvd., Austin, Texas 78741.
2. On March 25, 2019 Ruben Salinas requested an official quote for 4,000 pounds for Hot Dip Galvanizing Services. On March 28, 2019 you responded that you would get a quote for the dip services only, but that Valmont no longer provided pickup and delivery service and that the City would need to ship the items requiring service. Per Section 0500, paragraphs 2.4 and 2.5 of the Scope of Work, Bid Sheet Item No. 1, and Section 0300 (Standard Purchase Terms) Section 6, the Contract requires the Contractor to pick up and deliver all materials at PARD Central Maintenance Complex at 2525 S. Lakeshore Blvd., Austin, Texas 78741 and shipping costs were included in your bid price.

3. On April 17, 2019, you sent Ruben an email again stating that Valmont does not provide pickup and delivery service. You suggested that Ruben find a motor freight company to deliver the items under the Contract to Valmont.

The aforementioned responses to requests under the Contract are inconsistent with the terms of the Contract and critically impact the successful performance of the requirements under the Contract. Unresolved, these issues constitute a breach of contract. Therefore, the City hereby requests that you provide this office with a written assurance, pursuant to Section 0300, Standard Purchase Terms and Conditions, Paragraph 24 Right to Assurance that Valmont. is capable of complying with the Contract as agreed. Your written assurance must include an explanation of the resources and documentation that will be used, the actions that will be taken by Valmont to continue performing services as required by the Contract, and a timeline. Please submit your written assurance, with required documentation to me at the below address not later than **5:00 PM CST on January 15, 2020**. Failure to provide the information will result in your firm being held in breach of contract.

The Contractor must assert its right to an adjustment within thirty (30) calendar days from the date of receipt of the notice of delay. However, nothing in this provision shall excuse the Contractor from delaying the delivery as notified.

In the event of default or delay in contract performance due to any of the foregoing causes, then the time for completion of the services will be extended; provided, however, in such an event, a conference will be held within three (3) business days to establish a mutually agreeable period of time reasonably necessary to overcome the effect of such failure to perform.

Any portions of such material claimed by the Contractor to be proprietary must be clearly marked as such. Determination of the public nature of the material is subject to the Texas Public Information Act, Chapter 552, Texas Government Code.
36. **NO WARRANTY BY CITY AGAINST INFRINGEMENTS**: The Contractor represents and warrants to the City that: (i) the Contractor shall provide the City good and indefeasible title to the Deliverables and (ii) the Deliverables supplied by the Contractor in accordance with the specifications in the Contract will not infringe, directly or contributorily, any patent, trademark, copyright, trade secret, or any other intellectual property right of any kind of any third party; that no claims have been made by any person or entity with respect to the ownership or operation of the Deliverables and the Contractor does not know of any valid basis for any such claims. The Contractor shall, at its sole expense, defend, indemnify, and hold the City harmless from and against all liability, damages, and costs (including court costs and reasonable fees of attorneys and other professionals) arising out of or resulting from: (i) any claim that the City's exercise anywhere in the world of the rights associated with the City's ownership, and if applicable, license rights, and its use of the Deliverables infringes the intellectual property rights of any third party; or (ii) the Contractor's breach of any of Contractor's representations or warranties stated in this Contract. Further, Contractor agrees that the City's specifications regarding the Deliverables shall in no way diminish Contractor's warranties or obligations under this paragraph and the City makes no warranty that the production, development, or delivery of such Deliverables will not impact such warranties of Contractor.
37. **CONFIDENTIALITY**: In order to provide the Deliverables to the City, Contractor may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

41. **GRATUITIES**: The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City of Austin with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.
42. **PROHIBITION AGAINST PERSONAL INTEREST IN CONTRACTS**: No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.
43. **INDEPENDENT CONTRACTOR**: The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.

No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.
46. **MODIFICATIONS**: The Contract can be modified or amended only by a writing signed by both parties. No pre-printed or similar terms on any the Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

48. DISPUTE RESOLUTION:

- A. If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
- B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

49. JURISDICTION AND VENUE: The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

50. INVALIDITY: The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.
