### NOTES ON HISTORIC LANDMARK COMMISSION MEETINGS

- a) The first speaker signed up for each side of a contested public hearing will be allowed up to 5 minutes to speak. Any further speakers will be allowed up to 3 minutes. The Commission does not allow for the donation of time. The applicant or their agent may have a rebuttal after the conclusion of testimony of up to 3 minutes. Speakers should not repeat the testimony previously given on any case.
- b) Cases passed by the Commission on the consent agenda will not have a formal public hearing. If a citizen would like to speak on a case proposed for passage on the consent agenda, that person should make it known to the Chair of the Commission at the time of the reading of the consent agenda. Otherwise, the case will pass on consent, and there is no later recourse.
- c) In cases involving the review of demolition or relocation permit applications, the Commission may initiate a historic zoning case to further study the evidence regarding the potential of the subject property for landmark designation. If the Commission initiates a historic zoning case, the Commission will review the case again at its next regularly scheduled meeting for a recommendation regarding historic zoning. There will be no new notification sent out by the City stating the next hearing date.
- d) All public comments must be received by staff by 1 p.m. on the day of the meeting. Staff cannot forward public comments to commissioners after this time.

**7. C14H-1981-0018 – Discussion**

**Kenney House, 611 W. 22<sup>nd</sup> Street**  
**Council District 9**

Proposal: Remove a rear addition, restore the house to its 1920s appearance, and remove historic zoning from the back and east portions of the lot to accommodate the construction of a new building.

Applicant: Clayton and Little Architects

City Staff: Steve Sadowsky, Historic Preservation Office, 974-6454

Committee Recommendation: The Committee recommended the proposal to remove the addition and to return to the committee and commission after selective demolition to determine an appropriate treatment for the exposed rear elevation, but was not comfortable recommending removal of historic zoning at this time before the plans for the adjacent new building have been reviewed and evaluated for its effects on the historic character of the house.

Staff Recommendation: Grant the Certificate of Appropriateness for the removal of the rear addition, and offer the compromise of a Commission commitment to remove the historic zoning from the affected portion of the parcel and to return to the Commission in July, 2018, when all other details of the adjacent development have been evaluated for their effects on the historic building.
