

ORDINANCE NO. 20180823-073

**AN ORDINANCE LEVYING ASSESSMENTS FOR PROPERTY IN THE
WHISPER VALLEY PUBLIC IMPROVEMENT DISTRICT.**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. Findings: The Council finds that:

- (A) Chapter 372 of the Texas Local Government Code (Act) authorized the creation of the Whisper Valley Public Improvement District (District).
- (B) On August 5, 2010, the City Council passed a resolution, which approved the creation of the District in accordance with its findings.
- (C) On June 28, 2018, the City Council approved the proposed update to 2019 Master PID Assessment Roll, the proposed Improvement Area #1 Assessment Roll, and Preliminary 2018 Addendum to the Service and Assessment Plan for the District.
- (D) On August 9, 2018, the City Council held a public hearing, properly noticed under the Act, to consider the levy of the proposed assessments on property within the District.
- (E) At the August 9, 2018 public hearing, the City Council heard each objection to a proposed assessment, found in each case that the assessments levied against each parcel are reasonable and consistent with the special benefits conferred by the District, and passed on each objection before it closed the public hearing.
- (F) The assessments set out in Exhibit A, attached to and incorporated in this ordinance:
 - (1) should be made and levied against the property and property owners within the District;
 - (2) are in proportion to the benefits to the property for the services and public improvements in the District; and
 - (3) establish substantial justice, equality, and uniformity in the amount assessed against each property owner for the benefits received and burdens imposed.

- (G) The 2018 Addendum to the Service and Assessment Plan for the District, attached hereto as Exhibit B, is hereby approved.
- (H) In each case, the property assessed is benefited by the services and improvements provided in the District.
- (I) The exclusion of certain property from assessment is reasonable because the excluded property will not receive a benefit from the District that is sufficient to justify an assessment and the exclusions promote efficient management of the District.
- (J) The procedures followed and apportionment of the cost of the services and improvements in the District comply with applicable law and the purpose for which the District was formed.

PART 2. Exemptions and Exclusions. The Council exempts the following from payment of the assessment and excludes from the roll:

- (A) property of the City used for public purpose;
- (B) property owned by the County and property owned by political subdivisions of the State of Texas and used for public purpose; and
- (C) other property that is excluded by law or by agreement of the City and the petitioners.

PART 3. Assessment and Levy. The respective assessments shown on Exhibit A are levied and assessed against the property in the District and against the record owner of the property identified by the Travis Central Appraisal District records.

PART 4. Liability of Multiple Owners. If property in the District is owned by two or more individuals or entities, each owner is personally liable for the amount of the assessment based on the owner's partial interest in the total property ownership. A property owner may be released from an assessment lien if the owner pays the owner's proportionate share of an assessment.

PART 5. Interest and Lien.

(A) An assessment shown on Exhibit A:

- (1) accrues interest at the rate of 0% from the effective date of this ordinance until January 31, 2019;
- (2) accrues interest, penalties, and attorney's fees in the same manner as a delinquent ad valorem tax after January 31, 2019, until paid; and
- (3) is a lien on the property shown in Exhibit "A" and the personal liability of the property owner.

PART 6. Due Date and Collection. An assessment is due and payable in full on or before January 31, 2019. If a property owner defaults on payment of an assessment against the owner's property, the City Manager's designee may file suit on behalf of the City to collect the assessment and may initiate a lien foreclosure, including interest, penalties, costs and attorney's fees.

PART 7. Statutory Authority. The assessments levied by this ordinance are made under the authority of the Act.

PART 8. Severability. The provisions of this ordinance are severable. If any provision of this ordinance or its application to any person or circumstances is held invalid, the invalidity does not affect other provisions or applications of this ordinance.

PART 9. This ordinance takes effect on September 3, 2018.

There were \$15,500,000 in Assessments levied for the Master Improvements, and Improvement Area #1's allocable share equals \$796,637, of which \$704,381 remains outstanding following the 2018 Principal Payment.

(b) The Improvement Area #1 Assessments will terminate on May 1, 2019 unless PID Bonds secured by Improvement Area #1 Assessments have been issued. The Improvement Area #1 Bonds will be used to redeem PID Bonds secured by Improvement Area #1 Master Assessments in addition to funding Improvement Area #1 Improvements.

(a) Improvement Area consists of approximately 75 net assessable acres, which is 5.14% of the total assessable acres in the PID. As such, Improvement Area #1 is allocated 5.14% of the Assessments securing the Master PID Bonds. When PID Bonds secured by Improvement Area #1 Assessments have been issued, the Master Improvement Area Assessments previously levied on areas within Improvement Area #1 will automatically terminate.

(b) The Improvement Area #1 Assessments will be deferred until PID Bonds secured by Improvement Area #1 Assessments have been issued. The Improvement Area #1 Assessments will terminate on May 1, 2019 unless PID Bonds secured by Improvement Area #1 Assessments have been issued.

This Service and Assessment Plan will be updated to show the annual projected costs and annual projected indebtedness for the Future Improvement Areas once bonds have been issued.

14. A new Section VI.B-1 shall be added with the following language:

Amount of Assessments and Annual Installments for Parcels Located Within Improvement Area #1

The Assessments and Annual Installments for Improvement Area #1 are shown on the Assessment Roll in **Appendix A-1**. The Assessment and Annual Installments shall not be changed except as authorized under the terms of this SAP and the PID Act. The Annual Installments shall be collected in an amount sufficient to cover the Administrative Expenses.

15. A new Section VI.C-1 shall be added with the following language:

Reallocation of Assessments For Parcels Located Within Improvement Area #1

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the estimated buildout value of the newly divided Assessed Property

D = the estimated buildout value of all newly divided Assessed Properties

The estimated buildout value of an Assessed Property shall be determined by the Administrator based on information available from the Owner, homebuilders, the City, or any other available information regarding the Assessed Property. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update and approved by the City Council.

2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the newly subdivided Parcel according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the estimated average buildout value of all newly subdivided Lots with same Lot Type

D = the sum of the estimated average buildout value for all of the newly subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Owner shall provide the City an estimated buildout value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact value. The calculation of the estimated average buildout value for a Lot shall be performed by the Administrator and

confirmed by the City Council based on information provided by the Owner, homebuilders, third party consultants, and/or the official public records of the County regarding the Lot.

The sum of the Assessments for all newly subdivided Parcels shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update and approved by the City Council.

3. Upon Consolidation

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

16. A new Section VII.A-1 and Table VII-A-1 shall be added with the following language:

Improvement Area #1 Assessment Roll

The City Council has evaluated each Parcel (based on the PUD, developable area, proposed Owner Association Property and Public Property, the Authorized Improvements, best and highest use of land, and other development factors deemed relevant by the City Council) to determine the amount of Assessed Property within the PID.

The Assessed Property will be assessed for the special benefits conferred upon the property resulting from the Improvement Area #1 Improvements. The Improvement Area #1 Assessments will be deferred until PID Bonds secured by Improvement Area #1 Assessments have been issued. **Table VII-A-1** summarizes the \$7,079,229 in special benefit received by the Assessed Property from the Improvement Area #1 Improvements and Improvement Area #1's allocable share of the Master PID Bond Authorized Improvements. The Assessment for Improvement Area #1 is \$5,975,000, which is less than the benefit received by the Assessed Property. Accordingly, the total Assessment to be applied to all the Assessed Property is \$5,975,000 plus annual Administrative Expenses. The Assessment for each Assessed Property is calculated based on the allocation methodologies described in **Section VI.C-1**. The Assessment Roll is attached hereto as **Appendix A-1**.

(a) When PID Bonds secured by Improvement Area #1 Assessments have been issued, the Master Improvement Area Assessments previously levied on areas within Improvement Area #1 will automatically terminate.

(b) The Improvement Area #1 Assessments will be deferred until PID Bonds secured by Improvement Area #1 Assessments have been issued. The Improvement Area #1 Assessments will terminate on May 1, 2019 unless PID Bonds secured by Improvement Area #1 Assessments have been issued.

(c) The Total column assumes PID Bonds secured by the Improvement Area #1 Assessments will be issued prior to May 1, 2019, which will cause the Improvement Area #1 Master Assessments to automatically terminate. If the PID Bonds secured by the Improvement Area #1 Assessments are not issued prior to May 1, 2019, the Improvement Area #1 Assessments will terminate and the Improvement Area #1 Master Assessments will remain in place.
