7.2.2.2 use or possess alcoholic or other intoxicating beverages, illegal drugs or controlled substances, nor may such workers be intoxicated, or under the influence of alcohol or drugs, on the job.

7.2.3 If the City or the City's representative notifies the Contractor that any worker is incompetent, disorderly or disobedient, has knowingly or repeatedly violated safety regulations, has possessed any firearms, or has possessed or was under the influence of alcohol or drugs on the job, the Contractor shall immediately remove such worker from Contract services, and may not employ such worker again on Contract services without the City's prior written consent.

7.3 **Compliance with Health, Safety, and Environmental Regulations.** The Contractor, its Subcontractors, and their respective employees, shall comply fully with all applicable federal, state, and local health, safety, and environmental laws, ordinances, rules and regulations in the performance of the services, including but not limited to those promulgated by the City and by the Occupational Safety and Health Administration (OSHA). In case of conflict, the most stringent safety requirement shall govern. The Contractor shall indemnify and hold the City harmless from and against all claims, demands, suits, actions, judgments, fines, penalties and liability of every kind arising from the breach of the Contractor's obligations under this paragraph.

7.4 **Significant Event.** The Contractor shall immediately notify the City's Contract Manager of any current or prospective "significant event" on an ongoing basis. All notifications shall be submitted in writing to the Contract Manager. As used in this provision, a "significant event" is any occurrence or anticipated occurrence which might reasonably be expected to have a material effect upon the Contractor's ability to meet its contractual obligations. Significant events may include but not be limited to the following:

7.4.1 disposal of major assets;

7.4.2 any major computer software conversion, enhancement or modification to the operating systems, security systems, and application software, used in the performance of this Contract;

7.4.3 any significant termination or addition of provider contracts;

7.4.4 the Contractor's insolvency or the imposition of, or notice of the intent to impose, a receivership, conservatorship or special regulatory monitoring, or any bankruptcy proceedings, voluntary or involuntary, or reorganization proceedings;

7.4.7 known or anticipated sale, merger, or acquisition;

7.4.8 known, planned or anticipated stock sales;

7.4.9 any litigation against the Contractor; or

7.4.10 significant change in market share or product focus.

7.5 **Audits and Records.**

7.5.1 The Contractor agrees that the representatives of the Office of the City Auditor or other authorized representatives of the City shall have access to, and the right to audit, examine, or reproduce, any and all records of the Contractor related to the performance under this Contract. The Contractor shall retain all such records for a period of three (3) years after final payment on this Contract or until all audit and litigation matters

that the City has brought to the attention of the Contractor are resolved, whichever is longer. The Contractor agrees to refund to the City any overpayments disclosed by any such audit.

7.5.2 Records Retention:

7.5.2.1 Contractor is subject to City Code chapter 2-11 (Records Management), and as it may subsequently be amended. For purposes of this subsection, a Record means all books, accounts, reports, files, and other data recorded or created by a Contractor in fulfillment of the Contract whether in digital or physical format, except a record specifically relating to the Contractor's internal administration.

7.5.2.2 All Records are the property of the City. The Contractor may not dispose of or destroy a Record without City authorization and shall deliver the Records, in all requested formats and media, along with all finding aids and metadata, to the City at no cost when requested by the City.

7.5.3 The Contractor shall include sections 7.5.1 and 7.5.2 above in all subcontractor agreements entered into in connection with this Contract.

7.6 **Stop Work Notice.** The City may issue an immediate Stop Work Notice in the event the Contractor is observed performing in a manner that is in violation of Federal, State, or local guidelines, or in a manner that is determined by the City to be unsafe to either life or property. Upon notification, the Contractor will cease all work until notified by the City that the violation or unsafe condition has been corrected. The Contractor shall be liable for all costs incurred by the City as a result of the issuance of such Stop Work Notice.

7.7 **Indemnity.**

7.7.1 Definitions:

7.7.1.1 "Indemnified Claims" shall include any and all claims, demands, suits, causes of action, judgments and liability of every character, type or description, including all reasonable costs and expenses of litigation, mediation or other alternate dispute resolution mechanism, including attorney and other professional fees for:

7.7.1.1.1 damage to or loss of the property of any person (including, but not limited to the City, the Contractor, their respective agents, officers, employees and subcontractors; the officers, agents, and employees of such subcontractors; and third parties); and/or;

7.7.1.1.2 death, bodily injury, illness, disease, worker's compensation, loss of services, or loss of income or wages to any person (including but not limited to the agents, officers and employees of the City, the Contractor, the Contractor's subcontractors, and third parties),

7.7.1.2 "Fault" shall include the sale of defective or non-conforming deliverables, negligence, willful misconduct, or a breach of any legally imposed strict liability standard.

7.7.2 **THE CONTRACTOR SHALL DEFEND (AT THE OPTION OF THE CITY), INDEMNIFY, AND HOLD THE CITY, ITS SUCCESSORS, ASSIGNS, OFFICERS, EMPLOYEES AND ELECTED OFFICIALS HARMLESS FROM AND AGAINST ALL INDEMNIFIED CLAIMS DIRECTLY ARISING OUT OF, INCIDENT TO, CONCERNING OR RESULTING FROM THE FAULT OF THE CONTRACTOR, OR THE CONTRACTOR'S AGENTS, EMPLOYEES OR SUBCONTRACTORS, IN THE PERFORMANCE OF THE CONTRACTOR'S OBLIGATIONS UNDER THE CONTRACT. NOTHING HEREIN SHALL BE DEEMED TO LIMIT THE RIGHTS OF THE CITY OR THE CONTRACTOR (INCLUDING, BUT NOT LIMITED TO, THE RIGHT TO SEEK CONTRIBUTION) AGAINST ANY THIRD PARTY WHO MAY BE LIABLE FOR AN INDEMNIFIED CLAIM.**

7.8 **Claims.** If any claim, demand, suit, or other action is asserted against the Contractor which arises under or concerns the Contract, or which could have a material adverse affect on the Contractor's ability to perform thereunder, the Contractor shall give written notice thereof to the City within ten (10) calendar days after receipt of notice by the Contractor. Such notice to the City shall state the date of notification of any such claim, demand, suit, or other action; the names and addresses of the claimant(s); the basis thereof; and the name of each person against whom such claim is being asserted. Such notice shall be delivered personally or by mail and shall be sent to the City and to the Austin City Attorney. Personal delivery to the City Attorney shall be to City Hall, 301 West 2nd Street, 4th Floor, Austin, Texas 78701, and mail delivery shall be to P.O. Box 1088, Austin, Texas 78767.

Notices delivered by other means shall be deemed delivered upon receipt by the addressee. Routine communications may be made by first class mail, telefax, or other commercially accepted means. Notices to the City and the Contractor shall be addressed as follows:

ATTN: Kim Larsen, Contract Administrator

P O Box 1088

Austin, TX 78767

To the Contractor:

Economic and Planning Systems, Inc.

ATTN: Darin Smith, Contract Manager

One Kaiser Plaza

Oakland, CA 94530

7.10 **Confidentiality.** In order to provide the deliverables to the City, Contractor may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). Contractor acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Contract, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

7.11 **Advertising.** The Contractor shall not advertise or publish, without the City's prior consent, the fact that the City has entered into the Contract, except to the extent required by law.

7.12 **No Contingent Fees.** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

7.13 **Gratuities.** The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.

7.14 **Prohibition Against Personal Interest in Contracts.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.

7.15 **Independent Contractor.** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor.

The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.

7.16 Assignment-Delegation. The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Contract.

7.17 Waiver. No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

7.18 Modifications. The Contract can be modified or amended only in writing signed by both parties. No pre-printed or similar terms on any Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

7.19 Interpretation. The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

7.20 Dispute Resolution.

7.20.1 If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

7.20.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

7.21 Subcontractors.

7.21.1 If the Contractor identified Subcontractors in an MBE/WBE Program Compliance Plan or a No Goals Utilization Plan, the Contractor shall comply with the provisions of Chapters 2-9A, 2-9B, 2-9C, and 2-9D, as applicable, of the Austin City Code and the terms of the Compliance Plan or Utilization Plan as approved by the City (the "Plan"). The Contractor shall not initially employ any Subcontractor except as provided in the Contractor's Plan. The Contractor shall not substitute any Subcontractor identified in the Plan, unless the

substitute has been accepted by the City in writing in accordance with the provisions of Chapters 2-9A, 2-9B, 2-9C and 2-9D, as applicable. No acceptance by the City of any Subcontractor shall constitute a waiver of any rights or remedies of the City with respect to defective deliverables provided by a Subcontractor. If a Plan has been approved, the Contractor is additionally required to submit a monthly Subcontract Awards and Expenditures Report to the Contract Manager and the Purchasing Office Contract Compliance Manager no later than the tenth calendar day of each month.

7.21.2 Work performed for the Contractor by a Subcontractor shall be pursuant to a written contract between the Contractor and Subcontractor. The terms of the subcontract may not conflict with the terms of the Contract, and shall contain provisions that:

7.21.2.1 require that all deliverables to be provided by the Subcontractor be provided in strict accordance with the provisions, specifications and terms of the Contract.

7.21.2.2 prohibit the Subcontractor from further subcontracting any portion of the Contract without the prior written consent of the City and the Contractor. The City may require, as a condition to such further subcontracting, that the Subcontractor post a payment bond in form, substance and amount acceptable to the City;

7.21.2.3 require Subcontractors to submit all invoices and applications for payments, including any claims for additional payments, damages or otherwise, to the Contractor in sufficient time to enable the Contractor to include same with its invoice or application for payment to the City in accordance with the terms of the Contract;

7.21.2.4 require that all Subcontractors obtain and maintain, throughout the term of their contract, insurance in the type and amounts specified for the Contractor, with the City being a named insured as its interest shall appear; and

7.21.2.5 require that the Subcontractor indemnify and hold the City harmless to the same extent as the Contractor is required to indemnify the City.

7.21.3 The Contractor shall be fully responsible to the City for all acts and omissions of the Subcontractors just as the Contractor is responsible for the Contractor's own acts and omissions. Nothing in the Contract shall create for the benefit of any such Subcontractor any contractual relationship between the City and any such Subcontractor, nor shall it create any obligation on the part of the City to pay or to see to the payment of any moneys due any such Subcontractor except as may otherwise be required by law.

7.21.4 The Contractor shall pay each Subcontractor its appropriate share of payments made to the Contractor not later than ten (10) calendar days after receipt of payment from the City.

7.22 **Jurisdiction And Venue.** The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

7.23 **Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

7.24 **Holidays.** The following holidays are observed by the City:

<u>Holiday</u>	<u>Date Observed</u>
New Year's Day	January 1
Martin Luther King, Jr.'s Birthday	Third Monday in January
President's Day	Third Monday in February
Memorial Day	Last Monday in May

Christmas Day	December 25

If a Legal Holiday falls on Saturday, it will be observed on the preceding Friday. If a Legal Holiday falls on Sunday, it will be observed on the following Monday.

7.25 **Survivability of Obligations.** All provisions of the Contract that impose continuing obligations on the parties, including but not limited to the warranty, indemnity, and confidentiality obligations of the parties, shall survive the expiration or termination of the Contract.

7.26 **Incorporation of Documents.** Section 0100, **Standard Purchase Definitions**, is hereby incorporated into this Contract by reference, with the same force and effect as if they were incorporated in full text. The full text versions of this Section are available, on the Internet at the following online address:

7.27 **Order of Precedence.** The Contract includes, without limitation, the Offer submitted in response to the City, the Contract award, the Standard Purchase Terms and Conditions, Supplemental Terms and Conditions if any, Scope of Work, and any addenda and amendments thereto. Any inconsistency or conflict in the Contract documents shall be resolved by giving precedence in the following order.

Return on City's Investments in 2nd Street and Seaholm Districts

Since early 2000's, the City of Austin has undertaken numerous projects to develop and enliven the southwest area of Central Business District, primarily through the 2nd Street District and Seaholm District revitalization efforts. These blocks include, but are not limited to:

1. Block 3 - new City Hall;
2. Blocks 2 & 4 – Silicon Labs
3. Block 4 – historic Schneider building (Lambert's)
4. Block 20 – AMLI Downtown (privately owned)
5. Block 21 – W / Stratus
6. Block 22 – AMLI on 2nd
7. Block 1 – Northshore
8. Block 23 - Google office tower
9. Block 24 – The Independent
10. Block 185 – TBD
11. Block 188 – Austin Proper
12. Seaholm Power Plant historic preservation and reuse
13. Seaholm mixed-use tower
14. New Central Library
15. Associated improvements, such as 2nd and 3rd Streets reconstructions, Shoal Creek trail, expanded District chiller plant, and Bowie Underpass and Seaholm Intake Structure.

City staff will work collaboratively with EPS to determine if all of these projects and potentially others should be considered in this "return on investment" analysis. Then, for the final list of projects, EPS will endeavor to estimate, by parcel and in aggregate, the following items:

1. **City capital costs** – the amounts that the City has paid for capital improvements associated with each project, including decommissioning/site preparation, infrastructure improvements, public parking, public facilities, and other related expenditures;
2. **Direct City revenues** – payments received for the sale or lease of formerly public lands;
3. **Community benefits** – the cost of public art, infrastructure and open space improvements, entertainment venues, affordable housing units, and related benefits funded by the developments;
4. **Direct employment** – the number of construction-period jobs supported by the development based on their costs, as well as ongoing employment supported by the development's operation (not including "multiplier effects");
5. **Fiscal revenues** – the present value of recent and projected property taxes, sales taxes, hotel taxes, mixed beverage taxes, parking revenues and parking taxes generated for the City, its Affordable Housing Trust Fund, and potentially other recipients, net of any tax increment reinvested into the projects; and

6. **Other District investment** – a summary of the amount and value of new private development projects that have occurred in the delineated district but not directly funded by the City nor built on former City properties.

The findings from this analysis will be assembled in a draft report, to be reviewed by staff from EDD and other City departments. Following this review, a refined final report will be prepared, and EPS will be available to present their findings at up to two public meetings, such as City Council, Boards and Commissions, or downtown entity, as requested by City staff.

Activity II has a one-time contract amount of \$28,500 and estimated to be completed within 12 months. The amount of time required depends on factors unknown at this time, such as final number of projects to be analyzed; what information is readily available and what must be collected from other public and private parties.

Furthermore, any employee, supervisor, or manager who becomes aware of any such discrimination or harassment should immediately report it to executive management or the human resources office to ensure that such conduct does not continue.

2. Describe this procurement

- **What it is for and why it is needed?**

- To ensure the responsible use of taxpayer's dollars, EDD seeks to engage Economic & Planning Systems, Inc. (EPS Vendor #ECO8308928) to determine the direct and indirect benefits achieved from the City's public-private partnerships to redevelop downtown Austin in the 2nd Street and Seaholm Districts.
- **Describe the following for Professional, Personal, or Planning Service Exemptions:**
 - **Why is the vendor the most qualified to provide the services?**
 - **Does this vendor have a history of working with the City? If so, was it on this particular service?**
 - **Will this procurement be component of a larger service or phases of service?**
 - **Is the vendor a City of Austin local vendor?**
 - **Does the vendor hold an M/WBE certification with the City, a HUB certification with the State of Texas, or any other minority or women owned certifications?**
 - **What qualifications, certifications, or specialized training does the vendor have?**
 - **What is the impact if a contract is not secured with this particular vendor (loss of project timeline, loss of funding etc.)?**
 - **What other vendors can provide these services and why are they not the best fit for the contract?**
 - For almost two decades, EPS, based in Oakland, California, has provided financial and real estate consulting services to the City of Austin. Since early 2000's, EPS has been an essential part of the consultant team in the City's major redevelopment efforts, including but not limited to, Mueller (771 acres), the 2nd Street District (approx. 50 acres), and Seaholm District (85 acres), and is currently engaged in shaping redevelopment of Colony Park (208 acres). EPS has in-depth knowledge of best practices in real estate development, the complex financial requirements as well as this City's priorities and goals, notably community benefits. Their consulting projects in cities across the country help to ensure Austin's efforts are of highest quality. EPS has worked extensively with the City and other local entities, including Capital Metro, Travis County and Central Health, to help determine the economic factors of diverse set of projects as well as their direct and indirect impacts. While not a certified M/WBE or HUB, EPS' diversity of experience in Austin – from Rainey Street Density Bonus Feasibility Study to Capital Metro's Saltillo Master Plan to Brackenridge Campus Master Plan and Developer Solicitation for Central Health – demonstrates the breadth of the abilities and understanding of the local community.
 - Calculating the City's return on investment in its downtown redevelopment projects is a one-time project, expected to take approximately one year. Without EPS' independent assessment of benefits achieved in these project, the City cannot be fully transparent with taxpayers, nor improve future real estate development activities with the lessons learned from these projects.
 - Other vendors provide real estate evaluation; however, they do not have the background and intimate knowledge of the City's redevelopment partnerships. The 2nd Street District involves 15 legal agreements working in coordination over six blocks with four partners. Seaholm District involves more than 15 projects with dozens of legal agreements directing efforts. EPS has general and direct knowledge of all of these. It would cost the City additional time and money to educate another vendor on the legal and financing structures of these two Districts.

Subject: Qualifications for 2nd Street Retail Due Diligence;
EPS #181022

Dear Margaret:

The City of Austin's Economic Development Department (EDD) has requested assistance from Economic & Planning Systems (EPS) in reviewing submittals from the City's private partners on the 2nd Street retail district. At your request, this letter describes EPS's qualifications to provide these consulting services.

Local Experience

At the City's request, EPS has been reviewing the submittals from AMLI for the 2nd Street retail district on an ad hoc basis for the past several years. We have evaluated these submittals in the context of the MDA for 2nd Street, which stipulates certain levels of investment, performance expectations including local business objectives, and priority returns to the private partners. On several occasions, EPS has participated in the resolution of issues between the City and AMLI, including the terms of "budget enhancements" to allow for additional private investment to be subject to a priority return, as well as the appropriate methodology for calculating that priority return.

In addition to our work on 2nd Street, EPS has provided consulting services to and in the City of Austin for roughly 20 years. Our initial assignment was to provide economic analysis in support of the Reuse Plan for the Mueller Airport starting in the late 1990s, followed by extensive consulting support for the City's solicitation and negotiation of a Master Development Agreement for the Mueller property. Since that time, we have been involved in numerous local projects, including the following selected examples"

- Saltillo District Master Plan (for the City and Capital Metro)
- East 12th Street Revitalization Strategy (City)
- Seaholm Power Plant Development Negotiations (City)
- Green Water Treatment Plant Development Negotiations (City)
- UNO District Density Bonus and In-Lieu Fee Update (City)
- Homestead Preservation District Analysis and Recommendations (City)
- Rainey Street Density Bonus Feasibility Study (City)

- Re-Manufacturing Hub Feasibility Study (City) Mexican American Cultural Center Master Plan Update (City)
- Colony Park Master Plan Financing Strategy and Developer Solicitation (City)
- Walter E Long Park Master Plan (City)
- North Campus Development Solicitation and Negotiation (Travis County)
- Brackenridge Campus Master Plan and Developer Solicitation (Central Health)

I have served as EPS's primary project manager and client contact on each of the assignments bulleted above. On these and other assignments in Austin, EPS has reviewed local development economics (market conditions, achievable revenues vs. development costs, etc.) and incorporated information regarding the City's regulatory and political conditions. Many of these local projects have specifically involved the exploration of public and private partnerships as part of mixed-income and/or mixed-use development projects, with a focus on the effect that different community benefits can have on the feasibility of projects and their expected financial returns.

National Experience

In addition to our work in the Austin area, EPS has relevant experience across the United States. Selected examples of EPS's consulting services include the following:

- Retail Market Analysis – analyzing the potential market performance of various retail sectors based on local supply and demand dynamics for public planning efforts as well as private developers' investment decisions.
- Business Plan Due Diligence – reviewing the business plans for local retailers seeking to lease publicly-controlled space in parking garages, transit stations, libraries, etc.
- Fiscal Impact Analysis – comparing the taxes and other fiscal revenues generated by a development project or land use plan to the costs of providing municipal services to that project.
- Revitalization Strategies – promoting the revitalization of commercial districts through targeted tenanting, marketing, parking, and public investment strategies.

While our staff has performed these and related types of studies throughout the nation for over 35 years, I have personally led EPS's assignments of these types for clients including the City of San Francisco, Bay Area Rapid Transit District (BART), City of Anchorage (AK), and Downtown Dallas, Inc., among others.

Please let us know if you have any questions regarding our qualifications for this assignment.

Sincerely,
ECONOMIC & PLANNING SYSTEMS, INC.
