Continuation of the Agreement beyond the initial 12 months is specifically contingent upon the availability and allocation of funding, and authorization by City Council.

4.2 **Requests for Payment.**

Payment to the Grantee shall be due thirty (30) calendar days following receipt by City's Agreement Manager of Grantee's fully and accurately completed "Payment Request" and "Monthly Expenditure Report", using the forms shown at <http://www.ckodm.com/austin/>. Grantee must provide the City with supporting documentation as described in Exhibit A.1, Program Work Statement for each monthly Payment Request where an agreement deliverable is being submitted.

The City retains right of final approval of any supporting documentation submitted before a Payment Request is approved for processing. Failure to provide supporting documentation acceptable to the City may result in delay or rejection of the Payment Request. The City reserves the right to modify the required supporting documentation from time to time, as needed.

4.3 Payment.

4.3.1 All requests accepted and approved for payment by the City will be paid within 30 calendar days of the City's receipt of the deliverables or of the invoice, whichever is later. Requests for Payment received without all required information cannot be processed and will be returned to the Grantee, and City will make no payment in connection with such request.

Payment will be made by check unless the parties mutually agree to payment by electronic transfer of funds.

4.4 **Non-Appropriation.** The awarding or continuation of this Agreement is dependent upon the availability of funding and authorization by Council. The City's payment obligations are payable only and solely from funds appropriated and available for this Agreement. The absence of appropriated or other lawfully available funds shall render the Agreement null and void to the extent funds are not appropriated or available and any deliverables delivered but unpaid shall be returned to the Grantee. The City shall provide the Grantee written notice of the failure of the City to make an adequate appropriation for any fiscal year to pay the amounts due under the Agreement, or the reduction of any appropriation to an amount insufficient to permit the City to pay its obligations under the Agreement. In the event of non- or inadequate appropriation of funds, there will be no penalty or removal fees charged to the City.

In such event, the Grantee shall pay to the City upon demand the increased cost, if any, incurred by the City to procure such services from another source. Grantee agrees to participate with City staff to update the performance measures.

NOTHING HEREIN SHALL BE DEEMED TO LIMIT THE RIGHTS OF THE CITY OR THE GRANTEE (INCLUDING, BUT NOT LIMITED TO, THE RIGHT TO SEEK CONTRIBUTION) AGAINST ANY THIRD PARTY WHO MAY BE LIABLE FOR AN INDEMNIFIED CLAIM.

8.5 **Claims.** If any claim, demand, suit, or other action is asserted against the Grantee which arises under or concerns the Agreement, or which could have a material adverse effect on the Grantee's ability to perform hereunder, the Grantee shall give written notice thereof to the City within ten (10) calendar days after receipt of notice by the Grantee. Such notice to the City shall state the date of notification of any such claim, demand, suit, or other action; the names and addresses of the claimant(s); the basis thereof; and the name of each person against whom such claim is being asserted. Such notice shall be delivered personally or by mail and shall be sent to the City and to the Austin City Attorney. Personal delivery to the City Attorney shall be to City Hall, 301 West 2nd Street, 4th Floor, Austin, Texas 78701, and mail delivery shall be to P.O. Box 1088, Austin, Texas 78767.

8.6 **Business Continuity.** Grantee warrants that it has adopted a business continuity plan that describes how Grantee will continue to provide services in the event of an emergency or other unforeseen event, and agrees to maintain the plan on file for review by the City. Grantee shall provide a copy of the plan to the City's Agreement Manager upon request at any time during the term of this Agreement, and the requested information regarding the Business Continuity Plan shall appear in the annual Administrative and Fiscal Review document.

8.6.1 Grantee agrees to participate in the City's Emergency Preparedness and Response Plan and other disaster planning processes. Grantee participation includes assisting the City to provide disaster response and recovery assistance to individuals and families impacted by manmade or natural disasters.

8.7 **Notices.** Unless otherwise specified, all notices, requests, or other communications required or appropriate to be given under the Agreement shall be in writing and shall be deemed delivered three (3) business days after postmarked if sent by U.S. Postal Service Certified or Registered Mail, Return Receipt Requested. Notices delivered by other means shall be deemed delivered upon receipt by the addressee. Routine communications may be made by first class mail, email, or other commercially accepted means. Notices to the City and the Grantee shall be addressed as follows:

To the City:	To the Grantee:	With copy to:

8.8 **Confidentiality.** In order to provide the deliverables to the City, Grantee may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). Grantee acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Grantee (including its employees,

Subgrantees, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Grantee promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Grantee agrees to use protective measures no less stringent than the Grantee uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

- 8.9 **Advertising.** Where such action is appropriate as determined by the City, Grantee shall publicize the activities conducted by the Grantee under this Agreement. Any news release, sign, brochure, or other advertising medium including websites disseminating information prepared or distributed by or for the Grantee shall recognize the City as a funding source and include a statement that indicates that the information presented does not officially represent the opinion or policy position of the City.
- 8.10 **No Contingent Fees.** The Grantee warrants that no person or selling agency has been employed or retained to solicit or secure the Agreement upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Grantee for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Agreement without liability and to deduct from any amounts owed to the Grantee, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
- 8.11 **Gratuities.** The City may, by written notice to the Grantee, cancel the Agreement without liability if it is determined by the City that gratuities were offered or given by the Grantee or any agent or representative of the Grantee to any officer or employee of the City with a view toward securing the Agreement or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such agreement. In the event the Agreement is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Grantee in providing such gratuities.
- 8.12 **Prohibition Against Personal Interest in Agreements.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Agreement resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Grantee shall render the Agreement voidable by the City.
- 8.13 **Independent Grantee.** The Agreement shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Grantee's services shall be those of an independent Grantee. The Grantee agrees and understands that the Agreement does not grant any rights or privileges established for employees of the City.
- 8.14 **Assignment-Delegation.** The Agreement shall be binding upon and enure to the benefit of the City and the Grantee and their respective successors and assigns, provided however, that no right or interest in the Agreement shall be assigned and no obligation shall be delegated by the Grantee without the prior written consent of the City. Any attempted assignment or delegation by the Grantee shall be void unless made in conformity with this paragraph. The Agreement is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Agreement.

8.15 **Waiver.** No claim or right arising out of a breach of the Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Grantee or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Agreement, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

8.16 **Modifications.** The Agreement can be modified or amended only by a writing signed by both parties. No pre-printed or similar terms on any Grantee invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Agreement.

8.17 **Interpretation.** The Agreement is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Agreement. Although the Agreement may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Agreement, the UCC definition shall control, unless otherwise defined in the Agreement.

8.18 **Dispute Resolution.**

8.18.1 If a dispute arises out of or relates to the Agreement, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

8.18.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Grantee agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Agreement prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a agreement interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Grantee will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

The Grantee shall not initially employ any Subgrantee except as provided in the Grantee's Plan. The Grantee shall not substitute any Subgrantee identified in the Plan, unless the substitute has been accepted by the City in writing in accordance with the provisions of Chapters 2-9A, 2-9B, 2-9C and 2-9D, as applicable. No acceptance by the City of any Subgrantee shall constitute a waiver of any rights or remedies of the City with respect to defective deliverables provided by a Subgrantee. If a Plan has been approved, the Grantee is additionally required to submit a monthly Subagreement Awards and Expenditures Report to the Agreement Manager and the Purchasing Office Agreement Compliance Manager no later than the tenth calendar day of each month.

8.21.2 Work performed for the Grantee by a Subgrantee shall be pursuant to a written agreement between the Grantee and Subgrantee. The terms of the subagreement may not conflict with the terms of the Agreement, and shall contain provisions that:

8.21.2.1 require that all deliverables to be provided by the Subgrantee be provided in strict accordance with the provisions, specifications and terms of the Agreement. The City may require specific documentation to confirm Subgrantee compliance with all aspects of this Agreement.

8.21.2.2 prohibit the Subgrantee from further subcontracting any portion of the Agreement without the prior written consent of the City and the Grantee. The City may require, as a condition to such further subcontracting, that the Subgrantee post a payment bond in form, substance and amount acceptable to the City;

8.21.2.3 require SubGrantees to submit all requests for payment and applications for payments, including any claims for additional payments, damages or otherwise, to the Grantee in sufficient time to enable the Grantee to include same with its invoice or application for payment to the City in accordance with the terms of the Agreement;

8.21.2.4 require that all Subgrantees obtain and maintain, throughout the term of their Subagreement, insurance in the type required by this Agreement, and in amounts appropriate for the amount of the Subagreement, with the City being a named insured as its interest shall appear;

8.21.2.6 maintain and make available to the City, upon request, Certificates of Insurance for all Subgrantees.

8.21.3 The Grantee shall be fully responsible to the City for all acts and omissions of the SubGrantees just as the Grantee is responsible for the Grantee's own acts and omissions. Nothing in the Agreement shall create for the benefit of any such Subgrantee any contractual relationship between the City and any such Subgrantee, nor shall it create any obligation on the part of the City to pay or to see to the payment of any moneys due any such Subgrantee except as may otherwise be required by law.

8.21.4 The Grantee shall pay each Subgrantee its appropriate share of payments made to the Grantee not later than ten days after receipt of payment from the City.

8.22 Jurisdiction And Venue. The Agreement is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas,

V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Agreement shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

8.23 **Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Agreement shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not contain the particular portion or provision held to be void. The parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Agreement from being void should a provision which is the essence of the Agreement be determined to be void.

8.26 **Non-Suspension or Debarment Certification.** The City is prohibited from contracting with or making prime or sub-awards to parties that are suspended or debarred or whose principals are suspended or debarred from Federal, State, or City of Austin Agreements. 8.27 **Public Information Act.** Grantee acknowledges that the City is required to comply with Chapter 552 of the Texas Government Code (Public Information Act). Under the Public Information Act, this Agreement and all related information within the City's possession or to which the City has access are presumed to be public and will be released unless the information is subject to an exception described in the Public Information Act.

Grantee and its Subgrantees agree to implement processes and services in a manner that is culturally and linguistically appropriate and competent. Guidance on adopting such standards and practices are available at the U.S. Department of Health and Human Services Office of Minority Health's website at: <https://minorityhealth.hhs.gov/omh/browse.aspx?lvl=1&lvlid=6>.

In some instances, failure to provide language assistance services may have the effect of discriminating against persons on the basis of their natural origin. Guidelines for serving individuals with Limited English Proficiency (LEP) are available at <https://www.lep.gov/faqs/faqs.html>.

Overview and Purpose

The purpose of this project is to investigate community health needs and assets in partnership with young people from the Del Valle and Montopolis communities, Travis County, Texas. The specific goals of this initiative are to: 1.) build skills and capacity of young people from these communities in implementing a community learning initiative of health issues identified by youth; and 2.) identify health needs and assets, both via a youth-led community health learning initiative as well as an analysis of existing health data, to help inform health planning efforts for the Del Valle and Montopolis communities.

The proposed budget of \$75,000 will primarily support personnel based at the Michael & Susan Dell Center for Healthy Living at the UTHealth School of Public Health in Austin to manage two youth-led community health learning initiatives and to generate health profiles of the partner communities based on analysis of existing data (see below). In addition, funds have been budgeted to support community partners to support the project and provide logistical support. Among these partnerships, the nonprofit SAFE, with offices based in the Montopolis community, will serve as a key implementation partner of the initiative. SAFE's mission is to "lead in ending sexual assault and exploitation, child abuse, and domestic violence through prevention, intervention and advocacy for change," and they bring extensive experience working with middle and high school students on initiatives aimed at mobilizing youth as leaders and engaging community in creating safe and healthy environments. UTHealth School of Public Health will partner with the Senior Director for SAFE's Expect Respect Program and her high school facilitator team in developing and implementing the youth-led community health learning initiative. UTHealth School of Public Health has budgeted \$8500 for project support from SAFE to help co-lead the community health learning initiative with young people from Del Valle and Montopolis communities.

Statement of Work

Priority Population

The proposed community health learning initiative will be conducted in partnership with two cohorts of high school students based in the Del Valle and Montopolis communities. In addition, two community health profiles for these communities will be generated based on analysis of data from the 500 Cities project (Centers for Disease Control and Robert Wood Johnson Foundation) as well as other existing data.

Del Valle is located in Travis County and is part of zip code 78617 and City Council District 2. Montopolis is located in part of zip code 78741 and a portion of City Council District 3. Montopolis is bounded by Grove Street on the west, Texas State Highway 71 on the south, and U.S. Route 183 on the east.

Community Health Learning Initiative Approach & Data Collection Methods

Steering Committee: A steering committee comprised of youth-serving organizations and other school and community stakeholders will first be convened to help guide the overall initiative, and ensure that our approach is culturally and organizationally acceptable. Key roles of the steering committee will include providing input on the approach for the youth-led community health learning initiatives as well as guidance for the creation of two community health profiles for the Del Valle and Montopolis communities.

Youth-led Community Health Learning Initiative: The youth-led community health learning initiative will be implemented in direct partnership with SAFE, a nonprofit organization based in the Montopolis community with experience in youth-led community assessment and positive youth leadership. The youth-led initiative will incorporate best practices from the field of youth participatory action research and will include key phases of the research process, including: team formation, positive group process, and exploration of basic research skills; identification and prioritization of community health topics; data collection on health topics; analysis and write-up of key themes; and presentation of findings to community stakeholders.

Data collection methods will be confirmed with community partners and may include:

* Photovoice- a method for capturing community health needs and assets via photos;

* Participatory mapping – a method through which youth participants and community stakeholders identify key resources.

activity places, and areas of need;

* Data gallery walk- a method for exploring existing health data and providing context for those data from the perspective of youth and community stakeholders; and

* Key informant and focus group interviews/listening sessions.

Community Health Profiles: In complementing the youth-led community health learning initiative, UTHealth School of Public Health will develop two community health profiles based on analysis of existing data from the 500 Cities project and other available data. In developing the overall health profiles, UTHealth School of Public Health has budgeted \$3000 for a consultant to assist with data visualization and mapping analytic support. The consultant will work directly with our team to help generate graphic representations and maps of our data analysis for the development of the two community health profiles for the Del Valle and Montopolis communities.

Data Analysis

Data will be analyzed using both qualitative and quantitative analytic methods. Qualitative data (photovoice, interview, focus group data) will be analyzed using content analysis in which key themes will be coded based on both a deductive (driven by the interview guide or participatory inquiry activity) and inductive (allowing emergence of new themes) approach. Approaches such as the SHOWed method, which guides qualitative analysis of photographs, as well as member checking, a form of group validation of key themes that emerge from qualitative interviews, will also be incorporated. Quantitative analysis will be based on descriptive statistics and will be conducted using a quantitative software package as appropriate. We will also aim to produce visual representations of findings contingent upon availability of geo-coded data.

Budget Justification

Personnel

Salaries for classified employees follow the institutional pay plan of The University of Texas Health Science Center at Houston (UTHealth), the parent organization of the UTHealth School of Public Health. Actual salaries and fringe benefits will be based on approved salaries and laws in effect at the time of implementation. Salary support requested for all personnel is equal to the level of effort contributed to the project. Fringe benefit tiers based on salary level are used for budgeting purposes. Typical benefits packages may include payroll taxes, life insurance, health insurance, dental insurance, short-term and long-term disability insurance, and federal and state unemployment insurance.

Project Team

Dr. Springer is a tenured Associate Professor in the Department of Health Promotion and Behavioral Sciences (HP/BS) at the UTHealth School of Public Health in Austin. Dr. Springer will serve as Principal Investigator of the community health learning initiative and will dedicate 10% effort over the 12-month project period. He will oversee all aspects of the youth-led community health learning initiative. Specific responsibilities will include the development of the overall community health learning initiative plan of action, the creation and submission of the IRB application to ensure protection of human subjects, development of the youth-led community health learning curriculum, creation of measurement instruments and analysis plan, and supervision of data collection, analysis and write-up of findings.

Consultants

SAFE, Youth-Led Community Health Learning Curriculum. We have budgeted \$8500 for project support from SAFE, a nonprofit organization with offices in the Montopolis community of Austin, Texas to help co-lead the youth-led community health learning initiative with young people from Del Valle and Montopolis communities. We will partner with Barri Rosenbluth, Senior Director for the Expect Respect Program, and her high school program facilitator team in developing and implementing the youth-led community health learning initiative. Barri and her team bring extensive experience working with middle and high school students on initiatives aimed at mobilizing youth as leaders and engaging community in creating safe and healthy environments.

TBN, Data Visualization and Mapping. We have budgeted \$3000 for a consultant to assist with data visualization and mapping analytic support. The consultant will work directly with our team to help generate graphic representations and maps of our data analysis for the development of the two community health profiles for the Del Valle and Montopolis communities.

Travel

 - (c) Accounting of Disclosures. Business Associate agrees to maintain documentation of the information required to provide an accounting of disclosures of PHI, whether PHI is paper or electronic format, in accordance with 45 C.F.R. §164.528 and HITECH Sub Title D Title VI Section 13405 (c), and to make this information available to Covered Entity upon Covered Entity's request, in order to allow Covered Entity to respond to an Individual's request for accounting of disclosures. Under the Privacy Rule, Covered Entity is required to take action on such requests as soon as possible but not later than 60 days following receipt of the request. Business Associate agrees to use its best efforts to assist Covered Entity in meeting this deadline but not later than 45 days following receipt of the request. Such accounting must be provided without cost to the individual or Covered Entity if it is the first accounting requested by an individual within any 12 month period; however, a reasonable, cost-based fee may be charged for subsequent accountings if Business Associate informs the individual in advance of the fee and is afforded an opportunity to withdraw or modify the request. Such accounting is limited to disclosures that were made in the six (6) years prior to the request (not including disclosures prior to the compliance date of the Privacy Rule) and shall be provided for as long as Business Associate maintains the PHI.
8. Internal Practices, Policies and Procedures. Except as otherwise specified herein, Business Associate shall make available its internal practices, books, records, policies and procedures relating to the use and disclosure of PHI, received from or on behalf of Covered Entity to the Secretary or his or her agents for the purpose of determining Covered Entity's compliance with the HIPAA Rules, or any other health oversight agency, or to Covered Entity. Records requested that are not protected by an applicable legal privilege will be made available in the time and manner specified by Covered Entity or the Secretary.
9. Notice of Privacy Practices. Business Associate shall abide by the limitations of Covered Entity's Notice of which it has knowledge. Any use or disclosure permitted by this Agreement may be amended by changes to Covered Entity's Notice; provided, however, that the amended Notice shall not affect permitted uses and disclosures on which Business Associate relied prior to receiving notice of such amended Notice.

10. Withdrawal of Authorization. If the use or disclosure of PHI in this Agreement is based upon an Individual's specific authorization for the use or disclosure of his or her PHI, and the Individual revokes such authorization, the effective date of such authorization has expired, or such authorization is found to be defective in any manner that renders it invalid, Business Associate shall, if it has notice of such revocation, expiration, or invalidity, cease the use and disclosure of the Individual's PHI except to the extent it has relied on such use or disclosure, or if an exception under the Privacy Rule expressly applies.
11. Knowledge of HIPAA Rules. Business Associate agrees to review and understand the HIPAA Rules as it applies to Business Associate, and to comply with the applicable requirements of the HIPAA Rule, as well as any applicable amendments.
12. Information Incident Notification for PHI. Business Associate will report any successful Incident of which it becomes aware and at the request of the Covered Entity, will identify: the date of the Incident, scope of Incident, Business Associate's response to the Incident, and the identification of the party responsible for causing the Incident.
13. Information Breach Notification for PHI. Business Associate expressly recognizes that Covered Entity has certain reporting and disclosure obligations to the Secretary and the Individual in case of a security breach of unsecured PHI. Where Business Associate accesses, maintains, retains, modifies, records, stores, destroys, or otherwise holds, uses or discloses unsecured paper or electronic PHI, Business Associate immediately following the "discovery" (within the meaning of 45 C.F.R. §164.410(a)) of a breach of such information, shall notify Covered Entity of such breach. Initial notification of the breach does not need to be in compliance with 45 C.F.R. §164.404(c); however, Business Associate must provide Covered Entity with all information necessary for Covered Entity to comply with 45 C.F.R. §164.404(c) without reasonable delay, and in no case later than **three** days following the discovery of the breach. Business Associate shall be liable for the costs associated with such breach if caused by the Business Associate's negligent or willful acts or omissions, or the negligent or willful acts or omissions of Business Associate's agents, officers, employees or subcontractors.
14. Breach Notification to Individuals. Business Associate's duty to notify Covered Entity of any breach does not permit Business Associate to notify those individuals whose PHI has been breached by Business Associate without the express written permission of Covered Entity to do so. Any and all notification to those individuals whose PHI has been breached shall be made by the Business Associate under the direction, review and control of Covered Entity. The Business Associate will notify the Covered Entity via telephone with follow-up in writing to include; name of individuals whose PHI was breached, information breached, date of breach, form of breach, etc. The cost of the notification will be paid by the Business Associate.
15. Information Breach Notification for Other Sensitive Personal Information. In addition to the reporting under Section D.12, Business Associate shall notify

Covered Entity of any breach of computerized Sensitive Personal Information (as determined pursuant to Title 11, subtitle B, chapter 521, Subchapter A, Section 521.053, Texas Business & Commerce Code) to assure Covered Entity's compliance with the notification requirements of Title 11, Subtitle B, Chapter 521, Subchapter A, Section 521.053, Texas Business & Commerce Code. Accordingly, Business Associate shall be liable for all costs associated with any breach caused by Business Associate's negligent or willful acts or omissions, or those negligent or willful acts or omissions of Business Associate's agents, officers, employees or subcontractors.

E. Permitted Uses and Disclosures by Business Associates. Except as otherwise limited in this Agreement, Business Associate may use or disclose Protected Health Information to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in this Business Associates Agreement or in a Master Services Agreement, provided that such use or disclosure would not violate the HIPAA Rules if done by Covered Entity or the minimum necessary policies and procedures of the Covered Entity. Also, Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with the HIPAA Rules.

1. Use. Business Associate will not, and will ensure that its directors, officers, employees, contractors and other agents do not, use PHI other than as permitted or required by Business Associate to perform the Services or as required by law, but in no event in any manner that would constitute a violation of the Privacy Standards or Security standards if used by Covered Entity.
2. Disclosure. Business Associate will not, and will ensure that its directors, officers, employees, contractors, and other agents do not, disclose PHI other than as permitted pursuant to this arrangement or as required by law, but in no event disclose PHI in any manner that would constitute a violation of the Privacy Standards or Security Standards if disclosed by Covered Entity.
3. Business Associate acknowledges and agrees that Covered Entity owns all right, title, and interest in and to all PHI, and that such right, title, and interest will be vested in Covered Entity. Neither Business Associate nor any of its employees, agents, consultants or assigns will have any rights in any of the PHI, except as expressly set forth above. Business Associate represents, warrants, and covenants that it will not compile and/or distribute analyses to third parties using any PHI without Covered Entity's express written consent.

F. Application of Security and Privacy Provisions to Business Associate.

1. Security Measures. Sections 164.308, 164.310, 164.312 and 164.316 of Title 45 of the Code of Federal Regulations dealing with the administrative, physical and technical safeguards as well as policies, procedures and documentation requirements that apply to Covered Entity shall in the same manner apply to Business Associate. Any additional security requirements contained in Sub Title D of Title IV of the HITECH Act that apply to Covered Entity shall also apply to Business Associate. Pursuant to

the foregoing requirements in this section, the Business Associate will implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the paper or electronic PHI that it creates, has access to, or transmits. Business Associate will also ensure that any agent, including a subcontractor, to whom it provides such information, agrees to implement reasonable and appropriate safeguards to protect such information. Business Associate will ensure that PHI contained in portable devices or removable media is encrypted.

2. Annual Guidance. For the first year beginning after the date of the enactment of the HITECH Act and annually thereafter, the Secretary shall annually issue guidance on the most effective and appropriate technical safeguards for use in carrying out the sections referred to in subsection (a) and the security standards in subpart C of part 164 of title 45, Code of Federal Regulations. Business Associate shall, at their own cost and effort, monitor the issuance of such guidance and comply accordingly.
3. Privacy Provisions. The enhanced HIPAA privacy requirements including but not necessarily limited to accounting for certain PHI disclosures for treatment, restrictions on the sale of PHI, restrictions on marketing and fundraising communications, payment and health care operations contained Subtitle D of the HITECH Act that apply to the Covered entity shall equally apply to the Business Associate.
4. Application of Civil and Criminal Penalties. If Business Associate violates any security or privacy provision specified in subparagraphs (1) and (2) above, sections 1176 and 1177 of the Social Security Act (42 U.S.C. 1320d-5, 1320d-6) shall apply to Business Associate with respect to such violation in the same manner that such sections apply to Covered Entity if it violates such provisions.

G. Term and Termination.

1. Term. This Agreement shall be effective as of the Effective Date and shall be terminated when all PHI provided to Business Associate by Covered Entity, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity.
2. Termination for Cause. Upon Covered entity's knowledge of a material breach by Business Associate, Covered Entity shall either:
 - a. Provide an opportunity for Business Associate to cure the breach within 30 days of written notice of such breach or end the violation and terminate this Agreement, whether it is in the form of a stand alone agreement or an addendum to a Master Services Agreement, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity; or
 - b. Immediately terminate this Agreement whether it is in the form of a stand alone agreement or an addendum to a Master Services Agreement if

Business associate has breached a material term of this Agreement and cure is not possible.

3. Effect of Termination. Upon termination of this Agreement for any reason, Business Associate agrees to return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity, maintained by Business Associate in any form. If Business Associate determines that the return or destruction of PHI is not feasible, Business Associate shall inform Covered Entity in writing of the reason thereof, and shall agree to extend the protections of this Agreement to such PHI and limit further uses and disclosures of the PHI to those purposes that make the return or destruction of the PHI not feasible for so long as Business Associate retains the PHI.

H. Miscellaneous.

1. Indemnification. To the extent permitted by law, Business Associate agrees to indemnify and hold harmless Covered Entity from and against all claims, demands, liabilities, judgments or causes of action of any nature for any relief, elements of recovery or damages recognized by law (including, without limitation, attorney's fees, defense costs, and equitable relief), for any damage or loss incurred by Covered Entity arising out of, resulting from, or attributable to any acts or omissions or other conduct of Business Associate or its agents in connection with the performance of Business Associate's or its agents' duties under this Agreement. This indemnity shall apply even if Covered Entity is alleged to be solely or jointly negligent or otherwise solely or jointly at fault; provided, however, that a trier of fact finds Covered Entity not to be solely or jointly negligent or otherwise solely or jointly at fault. This indemnity shall not be construed to limit Covered Entity's rights, if any, to common law indemnity.

Covered Entity shall have the option, at its sole discretion, to employ attorneys selected by it to defend any such action, the costs and expenses of which shall be the responsibility of Business Associate. Covered Entity shall provide Business Associate with timely notice of the existence of such proceedings and such information, documents and other cooperation as reasonably necessary to assist Business Associate in establishing a defense to such action.

These indemnities shall survive termination of this Agreement, and Covered Entity reserves the right, at its option and expense, to participate in the defense of any suit or proceeding through counsel of its own choosing.

2. Mitigation. If Business Associate violates this Agreement or either of the HIPAA Rules, Business Associate agrees to mitigate any damage caused by such breach.
3. Rights of Proprietary Information. Covered Entity retains any and all rights to the proprietary information, confidential information, and PHI it releases to Business Associate.
4. Survival. The respective rights and obligations of Business Associate under Section E.3 of this Agreement shall survive the termination of this Agreement.

5. Notices. Any notices pertaining to this Agreement shall be given in writing and shall be deemed duly given when personally delivered to a Party or a Party's authorized representative as listed in Section 8.7 of the agreement between the City and Grantee or sent by means of a reputable overnight carrier, or sent by means of certified mail, return receipt requested, postage prepaid. A notice sent by certified mail shall be deemed given on the date of receipt or refusal of receipt.
6. Amendments. This Agreement may not be changed or modified in any manner except by an instrument in writing signed by a duly authorized officer of each of the Parties hereto. The Parties, however, agree to amend this Agreement from time to time as necessary, in order to allow Covered Entity to comply with the requirements of the HIPAA Rules.
7. Choice of Law. This Agreement and the rights and the obligations of the Parties hereunder shall be governed by and construed under the laws of the State of Texas without regard to applicable conflict of laws principles.
8. Assignment of Rights and Delegation of Duties. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and permitted assigns. However, neither Party may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Party, which consent shall not be unreasonably withheld or delayed. Notwithstanding any provisions to the contrary, however, Covered Entity retains the right to assign or delegate any of its rights or obligations hereunder to any of its wholly owned subsidiaries, affiliates or successor companies. Assignments made in violation of this provision are null and void.
9. Nature of Agreement. Nothing in this Agreement shall be construed to create (i) a partnership, joint venture or other joint business relationship between the Parties or any of their affiliates, (ii) any fiduciary duty owed by one Party to another Party or any of its affiliates, or (iii) a relationship of employer and employee between the Parties.
10. No Waiver. Failure or delay on the part of either Party to exercise any right, power, privilege or remedy hereunder shall not constitute a waiver thereof. No provision of this Agreement may be waived by either Party except by a writing signed by an authorized representative of the Party making the waiver.
11. Equitable Relief. Any disclosure of misappropriation of PHI by Business Associate in violation of this Agreement will cause Covered Entity irreparable harm, the amount of which may be difficult to ascertain. Business Associate therefore agrees that Covered Entity shall have the right to apply to a court of competent jurisdiction for specific performance and/or an order restraining and enjoining Business Associate from any such further disclosure or breach, and for such other relief as Covered Entity shall deem appropriate. Such rights are in addition to any other remedies available to Covered Entity at law or in equity. Business Associate expressly waives the defense that a remedy in damages will be adequate, and further waives any requirement in an action for specific performance or injunction for the posting of a bond by Covered Entity.

12. Severability. The provisions of this Agreement shall be severable, and if any provision of this Agreement shall be held or declared to be illegal, invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect as though such illegal, invalid or unenforceable provision had not been contained herein.
13. No Third Party Beneficiaries. Nothing in this Agreement shall be considered or construed as conferring any right or benefit on a person not a party to this Agreement nor imposing any obligations on either Party hereto to persons not a party to this Agreement.
14. Headings. The descriptive headings of the articles, sections, subsections, exhibits and schedules of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.
15. Entire Agreement. This Agreement, together with all Exhibits, Riders and amendments, if applicable, which are fully completed and signed by authorized persons on behalf of both Parties from time to time while this Agreement is in effect, constitutes the entire Agreement between the Parties hereto with respect to the subject matter hereof and supersedes all previous written or oral understandings, agreements, negotiations, commitments, and any other writing and communication by or between the Parties with respect to the subject matter hereof. In the event of any inconsistencies between any provisions of this Agreement in any provisions of the Exhibits, Riders, or amendments, the provisions of this Agreement shall control.
16. Interpretation. Any ambiguity in this Agreement shall be resolved in favor of a meaning that permits Covered Entity to comply with the HIPAA Rules and any applicable state confidentiality laws. The provisions of this Agreement shall prevail over the provisions of any other agreement that exists between the Parties that may conflict with, or appear inconsistent with, any provision of this Agreement or the HIPAA Rules.
17. Regulatory References. A citation in this Agreement to the Code of Federal Regulations shall mean the cited section as that section may be amended from time to time.
