Dear Mr. Strong,

Thank you for your continuing efforts in support of the park, playscape and hiking trails in the Great Hills/Austin Hills community. We appreciate your time and experience.

Regarding your inquiry about the agreed upon name for the park, this letter is to inform you of the consensus by the various chairpeople, representing numerous committee members, that we indeed support the name "Great Hills Park". This was also established during our formal survey of the neighborhood last year.

Please find below our committee chair signatures, along with several committee members, including those who were strongly in favor of this park project along with those who expressed strong reservation, or outright opposition.

We trust this will resolve the issue for you and look forward to the continuing progress on the park.

Best regards,

Dear Friends

Thanks so much for the lovely pink poinsettia. It stayed beautiful until last week. In writing thank you notes standing up, because I can't sit longer than 30 minutes. I'm in a brace for several more months, and I'm really suffering because I actually can't do much of anything. Can't even drive yet.

To depend on someone else is really hard for me to do. I really try though.

Keep up your good work and also take care of your body, especially your back. You do not want back surgery. Thank you again for remembering me.

With sincere appreciation
for your kindness.

Love,
Louise Wilson
