Mr. Olivares spoke regarding a question that was raised at the Parks Board meeting that was held on May 25, 1999, regarding free swim hours at Barton Springs Pool. Mr. Olivares explained that a lot of kids were coming in by 8:00 a.m. unsupervised and this was creating some safety issues. There will now be an extra hour in the evening where swimmers can swim free. Mr. Olivares also mentioned that automated doors will be installed during the winter that will open with a clock, for example, at 5:00 a.m., the doors will automatically open. Mr. Olivares mentioned that in the Barton Springs area, the Robert E. Lee section of road is open. There is some trail work being done in this area as well. Movie nights have started for the Aquatics Division, they are being held every Saturday at Deep Eddy Pool. Also, the opening ceremonies for playgrounds will be held tomorrow (June 9, 1999) at 10:00 on Auditorium Shores. Mr. Olivares gave an update on the Rowing Center; staff will continue to work with the owners

regarding a site plan. Two top candidates have been interviewed for the position of Division Manager of Cultural Affairs; a decision will be made sometime in July.
