**Additional Backup Information:**

The Parks and Recreation Department is proposing to name a park road, south of Slaughter Lane, 'Donald E. Carpenter Way'. The road is often referred to as 'Vinemont Drive' as it connects to Vinemont Drive north of Slaughter Lane. The Parks and Recreation Department is bringing forward this item for the purpose of honoring an individual which is consistent with Code Section 14-5-4 Allowed Reasons for Street Name Change.

The City of Austin is the only affected property owner because the park road lies entirely within the Circle C Metropolitan Park boundaries.

The application requirements and fee of \$415.00 are inapplicable because the Parks and Recreation Department is bringing forward this item as it is related to an internal park road. No processing fee for street sign replacement has been assessed because the Parks and Recreation

Department has its own sign shop and intends to handle the sign replacement fully within the Parks and Recreation Department.

Staff has determined this request to be consistent with the City's Codes and Policies.
