Subject: C8-2017-0283.0A, posted for 4 December 2018 ZAP meeting, request for postponement by Walnut Creek Neighborhood Association

Dear Case Manager Zavala,

The Walnut Creek Neighborhood Association is a neighborhood association registered with the City of Austin under id#85.

Per the Community Registry of the City of Austin, the boundaries of the Walnut Creek Neighborhood Association are Yager Lane to the North, North Lamar Blvd. to the west, Braker Lane to the south, and the IH35 service road to the east, and the 11306 Tedford property that is the subject of this case therefore falls within the recognized boundaries of the Walnut Creek Neighborhood Association.

I am the president of this Association for 2018-2019, having been elected to this position pursuant to the Association bylaws at the first Board meeting of the Association following the General Meeting of the Association Board in 2018.

The Notice of Pubic Hearing for this case has caused inquiries to the Association from residents within the boundaries of the Association, who have expressed a desire to attend our monthly Board meeting.

Because our monthly Board meetings are on the first Wednesday of each month, and thus on the Wednesday 5 December 2018 following the posted ZAP hearing date for this case of 4 December 2018, I respectfully request that the public hearing for this case be postponed to the next ZAP hearing date of Tuesday, 18 December 2018.

I am copying the Applicant at the contact email provided by the Applicant at the applicant's website.

Best regards,  
Robert Meadows
