**Notes -**

1. Incident volume reflects ALL incidents, regardless of cancellation status or response code
2. District response times represents only responses within Full-Purpose areas (no limited purpose or ETJ)
3. Approximately 1-3% of incident are assigned to multiple Districts and excluded in above totals
4. Due to missing data, results should be used for general trends -- not detailed analysis or outcomes
5. Emergency incidents defined as an incident which had a Code 3 response, valid timestamps by a frontline unit
6. Response times include timestamps from all first-arriving frontline fire units, regardless of agency (AFD and ESDs units)
