The offer to let you move the house expired November 26, 2018. Please refer back to my email.

Don't waste any more time on this.

Hi Priscilla,

I wanted to update you as to the status of the CDC trying to move the house at 1002 Charlotte to 1611 West 10th. At present, the potential funders and owners of 1611 West 10th would like to tour 1002 Charlotte before agreeing to allow the move to happen.

Are there a few times you could provide to allow us access to the property? Your cooperation is most appreciated.

Best,
