

**Motion Sheet for Item 28 (ARCH Contract with Front Steps)
CM Kathie Tovo
City Council Meeting
January 31, 2019**

I move approval of the contract with the following modifications:

1. The initial term of the contract shall be 18 months, in an amount not to exceed 4.5 million, with three additional 12-month extensions to be voted on by Council.
2. Payment of the City's living wage for all employees working on the contract must be a required term of the contract.
3. The recommended vendor is required to participate with the shelter standards advisory council, or similar body, if and when such a group is constituted.

Direction to staff:

The City Manager is directed to solicit feedback from shelter and social service providers to better understand why the City received so few responses to this solicitation.
