City of Austin, Office of Police Oversight Community Engagement Team

Purpose

The purpose of the Office of Police Oversight (OPO) Community Engagement Team is to inform the public, educate the community, and to engage with as many community members and partners.

Mission

The mission of the Community Engagement Team (CET) is to serve the public and inform them about the Office of Police Oversight. The CET will provide guidance to the community on how to utilize the OPO as a resource and will build partnerships so that the OPO can engage with people in their neighborhood. The goal of the CET is to amplify the OPO Director's efforts to honor the community's desire for transparency and accountability of the Austin Police Department (APD) and to build public trust between the public and police officers.

Vision

Partnering with our community to create positive change.
