Thanks, Tom. I'm adding Kalan Contreras via cc, since she's handling this case. Kalan, this email would be a good one to add to the backup.

**Subject:** Fwd:

Hello, many many years ago (1989) I was asked by the Guadalupe Neighborhood to help them remodel this sad little house. We did what we could with limited funds and adding a slight front porch that is not one of my favorite designs. I do not think 809 San Marcos is a contributing house to our fine neighborhood where I have lived most of my Austin life since 1972. I support its demolition so that a solid and complimentary home can be added in its place.

Please let me know if you need any other information from me and/or let me know if you think I should attend next Monday's meeting.

Thank you all,

tom
