

Windsor Park Neighborhood Association

March 17, 2019

To Whom It May Concern,

On March 9, 2019, the Windsor Park Neighborhood Association voted unanimously to support Mount Sinai Baptist Church's application to demolish the structures on their property at 5900 Cameron Road, with the understanding that Mount Sinai would take steps to preserve the windows on the property that have been deemed to have historic value.

The Windsor Park Neighborhood Association is sad that Mount Sinai is departing our neighborhood after many years of fellowship, and wish them the best in the future. We thank Mount Sinai for asking for our input, and we look forward to working with the new owners to develop a project that will be a benefit to our community, and to Austin in general.
