SUMMARY OF RULE

The emergency rule adopts revisions to regulations implemented by the Austin Transportation Department enforcing Chapter 14-11 of the City Code governing use of City Rights-of-Way and City infrastructure by cellular service providers for wireless network infrastructure. The emergency rule streamlines permitting requirements and design criteria for use of and activities within public rights-of-way conducted by wireless providers installing wireless network facilities.

NATURE OF EMERGENCY

The emergency rule is necessary to regulate, enforce and safeguard public right-of-way consistent with local regulatory authority that complies with federal rules.

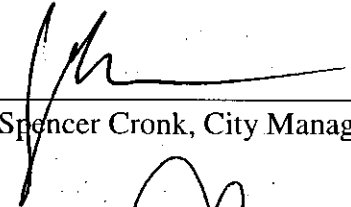

AUTHORITY FOR ADOPTION OF RULE

The authority and procedure for adoption of a rule to assist in the implementation, administration and enforcement of a provision of the City Code is provided in Chapter 1-2 of the City Code. The authority to establish rules governing management of private use of City right of way is established in City Code Chapter 14-11 (*Use of Right-of-Way*).

CERTIFICATION BY CITY ATTORNEY

By signing this Notice of Renewal of Emergency Rule Adoption (Rule 161-19.08e), the City Attorney certifies that the renewal of the emergency rule is a valid exercise of the City Manager's authority.
